We have completed certain procedures in accordance with Ohio Rev. Code Section 117.01(G) to the accounting records and related documents of the Carroll County Regional Planning Commission, Carroll County, (the Commission) for the years ended December 31, 2020 and 2019.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code Section 117.11(A). Because our procedures were not designed to opine on the Commission's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the Commission's financial statements, transactions or balances for the years ended December 31, 2020 and 2019.

The Commission's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code Section 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found no significant compliance or accounting issues to report.
