### INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Ohio Lottery Commission Cuyahoga County 615 West Superior Avenue Cleveland, Ohio 44113

We have performed the procedures enumerated below, which were agreed to by the Ohio Lottery Commission (the Commission) and the other lotteries (referred to as the "Party Lotteries") who operate Lucky for Life, solely to assist the Commission and Party Lotteries with respect to the evaluation of the sales and prize expense associated with Lucky for Life for the period April 1, 2019 through March 31, 2020. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

- a) We obtained from the Commission the "Draw Activity" and "Set Prize Analysis," for the period April 1, 2019 through March 31, 2020 (attached as Exhibit I and Exhibit II, respectively). We recalculated their mathematical accuracy. We found no exceptions.
- b) We selected five (5) drawings from the period April 1, 2019 to March 31, 2020 for testing and performed the following procedures:
  - i. We agreed the total amount of sales as shown on the daily sales report produced by the Commission's gaming system and the total amount of sales shown on the related daily sales report produced by Internal Control System ("ICS"), with the balance listed in the "sales" column for the respective draw date on the "Draw Activity" report attached as Exhibit I. We found no exceptions.
  - ii. We recalculated the total dollar amount of set prizes for the draw dates selected in step "b" above, based on the total number of winners from the Commission's gaming system for each prize level and the prize structure of the Lucky for Life set prizes. We agreed the recalculated expense with the amount listed in the "Actual Set Prizes" column for the respective draw date on the "Draw Activity" report attached as Exhibit I. We found no exceptions.
  - iii. We agreed the amount of sales, actual set prizes, and share of set prizes shown on the "Draw Activity" report attached as Exhibit I to the amounts shown on the Commission Lucky for Life Draw Reports. We found no exceptions.
- c) For the period identified in step "a" above, we selected two months and obtained the "Expired Prize Allocation Report" distributed by the Connecticut Lottery. For the two months selected, we obtained from the Commission Internal Control System (ICS) the prizes unclaimed. We agreed the ICS data back to the data reported from the Connecticut Lottery for each draw of the subject months. We found no exceptions.
- d) We agreed the amounts shown as the total of the actual set prizes and the total of the share of set prizes on the "Draw Activity" report attached as Exhibit I to the applicable amounts shown on the "Set Prize Analysis" report attached as Exhibit II. We found no exceptions.

- e) We agreed the amounts listed in the "Cost of Top Prizes" column of the "Cost of Top and Second Prize Report" report attached as Exhibit III, and agreed to the cash disbursement subsidiary records which summarize the funds disbursed. We found no exceptions.
- f) We selected all second prizes claimed in the "Cost of the Second Prizes" column of the "Cost of Top and Second Prize Report" attached as Exhibit III and agreed to the cash disbursement subsidiary records which summarize the funds disbursed. We found no exceptions.
- g) We inspected subsidiary bank and investment records to determine no purchases of investments associated with the Top and Second Prize Settlements were made. We found no exceptions.
- h) We agreed the total of the period transfers from the Commission to the Game Administrator for settlement of the actual set prize liability as shown in the Commission's cash disbursement subsidiary records to the amount listed in the "Qtrly/Yrly Settlement Transfers In (Out)" column on the "Set Prize Analysis" report attached as Exhibit II. We found no exceptions.
- i) We agreed the balance listed as the Commission's [receivable/payable] as of March 31, 2020 for the fixed prizes as shown on the "Set Prize Analysis" report attached as Exhibit II to the Commission's financial accounting records and to the Lucky for Life Draw Report as of March 31, 2020. We found no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Commission's sales and prize expense. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is for the evaluation of the Commission's financial information enumerated in our procedures above and is not suitable for any other purpose.
