INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Sandy Township
Stark County
8170 Waynesburg Drive SE
Waynesburg, Ohio 44688

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of Sandy Township (the Township), on the receipts, disbursements and balances recorded in the Townships cash basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash

1. We recalculated the December 31, 2020 and December 31, 2019 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2019 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2018 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2020 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2019 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2020 and 2019 fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.
4. We confirmed the December 31, 2020 bank account balance with the Township's financial institution. We found no exceptions. The balance agreed. We also agreed the confirmed balances to the amounts appearing in the December 31, 2020 bank reconciliation without exception.

5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2020 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. Two of the five reconciling debits(outstanding checks) were still outstanding as of March 31, 2021.
 - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. There were no exceptions.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the County Auditor DTLs for 2020 and a total of five from 2019:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We inspected the Receipt Register Report to determine these receipts were allocated to the proper fund(s) as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Register Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Register Report to determine whether it included two real estate tax receipts for 2020 and 2019. The Receipt Register Report included the proper number of tax receipts for each year.

Other Receipts

We selected 10 other receipts from the year ended December 31, 2020 and 10 other receipts from the year ended 2019 and:

- a. Agreed the receipt amount recorded in the Receipt Register Report to supporting documentation. The amounts agreed.
- b. Confirmed the amounts charged complied with rates in force during the period. We found no exceptions.
- c. Inspected the Receipt Register Report to determine the receipt was posted to the proper fund, and was recorded in the proper year. We found no exceptions.

Debt

1. From the prior audit documentation, we observed the following notes and contracts were outstanding as of December 31, 2018. The Township did not provide a schedule of debt activity in 2019 or 2020 to be used in procedure 3.

Issue	Principal outstanding as of December 31, 2018:
GO Note – Fire Station	\$220,499
GO Contract - Backhoe	\$67,775

2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2020 or 2019 or debt payment activity during 2020 or 2019. There were no new debt issuances during 2020 or 2019. All debt activity agreed to the amortization schedules we used in procedure 3.

3. The Township did not maintain a summary of note and contract debt activity for 2020 and 2019. We agreed principal and interest payments from the related debt amortization schedules to general fund payments reported in the Payment Register Detail Report. Ohio Rev. Code § 5705.05 prohibits using taxes levied for current expenses to pay debt charges. The Township's general levy is restricted for current expenses and is comingled with unrestricted monies. In 2020 and 2019, the Township paid the debt payments for general obligation notes from the General Fund in the amount of \$39,680.23 in both 2020 and 2019. These funds should have been paid from the Bond Retirement Fund or transferred from the General Fund to the Bond Retirement Fund, with payment being made from the Bond Retirement Fund. We also compared the date the debt service payments were due to the date the Township made the payments. One payment due June 11, 2020 was paid on June 15, 2020.

Payroll Cash Disbursements

1. We selected one payroll check for all employees from 2020 and one payroll check for all employees from 2019 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard/ legislatively approved rate/salary). There was one instance where an employee was paid for two hours more than the hours recorded on his timecard, resulting in overpayment of \$33.77. In addition there was one instance where a trustee was overpaid by \$33.33 and one instance where a trustee was underpaid by \$118.02. Because we did not compare all timecards, our report provides no assurance whether or not other similar errors occurred.
 - i. We inspected the employees' personnel files for the Retirement system, Federal, State & Local income tax withholding authorization. No employee withholding authorization forms were provided for review.
 - ii. We were unable to agree these items to the information used to compute gross and net pay related to this check, no employee withholding authorization forms were provided for review.
 - b. We inspected the fund and account code to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the minute record. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2020 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2020. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2021	December 28, 2020	\$2,072.41	\$2,072.41
State income taxes	January 15, 2021	December 28, 2020	\$381.70	\$381.70
Local income tax	January 31, 2021	December 28, 2020	\$97.34	\$97.34
OPERS retirement	January 30, 2021	February 1, 2021	\$4,016.49	\$4,016.49

3. We compared total gross pay for the fiscal officer and each board member for 2020 and 2019 to the compensation permitted by Ohio Revised Code Sections 507.09 and 505.24, respectively. We found that the three Township Trustees were undercompensated by \$1,416.20 each in 2019. We found that two of the same Township Trustees were overcompensated by \$400 each in 2020. We brought this to management's attention, and they chose to not accept the additional payment.
4. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2020 and 2019 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred.

Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2020 and 10 from the year ended 2019 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found four instances where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code Section 5705.38 and 5705.40) plus any carryover appropriations for the year ended December 31, 2020 for the General, Gasoline Tax and Road & Bridge funds and December 31, 2019 for the General, Motor Vehicle License Tax and Gasoline Tax funds. There were no funds for which expenditures exceeded appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2020 and 2019 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

The Township provided no individual training certificates to indicate the elected officials attended public records training. Two elected officials completed their terms during 2019 or 2020 and did not attend the required training during their term.

We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Other Compliance

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2020 and 2019 in the Hinkle system. There were no exceptions.
2. We inquired of the fiscal officer and reviewed training certificates to determine whether the fiscal officer obtained the training required by Ohio Rev. Code Section 507.12 and 733.81. Fiscal Officer obtained the required training.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2020 and 2019, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
