INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Deerfield Regional Storm Water District Warren County 4900 Parkway Suite 150 Mason, Ohio 45040

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of Deerfield Regional Storm Water (the District), on the receipts, disbursements and balances recorded in the Districts cash basis accounting records for the year ended December 31, 2019 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the District. The District is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the year ended December 31, 2019 and certain compliance requirements related to these transactions and balances included in the information provided to us by the District. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash

- 1. We recalculated the December 31, 2019 bank reconciliations. We found no exceptions.
- 2. We agreed the January 1, 2019 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2018 balances in the Fund Ledger Report. We found no exceptions.
- 3. We agreed the totals per the bank reconciliations to the total of the December 31, 2019 Cash balances reported in the Fund Status Report and the financial statements filed by the District in the Hinkle System. The amounts agreed.
- 4. We observed the year-end bank balance on the financial institution's website. The balance agreed. We also agreed the confirmed balances to the amounts appearing in the December 31, 2019 bank reconciliation without exception.

Debt

- The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2018.
- 2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2019, or debt payment activity during 2019. There were no new debt issuances, nor any debt payment activity during 2019.

Non-Payroll Cash Disbursements

- 1. We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2019 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. We found two instances where disbursements requiring certification were not certified. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance - Budgetary

- Ohio Rev. Code Sections 5705.28(B)(2) and 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code Section 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2019. Expenditures did not exceed appropriations.
- 2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2019. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

Sunshine Law Compliance

- 1. We obtained and inspected the District's Public Records Policy to determine the policy did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
- 2. We inquired with District management and determined that the District did not have any completed public records requests during the engagement period.
- 3. We inquired with District management and determined that the District did not have any denied public records requests during the engagement period.
- 4. We inquired with District management and determined that the District did not have any public records requests with redactions during the engagement period.

- 6. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager. We found no exceptions.

- 8. We inquired whether the District's poster describing their Public Records Policy was displayed conspicuously in all branches of the District. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the District's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the District's receipts, disbursements and balances recorded in their cash-basis accounting records for the year ended December 31, 2019, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
