For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash and Investments

1. We recalculated the December 31, 2020 and December 31, 2019 bank reconciliations. We found an adjustment of \$520 to the accounting system balance recorded in fiscal year 2020, this was due to the incorrect recording of payments, duplicate posting of interest receipts and voided checks to the Uniform Accounting System.
2. We agreed the January 1, 2019 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2018 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2020 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2019 balances in the Fund Ledger Report. We found no exceptions.

3. We agreed the totals per the bank reconciliations to the total of the December 31, 2020 and 2019 fund cash balances reported in the Fund Status Report and the financial statements filed by the District in the Hinkle System. The amounts agreed.
4. We confirmed the December 31, 2020 bank account balances with the District's financial institutions. We found no exceptions. We observed the year-end bank balance on the financial institution's website. The balance agreed. We also agreed the confirmed balances to the amounts appearing in the December 31, 2020 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2020 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register and determined the debits were dated prior to December 31. There were no exceptions.
6. We traced interbank account transfers occurring in December of 2020 and 2019 to the accounting records and bank statements to determine if they were properly recorded. We found no exceptions.
7. We inspected investments held at December 31, 2020 and December 31, 2019 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code §§ 135.13, 135.14 or 135.144. We found no exceptions.
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code § 135.13 or 135.14. There were no exceptions.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, from 2020 and a total of five from 2019:
 - a. We compared the amount from the above named report to the amount recorded in the Receipt Listing Report. We found the second half real estate tax settlement was posted at net instead of gross. As a result, Property Tax receipts and General Government expenditures were understated by \$2,503.
 - b. We inspected the Receipt Listing Report to determine these receipts were allocated to the proper fund as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.

Issue	Principal outstanding as of December 31, 2018:
2018 Tanker Truck Lease-Purchase	189,395
2016 Rosenbauer Fire Truck	266,731

2. We inquired of management, and inspected the Receipt Listing Report and Payment Register Detail Report for evidence of debt issued during 2020 or 2019 or debt payment activity during 2020 or 2019. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of lease-purchases debt activity for 2020 and 2019 and agreed principal and interest payments from the related debt amortization schedules to debt service fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the District made the payments.

The amounts and dates agreed, except for the following:

The principal and interest payments for the 2018 Tanker Truck lease-purchase were recorded as \$21,603 and \$6,795 in 2019. Principal and interest amounts per the amortization schedule are \$18,847 and \$9,551.

The principal and interest payments for the 2016 Rosenbauer Fire Truck were recorded as \$34,826 and \$7,962 in 2020. Principal and interest amounts per the amortization schedule are \$35,866 and \$6,922.

Payroll Cash Disbursements

1. We selected one payroll check for four employees from 2020 and one payroll check for four employees from 2019 from the Wage Withholdings Detail Report and:

We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (legislatively approved salary). We found four employee files missing withholding authorization forms for the retirement system and two employee files missing completed withholding authorization forms for federal and state and local income tax.

We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2020 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2020. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2021	12/7/2020	331	331
State income taxes	January 15, 2021	12/7/2020	70	70

The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found check numbers 11703, 11411 and 11516 were recorded in the accounting system during 2020 did not agree to the actual cancelled check numbers, due to the printer being off one check during printing.
 - c. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2020 and 2019 for the General fund. We observed no funds for which expenditures exceeded appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2020 and 2019 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.
