Report on the Financial Statements

We have audited the accompanying financial statements of the cash balances, receipts, and disbursements by fund type, and the related notes of Pickaway County Family & Children First Council, Pickaway County, (the Council), as of and for the years ended June 30, 2020 and 2019.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Council's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Council's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statements, the Council prepared these financial statements using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements.

Although, the effects on the financial statements of the variances between the regulatory accounting basis and GAAP are not reasonably determinable, we presume they are material.

Though the Council does not intend these statements to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. Our opinion on this accounting basis is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Council as of June 30, 2020 and 2019, and the respective changes in financial position thereof for the years then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements by fund type, and related notes of the Pickaway Family & Children First Council, Pickaway County, as of June 30, 2020 and 2019, and for the years then ended in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit, described in Note 2.

Emphasis of Matter

As discussed in Note 10 to the financial statements for fiscal year 2019 and 2020, the financial impact of COVID-19 and the continuing emergency measures will impact subsequent periods of the Council. We did not modify our opinion regarding this matter.

As discussed in Note 11 to the financial statements, for fiscal year 2019, the Council discovered that there was a previously unreported balance being held on the fiscal's agent's books that belonged to the Council. The 2019 financial statements were restated to account for this balance. We did not modify our opinion regarding this matter.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 15, 2021, on our consideration of the Council's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Council's internal control over financial reporting and compliance.

The purpose of the County Council is to streamline and coordinate existing government services for families seeking services for their children. In seeking to fulfill its purpose, a County Council shall provide for the following:

- a. Referrals to the Cabinet Council of those children for whom the County Council cannot provide adequate services;
- b. Development and implementation of a process that annually evaluates and prioritizes services, fills service gaps where possible, and invents new approaches to achieve better results for families and children;
- c. Participation in the development of a countywide, comprehensive, coordinated, multi-disciplinary interagency system for infants and toddlers with developmental disabilities or delays and their families, as established pursuant to federal grants received and administered by the Department of Health for early intervention services under the "Individuals with Disabilities Education Act of 2004";
- d. Maintenance of an accountability system to monitor the County Council's progress in achieving results for families and children; and

Note 2 – Summary of Significant Accounting Policies

Basis of Presentation

The Council's financial statements consistent of a combined statement of cash receipts, cash disbursements, change changes in fund cash balances (regulatory cash basis).

Fund Accounting

The Council uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Council are presented below:

General Fund

The general fund reports all financial resources except those required to be accounted for in another fund.

Special Revenue Funds

These funds account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to disbursement for specific purposes. The Council had the following significant special revenue funds:

Early Intervention – This fund receives monies for the purpose of the grant provisions.

Multi-System Youth – This fund receives funds from the Department of Job and Family Services to provide funding to support the needs of children and families in the community receiving services from the Team Service Coordination Program for Multi-System Youth (MSY).

Notes to the Financial Statements
For the Fiscal Year Ended June 30, 2020

Administrative Agent/Fiscal Agent

Ohio Revised Code Section 121.37(B)(5)(a) requires the Council to select an administrative agent to provide fiscal and administrative services to the Council. The Council has selected the Pickaway County Educational Service Center. The Council authorizes Pickaway County Educational Service Center, as fiscal agent and administrative agent, to subcontract with, designate, and/or seek assistance from any agencies and/or organizations that it deems necessary in order to complete the obligations set forth in the agreement. The Pickaway County Educational Service Center agrees to be ultimately responsible for fulfilling the fiscal and administrative obligations of the agreement.

Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (D). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

Budgetary Process

A Family and Children First Council established under Ohio Revised Code Section 121.37 is not a taxing authority and is not subject to Ohio Revised Code Chapter 5705. As of October 1, 1997, all Family and Children First Councils are required to file an annual budget with its administrative agent. The Council filed an estimate of financial resources and an appropriation measure with the Pickaway County Educational Service Center as required by Ohio law.

A summary of 2020 budgetary activity appears in Note 3.

Deposits and Investments

The Council's fiscal agent, Pickaway County Educational Service Center (the Center) is the custodian for all funds received in the name of the Council. Deposits of monies are made with the Center's Treasurer and fund expenditures and balances are reported through the Center's Treasurer. Deposits and investments are made in accordance with the Ohio Revised Code and are valued at the fiscal agent's carrying amount.

Capital Assets

The Council records cash disbursements for acquisitions of property, plant and equipment when paid. These items are not reflected as assets in the accompanying financial statements.

Accumulated Leave

In certain circumstances, such as leaving employment or retirement, employees are entitled to cash payouts for unused leave. The financial statements do not include a liability for unpaid leave.

Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Council must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

Notes to the Financial Statements For the Fiscal Year Ended June 30, 2020

Nonspendable – The nonspendable fund balance classification includes amounts that cannot be spent because they are not in spendable form or legally required to be maintained intact. The "not in spendable form" criterion includes items that are not expected to be converted to cash.

Restricted – Fund balance is restricted when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions or enabling legislation.

Committed – The committed fund balance classification includes amounts that can be used only for the specific purposes imposed by a formal action (resolution) of the Council. Those committed amounts cannot be used for any other purpose unless the Council removes or changes the specified use by taking the same type of action (resolution) it employed to previously commit those amounts. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed for use in satisfying those contractual requirements.

Assigned – Amounts in the assigned fund balance classification are intended to be used by Council for specific purposes but do not meet the criteria to be classified as restricted or committed. In governmental funds other than the general fund, assigned fund balance represents the remaining amount that is not restricted or committed. In the general fund, assigned amounts represent intended uses established by policies of the Council, which includes giving the administrative/fiscal agent the authority to constrain monies for intended purposes.

Unassigned - Unassigned fund balance is the residual classification for the general fund and includes all spendable amounts not contained in the other classifications. In other governmental funds, the unassigned classification is only used to report a deficit fund balance resulting from the overspending for specific purposes for which amounts had been restricted, committed, or assigned.

The Council applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

Note 3 – Budgetary Activity

Budgetary activity for the year ending June 30, 2020 follows:

	Budgeted	Actual

Notes to the Financial Statements For the Fiscal Year Ended June 30, 2020

Note 4 – Deposits and Investments

The Pickaway County Educational Service Center, as fiscal agent for the Council, maintains a cash and investments pool used by all of the Center's funds, including those of the Council. The Ohio Revised Code prescribes allowable deposits and investments.

The carrying amount of cash at June 30, 2020 was as follows:

Held by the Pickaway County Educational Service Center \$32,660

Deposits: The Pickaway County Educational Service Center is responsible for maintaining adequate depository collateral for all funds in the Center's pooled and deposit accounts. All risks associated with the above deposits are the responsibility of the Center.

Note 5 - Defined Benefit Pension Plan

The Council contributes to the School Employees Retirement System (SERS), a cost-sharing multiple-employer defined benefit pension plan. SERS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Authority to establish and amend benefits is provided by Chapter 3309 of the Ohio Revised Code. SERS issues a publicly available, stand-alone financial report that includes financial statements and required supplementary information. That report may be obtained by writing to the School Employees Retirement System, 300 East Broad Street, Suite 100, Columbus, Ohio 43215-3746 or by calling (614) 222-5853.

Plan members are required to contribute 10 percent of their annual covered salary and the Council is required to contribute at an actuarially determined rate. The current Council rate is 14 percent of annual covered payroll. The contribution requirements of plan members and employers are established and may be amended, up to a statutory maximum amount, by the SERS' Retirement Board. The Council has paid all contributions required through June 30, 2020.

Note 6 – Postemployment Benefits

SERS offers a cost-sharing, multiple-employer defined benefit postemployment plan, which includes multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement and Medicare Part B premium reimbursements, to qualifying benefit recipients. SERS currently contributes 0 percent to fund these benefits.

Note 7 – Risk Management

The Council is exposed to various risk of loss related to torts; theft or damage to, and destruction of assets. During 2020, the Council's fiscal agent, Pickaway County Educational Service Center, provided insurance for the assets of the Council. Settled claims have not exceeded coverage in any of the last three years. There has not been a significant reduction in coverage from the prior year.

Note 8 - Contingent Liabilities

Amounts grantor agencies pay to the Council are subject to audit and adjustment by the grantor, principally the federal and state government. The grantor may require refunding any disallowed costs. Management cannot presently determine amounts grantors may disallow. However, based on prior experience, management believes any refunds would be immaterial.

The Council is not currently party to legal proceedings.

Notes to the Financial Statements For the Fiscal Year Ended June 30, 2020

Note 9 - Loans from Fiscal Agent

During the fiscal year, the fiscal agent provided an interest-free loan to the Council in the amount of \$27,175 in anticipation of grant revenues. Of this amount, \$27,175 was outstanding at June 30, 2020. This amount is expected to be repaid in the subsequent fiscal year.

Note 10 – Subsequent Event

The United States and the State of Ohio declared a state of emergency in March 2020 due to the COVID-19 pandemic. The financial impact of COVID-19 and the continuing emergency measures may impact subsequent periods of the Council. The Council's investment portfolio and the investments of the pension and other employee benefit plan in which the Council participates fluctuate with market conditions, and due to market volatility, the amount of gains or losses that will be recognized in subsequent periods, if any, cannot be determined. In addition, the impact on the Council's future operating costs, revenues, and any recovery from emergency funding, either federal or state, cannot be estimated.

Note 8 – Contingent Liabilities

Amounts grantor agencies pay to the Council are subject to audit and adjustment by the grantor, principally the federal and state government. The grantor may require refunding any disallowed costs. Management cannot presently determine amounts grantors may disallow. However, based on prior experience, management believes any refunds would be immaterial.

The Council is not currently party to legal proceedings.

Note 9 – Loans from Fiscal Agent

During the fiscal year, the fiscal agent provided an interest-free loan to the Council in the amount of \$7,469 in anticipation of grant revenues. Of this amount, \$7,469 was outstanding at June 30, 2019. This amount is expected to be repaid in the subsequent fiscal year.

Note 10 – Subsequent Event

The United States and the State of Ohio declared a state of emergency in March 2020 due to the COVID-19 pandemic. The financial impact of COVID-19 and the continuing emergency measures may impact subsequent periods of the Council. The Council's investment portfolio and the investments of the pension and other employee benefit plan in which the Council participates fluctuate with market conditions, and due to market volatility, the amount of gains or losses that will be recognized in subsequent periods, if any, cannot be determined. In addition, the impact on the Council's future operating costs, revenues, and any recovery from emergency funding, either federal or state, cannot be estimated.

Note 11 – Restatement of Beginning Fund Balance

During the fiscal year, the Council discovered that there was a previously unreported balance that is being held on the fiscal agent's books for possible future health deductible health reimbursement arrangement claims for Council employees of the Early Intervention program. Beginning fund balance has been restated to account for those balances. This restatement had the following effect:

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*

Independent Auditor's Report

Members of the Council Pickaway County Family & Children First Council 2050 Stoneridge Drive Circleville, Ohio 43113

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Pickaway County Family & Children First Council (the Council) as of and for the years ended June 30, 2020 and 2019, and the related notes to the financial statements, and have issued our report thereon dated January 15, 2021, wherein we noted the Council followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. We also noted a restatement of fund balance in fiscal year 2019 and the financial impact of COVID-19 and the continuing emergency measures may impact subsequent periods of the Council.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Council's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. Accordingly, we do not express an opinion on the effectiveness of the Council's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Council's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*Page 2

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Council's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Council's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Council's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
