INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Newton Township
Licking County
2551 Mount Road
Newark, Ohio 43055

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of Newton Township (the Township) and the Auditor of State, on the receipts, disbursements and balances recorded in the Township's cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash and Investments

1. We recalculated the December 31, 2019 and December 31, 2018 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2018 beginning fund balances recorded in the Cash Summary by Fund Report to the December 31, 2017 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2019 beginning fund balances recorded in the Cash Summary by Fund Report to the December 31, 2018 balances in the Cash Summary by Fund Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2019 and 2018 fund cash balances reported in the Cash Summary by Fund Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.
4. We confirmed the December 31, 2019 bank account balances with the Township's financial institution. We found no exceptions. The balances agreed. We also agreed the confirmed balances to the amounts appearing in the December 31, 2019 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2019 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.

6. We traced interbank account transfers occurring in December of 2019 and 2018 to the accounting records and bank statements to determine if they were properly recorded. We found no exceptions
7. We inspected investments held at December 31, 2019 and December 31, 2018 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the County Auditor Distribution Summaries for 2019 and a total of five from 2018:
 - a. We compared the amount from the above named reports to the amount recorded in the Revenue Ledger. The amounts agreed.
 - b. We inspected the Revenue Ledger to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Revenue Ledger to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Revenue Ledger to determine whether it included two real estate tax receipts for 2019 and 2018. The Revenue Ledger included the proper number of tax receipts for each year.
3. We confirmed the total amount paid from the Medbill Resources Corporation to the Township during 2019 and 2018 with the Corporation. We found no exceptions.
 - a. We inspected the Revenue Ledger to determine whether these receipts were allocated to the proper fund. We found no exceptions.
 - b. We inspected the Revenue Ledger to determine whether the receipts were recorded in the proper year. We found no exceptions.

Debt

1. The prior audit documentation disclosed no debt outstanding as of December 31, 2017.
2. We inquired of management and inspected the Revenue Ledger and Cash Journal for evidence of debt issued during 2019 or 2018 or debt payment activity during 2019 or 2018. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of bond debt activity for 2018 and 2019 and agreed principal and interest payments from the related debt amortization schedules to the fire district fund payments reported in the Appropriation Ledger. We also compared the date the debt service payments were due to the date the Township made the payments. We noted that the payment was incorrectly recorded to Capital Outlay rather than Principal Repayment and Interest.
4. We agreed the amount of debt proceeds from the debt documents to amounts recorded in the fire district fund per the Revenue Ledger. The amounts agreed. However, we noted that the amount was incorrectly recorded to Other Financing Sources rather than the Sale of Bonds.

5. For new debt issued during 2019 and 2018, we inspected the debt legislation, which stated the Township must use the proceeds to purchase an ambulance and related equipment. We inspected the Appropriation Ledger and observed the Township purchased an ambulance in April of 2018.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2019 and one payroll check for five employees from 2018 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the timecard and/or minute records. We also confirmed the payment was posted to the proper year. We found no exceptions.
 - c. For any new employees selected we inspected the employees' personnel files and/or minute records for the following information and compared it with the information used to compute gross and net pay related to this check:
 - i. Name
 - ii. Authorized salary or pay rate and departments and funds to which the check should be charged
 - iii. Retirement system, Federal, State & Local income tax withholding authorization and withholding
 We found no exceptions related to procedures i. – iii. above, except the W-4 form was not maintained for the employees. However, the payroll register did disclose tax withholdings for this employee. We recommend the Township maintain all documentation to support wages paid and deductions withheld.

2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2019 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2019. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2020	January 8, 2020	\$7,559.68	\$7,559.68
State income taxes	January 15, 2020	December 18, 2019	\$931.88	\$931.88
Village of St. Louisville	January 31, 2020	December 26, 2019	\$152.45	\$152.45
City of Heath	January 31, 2020	December 26, 2019	\$121.13	\$121.13

OPERS retirement	January 30, 2020	January 8, 2020	\$4,254.11	\$4,254.09

3. We compared total gross pay for the fiscal officer and each board member for 2019 and 2018 to the compensation permitted by Ohio Revised Code Sections 507.09 and 505.24, respectively. We found no exceptions
4. We inquired of management and inspected the Appropriations Ledger for the years ended December 31, 2019 and 2018 to determine if Township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred.

Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Payment Export Report for the year ended December 31, 2019 and 10 from the year ended December 31, 2018 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Export and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code Section 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2019 and 2018 for the General, Gasoline Tax and Fire District fund. There were no funds for which expenditures exceeded appropriations.
2. We inspected the 2019 and 2018 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers exceeding \$5,000 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner.
3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2019 and 2018 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

Sunshine Law Compliance

1. We obtained and inspected the Township's Public Records Policy to determine the policy did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.

2. We selected the only public records request from the engagement period and inspected the request to determine the Township was compliant and responded to the request in accordance with their adopted policy. We found no exceptions.
3. We inquired with Township management and noted that the Township did not have any denied public records request during the engagement period.
4. We inquired with Township management and noted that the Township did not have any public records requests with redactions during the engagement period.
5. We inquired with Township management and determined that the Township did not have a records retention policy during the engagement period and therefore could not make it readily available to the public. A records retention policy was approved at the Township's December Records Commission meeting. It was been forwarded to the Ohio History Connection and the Auditor of State for approval and was approved by the Ohio History Connection on March 24, 2020. We inquired whether the Township made it readily available to the public. We found no exceptions.
6. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager. We found no exceptions.
7. We inspected the Township's policy manual and determined the public records policy was included. We found no exceptions.
8. We observed that the Township's poster describing their Public Records Policy was displayed conspicuously in all branches of the Township. We found no exceptions.
9. We inquired with Township management and determined that the Township did not have any applications for records disposals submitted to the Records Commission for the engagement period.
10. We inspected individual training certificates and determined whether each elected official (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office. We found no exceptions.
11. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period are to be held. We found no exceptions.
12. We inspected the minutes of public meetings during the engagement period and determined whether they were:
 - a. Prepared – a file is created following the date of the meeting
 - b. Filed – placed with similar documents in an organized manner
 - c. Maintained - retained, at a minimum, for the engagement period
 - d. Open to public inspection – available for public viewing or request.We found no exceptions.
13. We inspected the minutes from the engagement period and determined the following:
 - a. Executive sessions were only held at regular or special meetings.
 - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code Section 121.22(G).

Other Compliance

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. The Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2019 and 2018 in the Hinkle system. There were no exceptions.

 - Copies of existing internal control policies,
 - a list of authorized users, and

 - i. in compliance with the HB 312 statutory requirements, and
 - ii. implemented by the entity.We found no exceptions.

 - i. Use was by an authorized user within the guidelines established in the policy, and
 - ii. Each transaction was supported with original invoices and for a proper public purpose.We found no exceptions.
 - c. We selected 3 credit card statements from each credit card account for testing. For selected statements we inspected documentation to determine that:
 - i. No unpaid beginning balance was carried forward to the current billing cycle,
 - ii. Ending statement balance was paid in full, and
 - iii. Statement contained no interest or late fees.In the month of October 2019, the balance on the Home Depot credit card was not paid. It was reflected as the beginning balance on the November statement.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
