REGULAR AUDIT
JANUARY 1, 2017 – DECEMBER 31, 2017

Dave Yost • Auditor of State

Board of Township Trustees
Liberty Township
7552 Harmony Church Road
Johnstown, Ohio 43031

We have reviewed the *Independent Auditor's Report* of Liberty Township, Licking County, prepared by Wilson, Shannon & Snow, Inc., for the audit period January 1, 2017 through December 31, 2017. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. Liberty Township is responsible for compliance with these laws and regulations.

INDEPENDENT AUDITOR'S REPORT

Liberty Township
Licking County
7552 Harmony Church Road
Johnstown, Ohio 43031

To the Board of Trustees:

Report on the Financial Statements

We have audited the accompanying financial statement of the cash balances, receipts and disbursements by fund type, and related notes of Liberty Township, Licking County, Ohio (the Township) as of and for the year ended December 31, 2017.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting this financial statement in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on this financial statement based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statement is free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Township's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Township's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the financial statements, the Township prepared this financial statement using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements.

Liberty Township
Licking County
Independent Auditor's Report

Although the effects on the financial statement of the variances between the regulatory accounting basis and GAAP are not reasonably determinable, we presume they are material.

Though the Township does not intend this statement to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. Our opinion on this accounting basis is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statement referred to above does not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Township as of December 31, 2017, and the respective changes in financial position thereof for the year then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above present fairly, in all material respects, the cash balances, receipts and disbursements by fund type, and related notes of Liberty Township, Licking County, as of December 31, 2017, for the year then ended in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit, described in Note 2.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 30, 2018, on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Township's internal control over financial reporting and compliance.

LIBERTY TOWNSHIP
LICKING COUNTY
Notes to the Financial Statement
For the Year Ended December 31, 2017

Note 1 – Reporting Entity

The constitution and laws of the State of Ohio establish the rights and privileges of Liberty Township, Licking County, (the Township) as a body corporate and politic. A publicly elected three-member Board of Trustees directs the Township. The Township provides road and bridge maintenance and cemetery maintenance. The Township contracts with Monroe Township and St. Albans Township for fire protection emergency medical services.

Public Entity Risk Pools

The Township participates in the Ohio Township Association Risk Management Authority (OTARMA). Note 6 to the financial statement provides additional information for this entity. The Township's management believes this financial statement presents all activities for which the Township is financially accountable.

Note 2 – Summary of Significant Accounting Policies

Basis of Presentation

The Township's financial statement consists of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types, and a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for its fiduciary fund type which is organized on a fund type basis.

Fund Accounting

The Township uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Township are presented below:

General Fund The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Township for any purpose provided it is expended or transferred according to the general laws of Ohio.

Special Revenue Funds These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Township had the following significant Special Revenue Funds:

Road and Bridge Fund The road and bridge fund accounts for and reports that portion of voted real estate taxes and intergovernmental revenues restricted for maintenance and repair of roads within the Township.

Fire Fund The fire fund accounts for and reports that portion of voted real estate taxes and intergovernmental revenues restricted for fire operations and emergency services within and outside the Township.

LICKING COUNTY
Notes to the Financial Statement
For the Year Ended December 31, 2017

Note 2 – Summary of Significant Accounting Policies (Continued)

Fiduciary Funds Fiduciary funds include private purpose trust funds and agency funds. Trust funds account for assets held under a trust agreement for individuals, private organizations, or other governments which are not available to support the Township's own programs.

The Township's private purpose trust fund receives gifts and donations from benefactors and uses the interest earned on the fund balance for improving the Township cemetery.

Basis of Accounting

This financial statement follows the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (D). This basis is similar to the cash receipts and disbursements accounting basis. The Township recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

This statement includes adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (D) permit.

Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

Appropriations Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year-end.

Estimated Resources Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must approve estimated resources.

Encumbrances The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year-end are carried over, and need not be reappropriated.

A summary of 2017 budgetary activity appears in Note 3.

Deposits and Investments

The Township's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

The Township values certificates of deposit at cost.

Note 2 – Summary of Significant Accounting Policies (Continued)

Capital Assets

The Township records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statement does not report these items as assets.

Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Township must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

Nonspendable The Township classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

Restricted Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

Committed Trustees can *commit* amounts via formal action (resolution). The Township must adhere to these commitments unless the Trustees amend the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

Assigned Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the general fund report all fund balances as *assigned* unless they are restricted or committed. In the general fund, *assigned* amounts represent intended uses established by Township Trustees or a Township official delegated that authority by resolution, or by State Statute.

Unassigned Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Township applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

Note 3 – Budgetary Activity

Budgetary activity for the year ending December 31, 2017, follows:

2017 Budgeted vs. Actual Receipts			
Fund Type	Budgeted Receipts	Actual Receipts	Variance
General	\$184,478	\$217,608	\$33,130
Special Revenue	700,676	712,990	12,314
Total	\$885,154	\$930,598	\$45,444

2017 Budgeted vs. Actual Budgetary Basis Expenditures			
Fund Type	Appropriation Authority	Budgetary Expenditures	Variance
General	\$332,750	\$198,958	\$133,792
Special Revenue	769,050	666,990	102,060
Total	\$1,101,800	\$865,948	\$235,852

Note 4 – Deposits and Investments

The Township maintains a deposit and investments pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits and investments at December 31 was as follows:

	2017
Demand deposits	\$1,023,761
Certificate of deposit	1,304
Total deposits and investments	\$1,025,065

Deposits

Deposits are insured by the Federal Deposit Insurance Corporation, collateralized by securities specifically pledged by the financial institution, and collateralized by the Township's pooled collateral investment pool.

Note 5 – Property Taxes

Real property taxes become a lien on January 1 preceding the October 1 date for which the Trustees adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

LIBERTY TOWNSHIP
LICKING COUNTY
Notes to the Financial Statement
For the Year Ended December 31, 2017

Note 6 – Risk Management

The Township is exposed to various risks of property and casualty losses, and injuries to employees.

The Township insures against injuries to employees through the Ohio Bureau of Worker’s Compensation.

The Township belongs to the Ohio Township Association Risk Management Authority (OTARMA), a risk-sharing pool available to Ohio townships. OTARMA provides property and casualty coverage for its members. York Risk Pooling Services, Inc. (formally known as American Risk Pooling Consultants, Inc.) (York or Management), functions as the administrator of the Pool and provides underwriting claims, loss control, risk management, and reinsurance services for the Pool. Member governments pay annual contributions to fund OTARMA. OTARMA pays judgments, settlements and other expenses resulting from covered claims that exceed the members’ deductibles.

Casualty and Property Coverage

The Pool is a member of American Public Entity Excess Pool (APEEP), which is also administered by York. APEEP provides the Pool with an excess risk-sharing program. Under this arrangement, OTARMA retains insured risks up to an amount specified in the contracts. At December 31, 2016, OTARMA retained \$350,000 for casualty claims and \$250,000 for property claims.

The aforementioned casualty and property reinsurance agreement does not discharge OTARMA’s primary liability for claims payments on covered losses. Claims exceeding coverage limits are the obligation of the respective government.

Financial Position

OTARMA’s financial statements (audited by other accountants) conform with generally accepted accounting principles, and reported the following assets, liabilities and retained earnings at December 31, 2016 (the latest information available).

	2016
Assets	\$38,473,283
Liabilities	8,244,140
Net Position	\$30,229,143

At December 31, 2016 the liabilities above include approximately \$7.4 million of estimated incurred claims payable. The assets above also include approximately \$6.9 million of unpaid claims to be billed to approximately 1,010 member governments in the future, as of December 31, 2016. These amounts will be included in future contributions from members when the related claims are due for payment. As of December 31, 2017, the Township’s share of these unpaid claims collectible in future years is approximately \$2,862.

Based on discussions with OTARMA, the expected rates OTARMA charges to compute member contributions, which are used to pay claims as they become due, are not expected to change significantly from those used to determine the historical contributions detailed below. By contract, the annual liability of each member is limited to the amount of financial contributions required to be made to OTARMA for each year of membership.

LIBERTY TOWNSHIP
LICKING COUNTY
Notes to the Financial Statement
For the Year Ended December 31, 2017

Note 6 – Risk Management (Continued)

2017 Contributions to OTARMA
\$6,359

After one year of membership, a member may withdraw on the anniversary of the date of joining OTARMA, if the member notifies OTARMA in writing 60 days prior to the anniversary date. Upon withdrawal, members are eligible for a full or partial refund of their capital contributions, minus the subsequent year’s contribution. Withdrawing members have no other future obligation to the pool. Also upon withdrawal, payments for all casualty claims and claim expenses become the sole responsibility of the withdrawing member, regardless of whether a claim occurred or was reported prior to the withdrawal.

Note 7 – Debt

Debt outstanding at December 31, 2017 was as follows:

	<u>Principal</u>	<u>Interest Rate</u>
OPWC - Moorhead Hill Improvements	\$15,491	0.00%
OPWC - Sadie Thomas Road	13,046	0.00%
Total	<u>\$28,537</u>	

The Ohio Public Works Commission (OPWC) Loan are supported by the full faith and credit of the Township and is payable from unvoted property tax receipts to the extent that other resources are not available to meet annual principal payments. The outstanding principal amounts represent the Township’s confirmed OPWC obligations at December 31, 2017:

<u>Year Ended December 31:</u>	<u>OPWC - Moorhead Hill Road</u>	<u>OPWC - Sadie Thomas Road</u>	<u>Total</u>
2018	\$2,066	\$6,522	\$8,588

Note 8 – Defined Benefit Pension Plans

Ohio Public Employees Retirement System

Some employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10 percent of their gross salaries and the Township contributed an amount equaling 14 percent of participants' gross salaries. The Township has paid all contributions required through December 31, 2017.

Note 9 – Postemployment Benefits

OPERS offers a cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement and Medicare Part B premium reimbursements, to qualifying benefit recipients. The portion of employer contributions allocated to health care for OPERS members in the Traditional Pension Plan and Combined Plan was 1.0 percent during calendar year 2017.

Note 10 – Contingent Liabilities

The Township is defendant in several lawsuits. Although management cannot presently determine the outcome of these suits, management believes that the resolution of these matters will not materially adversely affect the Township's financial condition.

Note 11 – Related Organizations

A Township trustee is a member of the Board of the General Myles Estate which holds substantial property in the Township for the benefit of Township residents. There were no financial transactions between the Township and the General Myles Estate for 2017.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
REQUIRED BY GOVERNMENT AUDITING STANDARDS**

Liberty Township
Licking County
7552 Harmony Church Road
Johnstown, Ohio 43031

To the Board of Trustees:

We have audited in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statement of the cash balances, receipts, and disbursements by fund type of Liberty Township, Licking County, (the Township) as of and for the year ended December 31, 2017, and the related notes to the financial statement and have issued our report thereon dated May 30, 2018 wherein we noted the Township followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

Internal Control over Financial Reporting

As part of our financial statement audit, we considered the Township's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinions on the financial statements, but not to the extent necessary to opine on the effectiveness of the Township's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Township's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Therefore, unidentified material weaknesses or significant deficiencies may exist. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. We did identify a certain deficiency in internal control, described in the accompanying schedule of findings that we consider a significant deficiency. We consider findings 2017-001 and 2017-002 to be significant deficiencies.

Compliance and Other Matters

As part of reasonably assuring whether the Township's financial statement is free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed an instance of noncompliance or other matters we must report under *Government Auditing Standards* which is described in the accompanying schedule of findings as item 2017-001.

Township's Response to Findings

The Township's responses to the findings identified in our audit are described in the accompanying schedule of findings. We did not audit the Township's responses and, accordingly, we express no opinion on them.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Township's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Township's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

**FINDINGS RELATED TO THE FINANCIAL STATEMENTS

Finding Number	2017-001
----------------	----------

Ohio Revised Code Section 5705.10(C) states that all revenue derived from a special levy shall be credited to a special fund for the purpose for which the levy was made. In addition, all revenue derived from a source other than the general property tax and which the law prescribes shall be used for a particular purpose is to be paid into a special fund for such purpose.

The Township recorded the 2017 rollback and homestead receipts within the General Fund contrary to the semi-annual tax apportionment sheets provided by the Licking County Auditor, which required distributing rollback and homestead receipts to the Road and Bridge Fund and Fire Fund. Variances identified are as follows:

	General Fund	Road and Bridge Fund	Fire Levy Fund
Required Rollback and Homestead Distributions Recorded By Township	\$18,767 66,418	\$21,537 0	\$26,114 0
Overstated (Understated)	\$47,651	(21,537)	(\$26,114)

The adjustments identified above have been recorded by the Township and are reflected within the financial statement.

We recommend the Township develop internal control procedures to verify that all revenues are posted to the correct funds and revenue account codes during the year.

Financial Reporting

All local public offices should maintain an accounting system and accounting records sufficient to enable the public office to identify, assemble, analyze, classify, record and report transactions, maintain accountability for the related assets, document compliance with finance-related legal and contractual requirements and prepare financial statements.

Auditor of State Bulletin 2015-007 *Required “Annual Financial Report Filing by Public Offices and Other Entities Required to File”* provides comprehensive guidance related to required annual financial report filings by public offices required to file, including the completeness and accuracy of the financial statements and notes to the financial statements filed with the AOS HINKLE system.

Testing of the 2017 cash basis financial statement and notes to the financial statement filed with the AOS HINKLE system identified the following discrepancies:

- Auditor of State Bulletin 2011-004 provides guidance on the implementation of Governmental Accounting Standards Board Statement No. 54 – Fund Balance Reporting and Governmental Fund Type Definitions, specifically the proper presentation of fund balances as nonspendable, restricted, committed, assigned and unassigned. An audit reclassification of \$198,758 was required within the General Fund to properly present assigned fund balance – subsequent year appropriations at December 31, 2017.

FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS

Finding Number	2017-002 (Continued)
----------------	----------------------

- Rollback and homestead receipts were improperly posted to the correct funds and were recorded as real estate taxes instead of intergovernmental receipts. See finding 2017-001 for improper posting of receipts.
- An audit reclassification was necessary to present debt principal payments within the General Fund of \$4,294 at December 31, 2017.
- The Township incorrectly recorded real estate taxes received at net contrary to the proper presentation as gross. For 2017 the amount of \$15,736 was posted to the Summary of Unadjusted Differences. The Township should make necessary adjustments to record real estate taxes at gross and record the corresponding fees as expenditures within the Township's ledgers.

We recommend the Township develop procedures to review the presentation of its fund balances within the UAN accounting system prior to finalizing its year-end financial statements and filing the Township's financial statements and notes to the financial statements with the AOS HINKLE system.
