INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

March 31, 2021

Bratton Township
Adams County
6521 Old State Route 32
Peebles, Ohio 45660

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of **Bratton Township**, Adams County (the Township) and the Auditor of State, on the receipts, disbursements and balances recorded in the Townships cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash

1. We recalculated the December 31, 2019 and December 31, 2018 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2018 beginning fund balances recorded in the Combined Statement of Receipts, Disbursements and Changes in Fund Balances to the December 31, 2017 balances in the prior year audited statements. We noted that the December 31, 2017 balances for the General Fund did not agree to the January 1, 2019 balances due to a \$1,455.27 Fund Balance Adjustment in 2018. This was to correct a receipt that was incorrectly posted twice in 2014. We also agreed the January 1, 2019 beginning fund balances recorded in the Combined and Combining Statements of Receipts, Disbursements and Changes in Fund Balances to the December 31, 2018 balances in the Combined and Combining Statements of Receipts, Disbursements and Changes in Fund Balances. We found no exceptions.

Cash (Continued)

3. We agreed the totals per the bank reconciliations to the total of the December 31, 2019 and 2018 fund cash balances reported in the Cash Summary by Fund Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.
4. We confirmed the December 31, 2019 bank account balance with the Township's financial institution. We found no exceptions.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2019 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.

Property Taxes and Intergovernmental Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes and State Distribution Transaction Lists (DTL)* for 2019 and a total of five from 2018.
 - a. We compared the amount from the above named reports to the amount recorded in the Revenue Ledger. The amounts agreed.
 - b. We inspected the Revenue Ledger to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. In 2019 and 2018, we noted rollback receipts were recorded as Property Tax revenue instead of Intergovernmental revenue. We found no other exceptions.
 - c. We inspected the Revenue Ledger to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Revenue Ledger to determine whether it included two real estate tax receipts for 2019 and 2018. The Revenue Ledger included the proper number of tax receipts for each year.

Debt

1. From the prior audit documentation, we observed the following loan was outstanding as of December 31, 2017. This amount agreed to the Township's January 1, 2018 balance on the summary we used in procedure 3.

Issue	Principal outstanding as of December 31, 2017:
First State Bank Bank-Tractor Acquisition Bond	\$37,200

2. We inquired of management, and inspected the Revenue Ledger and Appropriation Ledger for evidence of debt issued during 2019 or 2018 or debt payment activity during 2019 or 2018. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of loan debt activity for 2019 and 2018 and agreed principal and interest payments from the related debt amortization schedule to General Fund payments reported in the Appropriation Ledger. We also compared the date the debt service payments were due to the date the Township made the payments. In 2018, we noted the Township allocated \$999.99 to Interest which should have been allocated to Principal. In 2019, we noted the Township allocated \$12,362.45 to Capital Outlay which should have been allocated Principal. We found no other exceptions.

Debt (Continued)

4. We agreed the amount of debt proceeds from the debt documents to amounts recorded in the General fund per the Revenue Ledger. The Township did not record debt proceeds in the Revenue Ledger during 2019.
5. For new debt issued during 2019 and 2018, we inspected the debt legislation, which stated the Township must use the proceeds to dump truck and loader. We inspected the Appropriation Ledger and observed the Township did not record the Capital Outlay expenditure.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2019 and one payroll check for five employees from 2018 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the minute record or as required by state statute. We also confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2019 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2019. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2020	January 2, 2020	\$459.84	\$459.84
State income taxes	January 31, 2020	January 3, 2020	\$208.21	\$208.21
OPERS retirement	January 30, 2019	January 3, 2020	\$1,196.36	\$1,196.36

3. For the pay periods ended March 31, 2019 and October 31, 2018, we
 - a. Recomputed the allocation of the Board's salaries to the General and Gasoline Tax Fund per the Wage Detail Report
 - b. Traced the Board's salary for time or services performed to supporting certifications the Revised Code requires.
 We found no exceptions.
4. We compared total gross pay for the fiscal officer and each board member for 2019 and 2018 to the compensation permitted by Ohio Revised Code Sections 507.09 and 505.24, respectively. We found no exceptions.
5. We inquired of management and inspected the Wage Detail Report and Appropriation Ledger for the years ended December 31, 2019 and 2018 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred.

Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Appropriation Ledger for the year ended December 31, 2019 and 10 from the year ended 2018 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Appropriation Ledger and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev Code Section 5705.41(D). We found 2 instances in 2019 and 1 instance in 2018 where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was used. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not test all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code Section 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2019 and 2018 for the General, Gasoline Tax, and Road and Bridge Funds. There were no funds for which expenditures exceeded appropriations.
2. We inspected the 2019 and 2018 Revenue Ledger and Appropriation Status Reports for evidence of interfund transfers exceeding \$1,000 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner.
3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2019 and 2018 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

We found no exceptions.

Other Compliance

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2019 and 2018 in the Hinkle system. There were no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2019 and 2018, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
