Millersburg, Ohio 44654
and
The Director,
Ohio Environmental Protection Agency

We have audited, in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States, the basic financial statements of Holmes County for the year ended December 31, 2019, and have separately issued our unmodified report thereon dated August 24, 2020. These statements present the landfill as remaining fund information and also within the County's governmental activities.

In a letter to the Ohio Environmental Protection Agency dated August 24, 2020 (the Letter), Jackie McKee, County Auditor for the Holmes County Landfill specified that certain amounts disclosed in that Letter were derived from the independently audited financial statements referred to in the first paragraph above.

We have performed the procedures described below as agreed to by the Board of the County Commissioners and by the Ohio Environmental Protection Agency, solely to assist you in determining that certain amounts reported in the Letter agreed to, or can be computed from, amounts presented in the audited basic financial statements. Holmes County's management is responsible for the information presented in the Letter. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

As required by Ohio Administrative Code Sections 3745-27-15(L)(5)(c) and 3745-27-16(L)(5)(c) we have agreed the following amounts included in the Letter to the audited financial statements:

Alternative 2, Line No.

5	Total assured environmental costs	\$1,914,505
6	Total annual revenue	\$44,773,570

The amounts on line 6 agree to the basic fund financial statements of Holmes County, or can be computed from amounts appearing therein. We followed the definition for line 6 included in the *State Support Document for the Local Government Financial Test*, issued November 27, 1996 by the USEPA. Line 5 includes total assured environmental costs reported in the fund financial statements following Governmental Accounting Statement Number 18.
