INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Plymouth Township
Richland County
7025 Kuhn Road
Shelby, Ohio 44875

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of Plymouth Township, Richland County, Ohio, (the Township), on the receipts, disbursements and balances recorded in the Townships cash basis accounting records for the years ended December 31, 2017 and 2016 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2017 and 2016 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report.

Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash

1. We recalculated the December 31, 2017 and December 31, 2016 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2016 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2015 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2017 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2016 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2017 and 2016 fund cash balances reported in the Fund Status Report. The amounts agreed.
4. We confirmed the December 31, 2017 bank account balance with the Township's financial institution. We found no exceptions. We also agreed the confirmed balance to the amount appearing in the December 31, 2017 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2017 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.

Property Taxes and Intergovernmental Receipts

1. We haphazardly selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2017 and one from 2016:
 - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Detail Report. The amounts agreed.
 - b. We inspected the Receipt Detail Report to confirm the receipt was allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Detail Report to confirm whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We inspected the Receipt Detail Report to determine whether it included two real estate tax receipts for 2017 and 2016. The Receipt Detail Report included the proper number of tax receipts for each year.
3. We haphazardly selected all receipts from the State Distribution Transaction Lists (DTL) from 2017 and all from 2016. We also haphazardly selected five receipts from the County Auditor's Vendor Invoice List from 2017 and five from 2016.
 - a. We compared the amount from the above reports to the amount recorded in the Receipt Detail Report. The amounts agreed.
 - b. We inspected the Receipt Detail Report to determine that these receipts were allocated to the proper funds. We found no exceptions.
 - c. We inspected the Receipt Detail Report to determine whether the receipts were recorded in the proper year. We found no exceptions.

Debt

1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2015.
2. We inquired of management, and inspected the Receipt Detail Report and Payment Register Detail Report for evidence of debt issued during 2017 or 2016 or debt payment activity during 2017 or 2016. There were no new debt issuances, nor any debt payment activity during 2017 or 2016.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2017 and one payroll check for five employees from 2016 from the Payment Register Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Payment Register Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the employees' personnel files and as required by statute. We also confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2017 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2017. We observed the following:

Payroll Cash Disbursements (Continued)

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare	January 31, 2018	January 2, 2018	\$1,866.78	\$1,866.78
State income taxes	January 31, 2018	December 28, 2017	\$701.32	\$701.32
School District tax	January 31, 2018	December 28, 2017	\$329.00	\$329.00
OPERS retirement	January 30, 2018	December 28, 2017	\$1,061.15	\$1,061.15

3. For the pay periods ended December 5, 2017 and March 3, 2016, we recomputed the allocation of the Boards' salaries to the General and Gasoline Tax Fund per the Payment Register Detail Report. We found no exceptions.
4. For the pay periods described in the preceding procedure, we traced the Boards' salary for time or services performed to supporting certifications the Revised Code requires. We found no exceptions.
5. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2017 and 2016 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred

Non-Payroll Cash Disbursements

1. We haphazardly selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2017 and ten from the year ended 2016 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. We compared the total estimated receipts from the Amended Official Certificate of Estimated Resources, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Road & Bridge, and Gasoline Tax funds for the years ended December 31, 2017 and 2016. The amounts on the *Certificate* agreed to the amounts recorded in the accounting system for 2017. The amounts on the *Certificate* for 2016 did not agree to the amounts recorded in the accounting system for the General, Road & Bridge, and Gasoline Tax funds. The Revenue Status Report recorded budgeted (i.e. certified) resources of \$93,550, \$88,000, and \$150,000 for the General, Road & Bridge, and Gasoline Tax funds, respectively. However, the final *Amended Official Certificate of Estimated Resources* reflected \$47,350, \$44,000, and \$75,000 for the General, Road & Bridge, and Gasoline Tax funds, respectively. The fiscal officer should periodically compare amounts recorded in the Revenue Status Report to amounts recorded on the *Amended Official Certificate of Estimated Resources* to assure they agree. If the amounts do not agree, the Trustees may be using inaccurate information for budgeting and monitoring purposes.

Compliance – Budgetary (Continued)

2. We inspected the appropriation measures adopted for 2017 and 2016 to determine whether, for the General, Road & Bridge, and Gasoline Tax funds, the Trustees appropriated separately for “each office, department, and division, and within each, the amount appropriated for personal services,” as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2017 and 2016 for the following funds: General, Road & Bridge, and Gasoline Tax funds. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status Report.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Road & Bridge, and Gasoline Tax funds for the years ended December 31, 2017 and 2016. There were no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2017 and 2016 for the General, Road & Bridge, and Gasoline Tax funds, as recorded in the Appropriation Status Report. There were no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We inspected the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2017 and 2016. We also inquired of management regarding whether the Township received new restricted receipts. We observed no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.
7. For funds existing in prior years, inspect the fund activity to determine whether the fund is still being used for the statutorily approved purpose and that all the required funds were established. All the required funds were established and no funds for which the statutorily approved purpose was no longer valid were included on the accounting records.
8. We inspected the 2017 and 2016 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers exceeding \$1,000 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner (effective after June 30, 2017) or Court of Common Pleas (effective through June 30, 2017).
9. We inquired of management and inspected the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. The Township did not establish these reserves.
10. We inspected the Cash Summary by Fund Report for the years ended December 31, 2017 and 2016 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

Compliance – Contracts & Expenditures

1. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2017 and 2016 to determine if the township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

Other Compliance

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, in addition to filing extensions granted for extenuating circumstances, allow for refiling complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System for December 31, 2017 and 2016 fiscal year ends included in 2015-2016 or 2016-2017 agreed-upon procedure engagements, subsequent to the Township's deadline where the initial filing was filed on time but incomplete. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2017 and 2016 in the Hinkle system. There were no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2017 and 2016, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
