Members of Council and Mayor Village of Ashley 3 North Harrison Street Ashley, Ohio 43003

We have reviewed the *Independent Auditor's Report* of the Village of Ashley, Delaware County, prepared by Julian & Grube, Inc., for the audit period January 1, 2017 through December 31, 2017. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Village of Ashley is responsible for compliance with these laws and regulations

Independent Auditor's Report

Village of Ashley Delaware County 3 North Harrison Street Ashley, Ohio 43003

To the Members of Council and Mayor:

Report on the Financial Statements

We have audited the accompanying financial statements of the cash balances, receipts and disbursements by fund type, and related notes of the Village of Ashley, Delaware County, Ohio, as of and for the year ended December 31, 2017.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Village of Ashley's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Village of Ashley's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the financial statements, the Village of Ashley prepared these financial statements using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements.

Although the effects on the financial statements of the variances between the regulatory accounting basis and GAAP are not reasonably determinable, we presume they are material.

Village of Ashley Delaware County Independent Auditor's Report Page 2

Though the Village of Ashley does not intend these statements to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. Our opinion on this accounting basis is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Village of Ashley as of December 31, 2017, and the respective changes in financial position thereof for the year then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements by fund type, and related notes of the Village of Ashley, Delaware County, as of December 31, 2017, for the year then ended in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit, described in Note 2.

Emphasis of Matter

As discussed in Note 13 to the financial statements, during 2017, the Village of Ashley determined that a restatement to the beginning cash fund balance of the General fund was necessary to adjust for an outstanding reconciling item. We did not modify our opinion regarding this matter.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated July 12, 2019, on our consideration of the Village of Ashley's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Village of Ashley's internal control over financial reporting and compliance.

Delaware County Notes to the Financial Statements For the Year Ended December 31, 2017

Note 1 - Reporting Entity

The Village of Ashley (the Village), Delaware County, is a body politic and corporate established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. A publicly-elected six-member Council directs the Village. The Village provides water, sewer, and trash utilities, street maintenance and repair, park operations, and police services. The Village contracts with Elm Valley Joint Fire District to receive fire protection services.

Jointly Governed Organization, Public Entity Risk Pools, and Related Organizations

The Village participates in a jointly governed organization, two public entity risk pools, and is associated with two related organizations. Notes 6, 9, 10, and 11 to the financial statements provides additional information for these entities. The organizations are:

Public Entity Risk Pools:

Ohio Plan Risk Management, Inc.

The Plan provides property, liability, errors and omissions, law enforcement, automobile, excess liability, crime, surety and bond, inland marine and other coverage to its members.

Ohio Municipal League Group Rating Plan (GRP)

The Village participates in the Ohio Municipal League Group Rating Plan (GRP) for worker's compensation.

Jointly Governed Organization:

Elm Valley Joint Fire District

The District provides fire protection services within the Village.

Related Organizations:

Ashley Union Cemetery

The Village appoints a Cemetery Board Member and serves as fiscal agent to the Cemetery.

Wornstaff Memorial Public Library

The Village receives and disburses property tax monies, collected by Delaware County, to the Library.

The Village's management believes these financial statements present all activities for which the Village is financially accountable.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The Village's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types, and a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all proprietary and fiduciary fund types which are organized on a fund type basis.

Delaware County Notes to the Financial Statements For the Year Ended December 31, 2017

Note 2 - Summary of Significant Accounting Policies (Continued)

Fund Accounting

The Village uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Village are presented below:

General Fund The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Village for any purpose provided it is expended or transferred according to the general laws of Ohio.

Special Revenue Funds These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Village had the following significant Special Revenue Funds:

Street Construction Maintenance and Repair Fund This fund receives gasoline tax and motor vehicle tax money for constructing, maintaining, and repairing Village streets.

Police Levy Fund This fund receives levied monies and is used to provide police protection for the Village.

Enterprise Funds These funds account for operations that are similar to private business enterprises, where management intends to recover the significant costs of providing certain goods or services through user charges. The Village had the following significant Enterprise Funds:

Water Fund This fund receives charges for services from residents to cover water service costs.

Sewer Fund This fund receives charges for services from residents to cover sewer service costs.

Fiduciary Funds Fiduciary funds include private purpose trust funds and agency funds. Trust funds account for assets held under a trust agreement for individuals, private organizations, or other governments which are not available to support the Village's own programs. The Village has no trust funds.

Agency funds are purely custodial in nature and are used to hold resources for individuals, organizations or other governments. The Village disburses these funds as directed by the individual, organization or other government. The Village's agency fund accounts for property taxes collected and disbursed to the Wornstaff Memorial Public Library.

Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (D). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

Delaware County Notes to the Financial Statements For the Year Ended December 31, 2017

Note 2 - Summary of Significant Accounting Policies (Continued)

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (D) permit.

Budgetary Process

The Ohio Revised Code requires that each fund (except certain agency funds) be budgeted annually.

Appropriations Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the object level of control, and appropriations may not exceed estimated resources. The Village Council must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end.

Estimated Resources Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must approve estimated resources.

Encumbrances The Ohio Revised Code requires the Village to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2017 budgetary activity appears in Note 3.

Deposits and Investments

The Village's accounting basis includes deposits as assets. The Village has no investments.

Capital Assets

The Village records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Village must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

Nonspendable The Village classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

Restricted Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

Delaware County Notes to the Financial Statements For the Year Ended December 31, 2017

Note 2 - Summary of Significant Accounting Policies (Continued)

Committed Council can *commit* amounts via formal action (resolution). The Village must adhere to these commitments unless the Council amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

Assigned Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as restricted or committed. Governmental funds other than the general fund report all fund balances as assigned unless they are restricted or committed. In the general fund, assigned amounts represent intended uses established by Village Council or a Village official delegated that authority by resolution, or by State Statute.

Unassigned Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Village applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

Note 3 - Budgetary Activity

Budgetary activity for the year ending December 31, 2017 was as follows:

2017 Budgeted vs. Actual Receipts

	Budgeted		Actual			
Fund Type	F	Receipts		Receipts	7	/ariance
General	\$	297,206	\$	439,932	\$	142,726

Delaware County Notes to the Financial Statements For the Year Ended December 31, 2017

Note 4 - Deposits

The Village maintains a deposit pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits at December 31, 2017 was as follows:

	2017
Demand deposits	\$800,498

Deposits

Deposits are insured by the Federal Depository Insurance Corporation or collateralized by securities specifically pledged by the financial institution to the Village.

Note 5 - Taxes

Property Taxes

Real property taxes become a lien on January 1 preceding the October 1 date for which the Council adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Village.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Village.

Income Taxes

Effective January 1, 2016, the Village levies a municipal income tax of 1 percent on substantially all earned income arising from employment, residency, or business activities within the Village as well as certain income of residents earned outside of the Village.

Employers within the Village withhold income tax on employee compensation and remit the tax to the Village either monthly or quarterly, as required. Corporations and other individual taxpayers pay estimated taxes quarterly and file a declaration annually. Income tax revenue is credited to the General fund.

Delaware County Notes to the Financial Statements For the Year Ended December 31, 2017

Note 6 - Risk Management

Risk Pool Membership

The Village belongs to the Ohio Plan Risk Management, Inc. (OPRM) (the "Plan"), a non-assessable, unincorporated non-profit association providing a formalized, jointly administered self-insurance risk management program and other administrative services to Ohio governments ("Members"). The Plan is legally separate from its member governments.

Pursuant to Section 2744.081 of the Ohio Revised Code, the plan provides property, liability, errors and omissions, law enforcement, automobile, excess liability, crime, surety and bond, inland marine and other coverages to its members sold through fourteen appointed independent agents in the State of Ohio.

OPRM coverage programs are developed specific to each member's risk management needs and the related premiums for coverage are determined through the application of uniform underwriting criteria addressing the member's exposure to loss. Until November 1, 2017, the OPRM retained 50% of the premium and losses on the first \$250,000 casualty treaty and 30% of the first \$1,000,000 property treaty. Effective November 1, 2017, the OPRM retained 47% of the premium and losses on the first \$250,000 casualty treaty and 30% of the first \$1,000,000 property treaty. Members are only responsible for their self-retention (deductible) amounts, which vary from member to member. OPRM had 764 members as of December 31, 2017.

Plan members are responsible to notify the Plan of their intent to renew coverage by their renewal date. If a member chooses not to renew with the Plan, they have no other financial obligation to the Plan, but still need to promptly notify the Plan of any potential claims occurring during their membership period. The former member's covered claims, which occurred during their membership period, remain the responsibility of the Plan.

Settlement amounts did not exceed insurance coverage for the past three fiscal years.

The Pool's audited financial statements conform with generally accepted accounting principles, and reported the following assets, liabilities and equity at December 31, 2017.

	 2017
Assets	\$ 14,853,620
Liabilities	(9,561,108)
Member's Equity	\$ 5,292,512

You can read the complete audited financial statements for OPRM at the Plan's website, www.ohioplan.org.

Note 7 - Defined Benefit Pension Plans

Ohio Public Employees Retirement System

Full-time employees, other than full-time Police Officers, belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10%, of their gross salaries and the Village contributed an amount equaling 14%, of participants' gross salaries. The Village has paid all contributions required through December 31, 2017.

Ohio Police and Fire Retirement System

The Village's full-time Police Officers belong to the Police and Fire Pension Fund (OP&F). OP&F is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postemployment healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OP&F participants contributed 12.25% of their wages. The Village contributed to OP&F an amount equal to 19.5% of full-time police members' wages. The Village has paid all contributions required through December 31, 2017.

Social Security

Other part-time Village employees contributed to Social Security. This plan provides retirement benefits, including survivor and disability benefits to participants.

Employees contributed 6.2 percent of their gross salaries. The Village contributed an amount equal to 6.2 percent of participants' gross salaries. The Village has paid all contributions required through December 31, 2017.

Delaware County Notes to the Financial Statements For the Year Ended December 31, 2017

Note 8 - Debt (Continued)

The Ohio Public Works Commission (OPWC) loans were issued for a wastewater treatment plant upgrade, a storm sewer improvement, and a sewer collection system. Payments are due semiannually each year. The Village has agreed to set utility rates sufficient to cover OPWC debt service requirements.

The Ohio Water Development Authority (OWDA) loan was issued for a wastewater treatment plant upgrade. Payments will be due semiannually each year. The Village has agreed to set utility rates sufficient to cover the OWDA debt service requirements. This loan has not yet closed out and an amortization schedule is not available, therefore, this loan is not included in the amortization table below.

On February 26, 2016, the Village entered into a loan agreement with the Delaware County Bank (DCB) for \$12,000 with an interest rate of 3.00% for the purpose of purchasing a 2016 Ford Truck to be used by the Village's street maintenance crew. Principal and interest payments are due in monthly installments of \$350 for 36 months ending on March 11, 2019. During 2017, the First Commonwealth Bank (FCB) acquired the DCB. The FCB chose not to change the terms of the Village's loan, previously held by the DCB.

On April 12, 2016, the Village entered into a loan agreement with the Delaware County Bank (DCB) for \$25,000 with an interest rate of 3.50% for the Village's Building Renovations Project. Principal and interest payments are due in monthly installments of \$560 for 48 months ending on April 27, 2020. During 2017, the First Commonwealth Bank (FCB) acquired the DCB. The FCB chose not to change the terms of the Village's loan, previously held by the DCB.

On March 24, 2017, the Village entered into a loan agreement with First Commonwealth Bank (FCB) for \$59,000 with an interest rate of 3.50% for the Village's Water Tower Project. Principal and interest payments are due in monthly installments of \$1,075 for 60 months ending on March 24, 2022.

Amortization

Amortization of the above debt, including interest, is scheduled as follows:

Delaware County Notes to the Financial Statements For the Year Ended December 31, 2017

Note 9 - Jointly Governed Organization

The Village of Ashley owns real property that was formerly used for fire protection by the Elm Valley Fire District, which is jointly governed by the Village. With the Elm Valley Fire District completing their new building on their property, the Village regained possession of the building and after renovations were done, it now is the Village Municipal Building. The Fire District is governed by one trustee each from Oxford Township, Peru Township, Westfield Township and the Village of Ashley.

Note 10 - Public Entity Risk Pool

The Village participates in the Ohio Municipal League Group Rating Plan (GRP) for worker's compensation. The pool's business and affairs are conducted by a twenty-six-member Board of Trustees consisting of fifteen mayors, two council members, three administrators, three finance directors, and three law directors which are voted on by the members for staggered two-year terms. The Executive Director of the Ohio Municipal League serves as the coordinator of the Program. Each year the participants pay an enrollment fee to the program to cover the costs of administering the program.

Note 11 - Related Organizations

The Ashley Union Cemetery is considered a related organization of the Village. The Cemetery is considered a related organization because the Village appoints a Cemetery Board Member and collects a property tax to assist in financially supporting the Cemetery. The financial statements of the Cemetery can be obtained by writing Mary Ogg, Clerk at 8191 Ashley Road, Ashley, Ohio 43003.

The Wornstaff Memorial Public Library is considered a related organization of the Village. The Village of Ashley and Oxford Township belong to the library district for the Wornstaff Memorial Public Library. The Wornstaff Memorial Public Library and has no authority to levy a tax. The Wornstaff Memorial Public Library Board has a resolution and requested the two districts (Village of Ashley and Oxford Township) to place a levy on each respective ballot for general expenses of the library. When the Village receives levy proceeds, those proceeds are then distributed to the Wornstaff Memorial Public Library. The first levy was passed in May 2010. A renewal levy was passed by the voters in May 2015. The financial statements of the Wornstaff Memorial Public Library can be obtained by writing Linda Thomas, Fiscal Officer, Wornstaff Memorial Public Library, 302 E. High Street, Ashley, OH 43003.

Note 12 - Compliance

The Village was in noncompliance with the following:

- Ohio Revised Code Section 5705.36 for not timely requesting amended certificates throughout the year, as well as not recertifying the updated beginning unencumbered fund balances with the County Budget Commission.
- Ohio Revised Code Section 5705.39 for having appropriations in excess of Estimated Resources.
- Ohio Revised Code Section 5705.36(A)(4) for having appropriations in excess of Actual Resources.
- Ohio Revised Code Section 5705.41(D) for not certifying expenditures timely.

Delaware County Notes to the Financial Statements For the Year Ended December 31, 2017

Note 13 - Restatement

During 2017, the Village of Ashley determined that a restatement to the beginning cash fund balance of the General fund was necessary to adjust for an outstanding reconciling item. The effect of this restatement is shown below:

	General Fund
Fund Cash Balance as previously reported Adjustment for outstanding reconciling item	\$ 62,212 (10,312)
Restated Fund Cash Balance at January 1, 2017	\$ 51,900

Note 14 - Postemployment Benefits

Both OPERS and OP&F offer cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement and Medicare Part B premium reimbursements, to qualifying benefit recipients. OPERS contributes 1 percent of the employer contribution to fund these benefits, and OP&F contributes 0.5 percent to fund these benefits.

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Required by *Government Auditing Standards*

Village of Ashley Delaware County 3 North Harrison Street Ashley, Ohio 43003

To the Members of Council and Mayor:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the cash balances, receipts, and disbursements by fund type of the Village of Ashley, Delaware County, Ohio, as of and for the year ended December 31, 2017, and the related notes to the financial statements, and have issued our report thereon dated July 12, 2019, wherein we noted the Village of Ashley followed the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. In addition, as discussed in Note 13, the Village of Ashley determined that a restatement to the beginning cash fund balance of the General fund was necessary to adjust for an outstanding reconciling item.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the Village of Ashley's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinions on the financial statements, but not to the extent necessary to opine on the effectiveness of the Village of Ashley's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Village of Ashley's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Therefore, unidentified material weaknesses or significant deficiencies may exist. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and responses that we consider material weaknesses. We consider findings 2017-001 through 2017-005 to be material weaknesses.

Delaware County
Independent Auditor's Report on Internal Control Over Financial Reporting and on
Compliance and Other Matters Required by *Government Auditing Standards*Page 2

Compliance and Other Matters

As part of reasonably assuring whether the Village of Ashley's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed instances of noncompliance or other matters we must report under *Government Auditing Standards* which are described in the accompanying schedule of findings and responses as items 2017-002 through 2017-005.

Village of Ashley's Responses to Findings

Julian & Sube, the.

The Village of Ashley's responses to the findings identified in our audit are described in the accompanying schedule of findings and responses. We did not subject the Village of Ashley's responses to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Village of Ashley's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Village of Ashley's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

SCHEDULE OF FINDINGS AND RESPONSES DECEMBER 31, 2017

FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS Finding Number 2017-001

Material Weakness - Financial Statement Presentation

Accurate financial reporting is required in order to provide management and other stakeholders with objective and timely information to enable well-informed decisions.

Certain adjustments were made to the financial statements and related notes, to properly state financial statement amounts.

The audited financial statements, related notes, and Village records have been adjusted for the misstatements identified during the audit.

In general, an accounting and information system should be designed to provide management with accurate and timely information to enable well-informed business decisions to be made. The present control and monitoring system does not include a second review of the financial statement to ensure the information accurately portrays the activities of the Village.

We recommend the Village consult with their auditors, the Village Officers Handbook, the Auditor of State and/or Ohio Municipal League to help ensure accurate financial reporting.

<u>Client Response</u>: The Fiscal Officer will work to provide a sound fiscal environment for the Village and has implemented additional policies and procedures to help with financial statement presentation.

Finding Number	2017-002
----------------	----------

Noncompliance/Material Weakness

Ohio Revised Code Section 5705.36 in part, requires subdivisions to request increased or reduced amended certificates of estimated resources upon determination by the fiscal officer that revenue to be collected will be greater or less than the amount in the last certified amended certificate. Ohio Revised Code Section 5705.36 also requires the Village to certify the proper unencumbered beginning balances to the County Auditor on or about the first of each year.

The Village did not request timely amended certificates throughout the year upon notice of increased or decreased resources. Furthermore, the Village did not recertify the updated beginning unencumbered fund balances as of the beginning of the year.

The Village is not properly certifying its most current estimated resources, including the correct unencumbered fund balances, to the appropriate authorities and thus causing appropriations to exceed estimated resources.

SCHEDULE OF FINDINGS AND RESPONSES DECEMBER 31, 2017

FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS – (Continued) Finding Number 2017-002 – (Continued)

We recommend the Village review its available resources versus its appropriations throughout the year and file amended certificates when necessary. We also recommend the Village review the unencumbered fund balances per its accounting system to ensure the proper estimated resources are certified. This will facilitate the Village's appropriation process.

<u>Client Response</u>: The Fiscal Officer will work to provide a sound fiscal environment for the Village and has implemented additional policies and procedures to help with financial statement presentation.

Finding Number	2017-003
----------------	----------

Noncompliance/Material Weakness

Ohio Revised Code Section 5705.39 requires that a subdivision's total appropriations from each fund should not exceed total estimated resources.

The Village had appropriations, exceeding total estimated resources, in the following funds:

	Estimated						
Fund (Fund type)		Appropriations		Resources		Excess	
Cemetery (Special Revenue Fund)	\$	11,124	\$	11,109	\$	(15)	
Police Levy (Special Revenue Fund) 151		151,528		143,433		(8,095)	
Sewer Main Assessment (Enterprise Fund)		50,400		47,064		(3,336)	
WWTP Project 2015 (Enterprise Fund)		696,286		616,600	(79,686)	
Water Tower Project 2017 (Enterprise Fund)		59,000		-	(59,000)	
Sewer Debt Service Reserve (Enterprise Fund)		60,711		43,004	(17,707)	

With appropriations exceeding estimated resources, the Village may spend more funds than available or in process of collection and cause fund deficits.

We recommend the Village comply with the Ohio Revised Code and Auditor of State Bulletin 97-010 and continually monitor appropriations versus estimated resources records. If it is determined that estimated resources will be different than initially anticipated, the Village should amend its estimate and also amend the appropriations as necessary; however, appropriations should not exceed estimated resources.

<u>Client Response:</u> These were oversights that will be corrected in the future.

SCHEDULE OF FINDINGS AND RESPONSES DECEMBER 31, 2017

FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS – (Continued)				
Finding Number 2017-004				

Noncompliance/Material Weakness

Ohio Revised Code Section 5705.36 (A)(4) states that upon a determination by the fiscal officer of a subdivision that the revenue to be collected by the subdivision will be less than the amount included in an official certificate and that the amount of the deficiency will reduce available resources below the level of current appropriations, the fiscal officer shall certify the amount of the deficiency to the commission, and the commission shall certify an amended certificate reflecting the deficiency.

The Village had appropriations, exceeding total actual resources, in the following funds:

		Actual	
Fund (Fund type)	Appropriations	Resources	Excess
Police Levy (Special Revenue Fund)	151,528	123,940	(27,588)
WWTP Project 2015 (Enterprise Fund)	696,286	79,013	(617,273)

By appropriating more funds than actual resources, the Village is at risk of spending more money than is available; this may result in negative fund balances.

We recommend the Village monitor estimated resources in comparison with actual resources and appropriations, and if necessary, obtain a decreased amended certificate and amend appropriations accordingly. Further guidance may be found in Auditor of State bulletin 97-010.

Client Response: Going forward we will amend certificates of estimated resources as needed.

Finding Number	2017-005
----------------	----------

Noncompliance/Material Weakness

Ohio Revised Code Section 5705.41(D) requires that no orders or contracts involving the expenditure of money are to be made unless there is a certificate of the Fiscal Officer that the amount required for the order or contract has been lawfully appropriated and is in the treasury or in the process of collection to the credit of an appropriate fund free from any previous encumbrances.

The Village had 51.06% of expenditures that were not timely certified.

Without timely certification, the Village may expend more funds than available in the Treasury, in the process of collection or in the funds appropriated. It may also result in unnecessary purchases.

SCHEDULE OF FINDINGS AND RESPONSES DECEMBER 31, 2017

FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS – (Continued)				
Finding Number 2017-005 – (Continued)				

We recommend all orders or contracts involving the expenditure of money be timely certified to ensure all monies expended are lawfully appropriated and available in the treasury or in the process of collection. A policy and procedure statement adopted by the Council and distributed at least annually may be beneficial. The Village should consider using "Then" and "Now" certificates where applicable.

<u>Client Response</u>: The Village is continually trying to improve its ordering and purchasing processes to decrease its noncompliance percentage and help insure all purchased items are timely approved, as evidenced by a purchase order dated prior to the invoice date.
