We found two instances where two officials were underpaid during 2019. One Trustee was paid \$45 less than the statutorily approved rate and the Fiscal Officer was paid \$74 less than the statutorily approved rate. This was due to the officials being paid using the incorrect salary range for most of 2019. This was corrected by the Township in November 2019.
 - b. We recomputed gross and net pay and agreed it to the amount recorded in the payroll register. We found no exceptions.
 - c. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the manual payroll ledger, personnel files, and minute record. We found no exceptions.

We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2020 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2020.
