We have examined the Washington Township, Montgomery County management's assertion that the census data and pensionable wages reported to the Ohio Police & Fire Pension Fund as of December 31, 2019, and for the year then ended was accurate and complete.

- The census data provided to the Ohio Police & Fire Pension Fund as of December 31, 2019 included all enrolled employees.
- Census data changes occurring during the year ended December 31, 2019 to an enrolled employee's eligible compensation, were properly updated with the Ohio Police & Fire Pension Fund
- All employees required to be enrolled in the Ohio Police & Fire Pension Fund in accordance with statutory requirements were properly enrolled.
- The total pensionable wages and employee contributions information reported to the Ohio Police & Fire Pension Fund for the year ended December 31, 2019 agrees with the payroll records of the employer.

Washington Township's management is responsible for the assertions. Our responsibility is to opine on management's assertions based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements included in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertions are fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about management's assertion. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of management's assertions, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

In our opinion, management's assertions related to the accuracy and completeness of the census data and pensionable wages as described above provided to Ohio Police & Fire Pension Fund as of and for the year ended December 31, 2019 are fairly stated in all material respects.

This report is intended solely for the information and use of Washington Township's management, Township Trustees, Ohio Police & Fire Pension Fund's management, and RSM US LLP to provide assurances that the census data reported to the Ohio Police & Fire Pension Fund is accurate and complete.
