Stout, Ohio 45684

We have performed the procedures enumerated below on the Green Township's (the Township) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2020 and 2019, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash

1. We recalculated the December 31, 2020 and December 31, 2019 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2019 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2018 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2020 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2019 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2020 and 2019 fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.

4. We confirmed the December 31, 2020 bank account balance with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2020 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2020 bank reconciliation:
 - a. We traced each debit to the subsequent January and April bank statements. We found one outstanding payment from 2017 that had not cleared as of the July 2021 bank statement.
 - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. There were no exceptions.
6. We selected five reconciling credits (such as deposits in transit) from the December 31, 2020 bank reconciliation:
 - a. We traced each credit to the subsequent January or February bank statements. We could not determine the adjusting factor of \$325.68.
 - b. We agreed the credit amounts to the Receipts Register and determined they were dated prior to December 31. We could not determine the adjusting factor of \$325.68.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the County Auditor DTL for 2020 and a total of five from 2019:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We inspected the Receipt Register Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Register Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Register Report to determine whether it included two real estate tax receipts for 2020 and 2019. The Receipt Register Report included the proper number of tax receipts for each year.

Debt

1. From the prior agreed-upon procedures documentation, we observed the following note was outstanding as of December 31, 2018. These amounts agreed to the Townships January 1, 2019 balances on the summary we used in procedure 3.

| Issue | Principal outstanding as of December 31, 2018: |
|---------------------------------|--|
| 2017 Chip and Seal General Note | \$48,724 |

2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2020 or 2019 or debt payment activity during 2020 or 2019. All debt agreed to the summary we used in procedure 3.

3. We obtained a summary of the note debt activity for 2020 and 2019 and agreed principal and interest payments from the related debt amortization schedule to debt service fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Township made the payments. Debt payments were made on time. Additionally, we found the debt payments were classified incorrectly in the General Fund and Gasoline Tax Fund, resulting in the following errors. In 2019, the General Fund other expense was overstated by \$5,000, principal expenses was understated by \$3,430 and interest expense was understated by \$1,570. The Gasoline Tax fund other expenses were overstated and principal expense was understated by \$8,290. In 2020, the Gasoline Tax fund other expense was overstated by \$13,290 and principal expense was understated by \$12,083 and interest expense was understated by \$1,207.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2020 and one payroll check for five employees from 2019 from the Wage Withholdings Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary).
 - i. We inspected the employees' personnel files and minute record for the Retirement system, Federal, State & Local income tax withholding authorization.
 - ii. We agreed these items to the information used to compute gross and net pay related to this check.

We found the employee files did not include Retirement system, Federal, State & Local income tax withholding authorization forms.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files and minute record. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.

2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2020 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2020. We observed the following:

| Withholding (plus employer share, where applicable) | Date Due | Date Paid | Amount Due | Amount Paid |
|---|---------------------|----------------------|-----------------------|------------------------|
| Federal income taxes & Medicare (and social security, for employees not enrolled in pension system) | January 31, 2021 | December 17, 2020 | \$602.31 | \$602.31 |
| State income taxes | January 15, 2021 | December 17, 2020 | \$235.08 | \$235.08 |
| OPERS retirement | January 30, 2021 | December 17, 2020 | \$758.71 | \$758.71 |

3. For the pay periods ended July 31, 2020 and December 31, 2019, we:
 - a. Recomputed the allocation of the Fiscal Officer's and Boards' salary amounts to the General, Motor Vehicle License, Gasoline Tax and Cemetery Fund per the Wage Detail Report. The Fiscal Officer's Salary was paid from the General fund.
 - b. Traced the Fiscal Officer's and Boards pay for time or services performed to supporting certifications the Revised Code requires.

We found no exceptions.

4. We compared total gross pay for the fiscal officer and each board member for 2020 and 2019 to the compensation permitted by Ohio Revised Code §§ 507.09 and 505.24, respectively. We found that during 2020 fiscal officer and each board member were not paid in accordance with Ohio Revised Code §§ 507.09 or 505.24. Resulting in the Township Fiscal Officer, Joyce Rideout being underpaid by \$4,967; Township Trustees John Easter and Wesley Taylor being underpaid by \$1,982, individually; and Township Trustee Beverly Cox being underpaid by \$2,052.
5. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2020 and 2019 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred.

Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2020 and 10 from the year ended 2019 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). Ohio Rev. Code § 5705.41(D) requires an ordinance or resolution to be passed for Then and Now Certificates exceeding \$3,000, within thirty days of the purchase. We found three instances in which the Township failed to pass an ordinance or resolution in the amounts of \$6,596 and \$5,074 in 2019 and \$4,900 in 2020 within thirty days of the purchase. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2020 and 2019 for the General, Gasoline Tax, Cemetery and Road and Bridge fund as recorded in the Appropriation Status Report. Road and Bridge Fund expenditures for 2019 exceeded total appropriations by \$11,106, contrary to Ohio Rev. Code § 5705.41(B).
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2020 and 2019 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.
