## INDEPENDENT AUDITOR'S REPORT

Hancock County Family First Council  
Hancock County  
308 Dorney Plaza  
Findlay, Ohio 45840

To the Members of Council:

### ***Report on the Financial Statements***

We have audited the accompanying financial statements of the cash balances, receipts and disbursements by fund type, and related notes of the Hancock County Family First Council, Hancock County, Ohio (the Council) as of and for the years ended December 31, 2019 and 2018.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for preparing and fairly presenting these financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Council's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Council's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinions.

### ***Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles***

As described in Note 2 of the financial statements, the Council prepared these financial statements using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements.

Although the effects on the financial statements of the variances between the regulatory accounting basis and GAAP are not reasonably determinable, we presume they are material.

Though the Council does not intend these statements to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. Our opinion on this accounting basis is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

***Adverse Opinion on U.S. Generally Accepted Accounting Principles***

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Council as of December 31, 2019 and 2018, and the respective changes in financial position thereof for the years then ended.

***Opinion on Regulatory Basis of Accounting***

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements by fund type, and related notes of the Hancock County Family First Council, Hancock County, Ohio as of December 31, 2019 and 2018, for the years then ended in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit, described in Note 2.

***Emphasis of Matter***

As discussed in Note 9 to the financial statements, the financial impact of COVID-19 and the ensuing emergency measures will impact subsequent periods of the Council. We did not modify our opinion regarding this matter.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated July 9, 2020, on our consideration of the Council's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Council's internal control over financial reporting and compliance.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2019**

---

A County Family and Children First Council may invite any other local public or private agency or group that funds, advocates, or provides services to children to have a representative become a permanent or temporary member of the Council.

The purpose of the County Council is to streamline and coordinate existing government services for families seeking services for their children. In seeking to fulfill its purpose, a County Council shall provide for the following:

1. Referrals to the Cabinet Council of those children for whom the County Council cannot provide adequate services;
2. Development and implementation of a process that annually evaluates and prioritizes services, fills service gaps where possible, and invents new approaches to achieve better results for families and children;
3. Participation in the development of a countywide, comprehensive, coordinated, multi-disciplinary interagency system for infants and toddlers with developmental disabilities or delays and their families, as established pursuant to federal grants received and administered by the Department of Health for early intervention services under the "Individuals with Disabilities Education Act of 2004";
4. Maintenance of an accountability system to monitor the County Council's progress in achieving results for families and children; and
5. Establishment of a mechanism to ensure ongoing input from a broad representation of families who are receiving services within the County system.

The Council's management believes these financial statements present all activities for which the Council is financially accountable.

**Note 2 – Summary of Significant Accounting Policies**

***Basis of Presentation***

The Council's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis).

***Fund Accounting***

The Council uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Council are presented below:

***General Fund*** The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Council for any purpose provided it is expended or transferred according to the general laws of Ohio.

***Special Revenue Funds*** These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Council had the following significant Special Revenue Fund:

***Help Me Grow Part C Fund*** This fund receives federal grant monies restricted for expectant parents; newborns and their families; and infants and toddlers with developmental delays and disabilities and their families.

***Administrative/Fiscal Agent***

Ohio Revised Code Section 121.37(B)(5)(a) requires the Council to select an administrative agent to provide fiscal and administrative services to the Council. The Council selected the Hancock County Juvenile Court. The Council authorizes the Hancock County Juvenile Court, as fiscal agent and administrative agent to subcontract with, designate, and/or seek assistance from any agencies and/or organizations that it deems necessary in order to complete the obligations set forth in the agreement. The Hancock County Juvenile Court agrees to be ultimately responsible for fulfilling the fiscal and administrative obligations of the agreement.

***Basis of Accounting***

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (D). This basis is similar to the cash receipts and disbursements accounting basis. The Council recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

***Budgetary Process***

A Family and Children First Council established under Ohio Revised Code Section 121.37 is not a taxing authority and is not subject to Ohio Revised Code Chapter 5705. As of October 1, 1997, all Family and Children First Councils are required to file an annual budget with its administrative agent. The Council filed an estimate of financial resources and an appropriation measure with Hancock County Juvenile Court as required by Ohio law.

A summary of 2019 budgetary activity appears in Note 3.

***Deposits and Investments***

The Council designated the Hancock County Juvenile Court as the fiscal agent for all funds received in the name of the Council. Deposits of monies are made with the Hancock County Treasurer and fund expenditures and balances are reported through the Hancock County Auditor. Deposits and investments are made in accordance with the Ohio Revised Code and are valued at the fiscal agent's carrying amount.

***Capital Assets***

The Council records disbursements for acquisitions of property, plant and equipment when paid. The accompanying financial statements do not report these items as assets.

***Accumulated Leave***

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2019**

**Fund Balance**

Fund balance is divided into five classifications based primarily on the extent to which the Council must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

**Nonspendable** – The Council classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

**Restricted** – Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

**Committed** – The Council can *commit* amounts via formal action (resolution). The Council must adhere to these commitments unless the Council amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

**Assigned** – Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the general fund report all fund balances as *assigned* unless they are restricted or committed. In the general fund, *assigned* amounts represent intended uses established by the Council, which includes giving the administrative/fiscal agent the authority to constrain monies for intended purposes.

**Unassigned** – Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is only used to report a deficit fund balance.

The Council applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

**Note 3 – Budgetary Activity**

Budgetary activity for the year ending December 31, 2019, follows:

<b>2019 Budgeted vs. Actual Receipts</b>			
<b>Fund Type</b>	<b>Budgeted Receipts</b>	<b>Actual Receipts</b>	<b>Variance</b>
General	\$31,135	\$98,129	\$66,994

Total	<u>\$247,900</u>	<u>\$306,540</u>	<u>\$58,640</u>

<b>2019 Budgeted vs. Actual Budgetary Basis Expenditures</b>			
<b>Fund Type</b>	<b>Appropriation Authority</b>	<b>Budgetary Expenditures</b>	<b>Variance</b>
General	\$74,208	\$67,429	\$6,779

**Note 4 – Deposits**

The Hancock County Treasurer, as depository for the Council, maintains a cash and investments pool used by all of the Hancock County Juvenile Court's funds, including those of the Council. The Ohio Revised Code prescribes allowable deposits and investments and the Hancock County Treasurer is responsible for compliance. The carrying amount of deposits and investments at December 31 was as follows:

	<u>2019</u>
Demand deposits	<u>\$168,234</u>

This fiscal agent is responsible for maintaining adequate depository collateral for all funds in the fiscal agent's pooled and deposit accounts. All risks associated with the above deposits are the responsibility of the fiscal agent.

**Note 5 – Risk Management**

The Council is insured for general liability and casualty by the Hancock County Commissioners Office.

**Note 6 – Defined Benefit Pension Plan**

The Council's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2019, OPERS members contributed 10 percent of their gross salaries and the Council contributed an amount equaling 14 percent of participants' gross salaries. The Council has paid all contributions required through December 31, 2019.

**Note 7 – Postemployment Benefits**

OPERS offers cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement and Medicare Part B premium reimbursements, to qualifying benefit recipients. The portion of employer contributions allocated to health care for OPERS members in the traditional pension plan and combined plan was 0 percent during calendar year 2019. The portion of employer contributions allocated to health care for OPERS members in the member-directed plan was 4.0 percent during calendar year 2019.

**Note 8 – Contingent Liabilities**

Amounts grantor agencies pay to the Council are subject to audit and adjustment by the grantor. The grantor may require refunding any disallowed costs. Management cannot presently determine amounts grantors may disallow. However, based on prior experience, management believes any refunds would be immaterial.

**Note 9 – Subsequent Events**

The United States and the State of Ohio declared a state of emergency in March 2020 due to the COVID-19 pandemic. The financial impact of COVID-19 and the ensuing emergency measures will impact subsequent periods of the Council. In addition, the impact on the Council's future operating costs, revenues, and any recovery from emergency funding, either federal or state, cannot be estimated.

Fund balance is divided into five classifications based primarily on the extent to which the Council must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

**Nonspendable** – The Council classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

**Restricted** – Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

**Committed** – The Council can *commit* amounts via formal action (resolution). The Council must adhere to these commitments unless the Council amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

**Assigned** – Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the general fund report all fund balances as *assigned* unless they are restricted or committed. In the general fund, *assigned* amounts represent intended uses established by the Council, which includes giving the administrative/fiscal agent the authority to constrain monies for intended purposes.

**Unassigned** – Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is only used to report a deficit fund balance.

The Council applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2018**

---

**Note 4 – Deposits**

The Hancock County Treasurer, as depository for the Council, maintains a cash and investments pool used by all of the Hancock County Juvenile Court's funds, including those of the Council. The Ohio Revised Code prescribes allowable deposits and investments and the Hancock County Treasurer is responsible for compliance. The carrying amount of deposits and investments at December 31 was as follows:

	<u>2018</u>
Demand deposits	<u><u>\$177,336</u></u>

This fiscal agent is responsible for maintaining adequate depository collateral for all funds in the fiscal agent's pooled and deposit accounts. All risks associated with the above deposits are the responsibility of the fiscal agent.

**Note 5 – Risk Management**

The Council is insured for general liability and casualty by the Hancock County Commissioners Office.

**Note 6 – Defined Benefit Pension Plan**

The Council's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2018, OPERS members contributed 10 percent of their gross salaries and the Council contributed an amount equaling 14 percent of participants' gross salaries. The Council has paid all contributions required through December 31, 2018.

**Note 7 – Postemployment Benefits**

OPERS offers cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement and Medicare Part B premium reimbursements, to qualifying benefit recipients. The portion of employer contributions allocated to health care for OPERS members in the traditional pension plan and combined plan was 0 percent during calendar year 2018. The portion of employer contributions allocated to health care for OPERS members in the member-directed plan was 4.0 percent during calendar year 2018.

**Note 8 – Contingent Liabilities**

Amounts grantor agencies pay to the Council are subject to audit and adjustment by the grantor. The grantor may require refunding any disallowed costs. Management cannot presently determine amounts grantors may disallow. However, based on prior experience, management believes any refunds would be immaterial.

**Note 9 – Subsequent Events**

The United States and the State of Ohio declared a state of emergency in March 2020 due to the COVID-19 pandemic. The financial impact of COVID-19 and the ensuing emergency measures will impact subsequent periods of the Council. In addition, the impact on the Council's future operating costs, revenues, and any recovery from emergency funding, either federal or state, cannot be estimated.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
REQUIRED BY GOVERNMENT AUDITING STANDARDS**

Hancock County Family First Council  
Hancock County  
308 Dorney Plaza  
Findlay, Ohio 45840

To the Members of Council:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the cash balances, receipts, and disbursements by fund type of the Hancock County Family First Council, Hancock County, Ohio (the Council) as of and for the years ended December 31, 2019 and 2018, and the related notes to the financial statements and have issued our report thereon dated July 9, 2020 wherein we noted the Council followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. We also noted the financial impact of COVID-19 and the ensuing emergency measures will impact subsequent periods of the Council.

***Internal Control Over Financial Reporting***

As part of our financial statement audit, we considered the Council's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinions on the financial statements, but not to the extent necessary to opine on the effectiveness of the Council's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Council's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Therefore, unidentified material weaknesses or significant deficiencies may exist. We did identify a certain deficiency in internal control, described in the accompanying schedule of findings that we consider a material weakness. We consider finding 2019-001 to be a material weakness.

***Compliance and Other Matters***

As part of reasonably assuring whether the Council's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

***Purpose of this Report***

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Council's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Council's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

**HANCOCK COUNTY FAMILY FIRST COUNCIL  
HANCOCK COUNTY  
SCHEDULE OF FINDINGS  
DECEMBER 31, 2019 AND 2018**

<b>FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS</b>
--

**FINDING NUMBER 2019-001**

**Material Weakness**

In our audit engagement letter, as required by AU-C Section 210, *Terms of Engagement*, paragraph .06, management acknowledged its responsibility for the preparation and fair presentation of their financial statements; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error as discussed in AU-C Section 210 paragraphs .A14 & .A16. In addition, Governmental Accounting Standards Board (GASB) Statement No. 54 (codified as GASB Cod 1800.165-.179) requires fund balance be divided into one of five classifications based on the extent to which constraints are imposed upon the resources.

- In 2019 and 2018, revenue from membership dues was improperly classified as charges for services in the General Fund in the amounts of \$26,600 and \$14,000, respectively.
- In 2019, the Council overstated the assigned fund balance in the General Fund by \$30,501, understated the unassigned fund balance in the General Fund by \$659, and understated the restricted fund balance in the Special Revenue Fund Type by \$29,842.
- In 2018, the Council overstated the assigned and unassigned fund balances in the General Fund by \$27,047 and \$42,597, respectively, and understated the restricted fund balance in the Special Revenue Fund Type by \$69,644.
- In 2018, intergovernmental revenue was improperly classified as transfers-in in the General Fund in the amount of \$59,000.

These errors were the result of inadequate policies and procedures in reviewing the financial statements. Failure to complete accurate financial statements could lead to the Council making misinformed decisions. The accompanying financial statements and notes to the financial statements have been adjusted to correct these and other errors. Additional audit adjustments were made in smaller relative amounts for additional reasons.

To help ensure the Council's financial statements and notes to the financial statements are complete and accurate, the Council should adopt policies and procedures, including a final review of the financial statements and notes to the financial statements by the Fiscal Officer and Council, to identify and correct errors and omissions. In addition, the Fiscal Officer should review Audit Bulletin 2011-004 for guidance on GASB Statement No. 54.

**Officials Response:**

We did not receive a response from Officials to the findings reported above.
