We have performed the procedures enumerated below on Portage Township's (the Township) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2020 and 2019, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

## **Cash**

1. We recalculated the December 31, 2020 and December 31, 2019 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2019 beginning fund balances for Each Opinion Unit recorded in the Fund Ledger Report to the December 31, 2018 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2020 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2019 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2020 and 2019 fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.

### Cash (Continued)

4. We confirmed the December 31, 2020 bank account balance with Ohio Pooled Collateral System. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2020 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2020 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. There were no exceptions.
6. We inspected the Fund Status Report to determine whether the Finding For Adjustment identified in the prior audit report, due from the General Fund, Special Revenue Gasoline Tax, Special Revenue Road and Bridge Fund, and Special Revenue Road District Fund, payable to the Special Revenue Motor Vehicle License Tax, Special Revenue Road and Bridge, and Special Revenue Road District funds, were properly posted to the ledgers and reflected in the fund balances in Procedure 2. In addition, the three Private Purpose Trust Funds were reclassified to Special Revenue Funds. We found no exceptions.

### Property Taxes and Intergovernmental Cash Receipts

1. We selected a total of five receipts from the State Distribution Transaction Lists (DTL), and the Wood County Payments to entities report and a total of five from 2019:
  - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. The amounts agreed.
  - b. We inspected the Receipt Register Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10.

The 2020 County Auditor's *Statement of Semiannual Apportionment of Taxes* indicated that homestead and rollback receipts in the amount of \$3,606.48 to be recorded in the Special Revenue Road and Bridge Fund, and homestead and rollback receipts of \$9,451.21 to be recorded in the Special Revenue Road District Fund were instead recorded in the General Fund. The 2019 County Auditor's *Statement of Semiannual Apportionment of Taxes* indicated that homestead and rollback receipts in the amount of \$3,634.81 to be recorded in the Special Revenue Road and Bridge Fund, and homestead and rollback receipts of \$9,452.95 to be recorded in the Special Revenue Road District Fund were instead recorded in the General Fund.

**Ohio Rev. Code § 5705.10(C)** states all revenue derived from a special levy shall be credited to a special fund for the purpose for which the levy was made. Homestead and rollback receipts are derived from the related property tax levy. In 2020, homestead and rollback receipts in the amount of \$13,057.69 were recorded in the general fund instead of being allocated to the Special Revenue Road and Bridge Fund in the amount of \$3,606.48, and in the Special Revenue Road District Fund in the amount of \$9,451.21. In 2019, homestead and rollback receipts in the amount of \$13,087.76 were recorded in the general fund instead of being allocated to the Special Revenue Road and Bridge Fund in the amount of \$3,634.81, and in the Special Revenue Road District Fund in the amount of \$9,452.95.

The Township's accounting records have been adjusted to correctly allocate these receipts. The correction of these recording errors resulted in a decrease of the General Fund balance in the amount of \$26,145.45 with corresponding increase to the Special Revenue Road and Bridge Fund in the amount of \$7,241.29 and the Special Revenue Road District Fund in the amount of \$18,904.16.

**Property Taxes and Intergovernmental Cash Receipts (Continued)**

- c. We inspected the Receipt Register Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
- 2. We inspected the Receipt Register Report to determine whether it included two real estate tax receipts for 2020 and 2019. The Receipt Register Report included the proper number of tax receipts for each year.

**Debt**

- 1. The prior audit documentation disclosed no debt outstanding as of December 31, 2018.
- 2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2020 or 2019 or debt payment activity during 2020 or 2019.

**Payroll Cash Disbursements**

- 1. We selected one payroll check for five employees from 2020 and one payroll check for five employees from 2019 from the Wage Withholdings Detail Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary).
    - i. We inspected the employees' personnel files for the Retirement system, Federal, State & Local income tax withholding authorization.
    - ii. We agreed these items to the information used to compute gross and net pay related to this check.

We found no exceptions.
  - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the minute record or as required by statute. We found no exceptions.
  - c. We confirmed the payment was posted to the proper year. We found no exceptions.
- 2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2020 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2020. We observed the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes & Medicare	January 31, 2021	December 31, 2021	\$2,212.30	\$2,212.30
State income taxes	January 31, 2021	December 31, 2021	\$590.82	\$590.82
Local income tax	January 31, 2021	December 31, 2021	\$274.34	\$274.34
OPERS retirement	January 30, 2021	December 31, 2021	\$2,102.40	\$2,102.40

- 3. We compared total gross pay for the fiscal officer and each board member for 2020 and 2019 to the compensation permitted by Ohio Revised Code §§ 507.09 and 505.24, respectively. We found no exceptions.

#### **Payroll Cash Disbursements (Continued)**

4. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2020 and 2019 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. Insurance reimbursements made were in compliance with Ohio Rev. Code §§ 505.60, 505.601, 505.602 and 505.603 and federal regulations.

#### **Non-Payroll Cash Disbursements**

1. We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2020 and 10 from the year ended 2019 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
  - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found no exceptions.

#### **Compliance – Budgetary**

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2020 and 2019 for the General, and Special Revenue Gasoline Tax, and Special Revenue Road and Bridge funds, as recorded in the Appropriation Status Report. There were no funds for which expenditures exceeded appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2020 and 2019 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.
