We have completed certain procedures in accordance with Ohio Rev. Code Section 117.01(G) to the accounting records and related documents of the Safe Air for the Environment Council of Governments, Cuyahoga County, (the Council) for the years ended December 31, 2020 and 2019.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code Section 117.11(A). Because our procedures were not designed to opine on the Council's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the Council's financial statements, transactions or balances for the years ended December 31, 2020 and 2019.

The Council's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code Section 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found no significant compliance or accounting issues to report.

## **Current Status of Matters Reported in our Prior Engagement**

1. In our prior basic audit for the years ended December 31, 2018 and 2017, we noted the Council's minutes were not available for review. During the current period, no meetings were held, so there were no minutes for inspection.
