  - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
  - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

### **Property Taxes and Intergovernmental Receipts**

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and Sandusky County Accounts Payable by G/L Distribution reports for 2020 and a total of five from 2019:
  - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. The amounts agreed.

  - c. We inspected the Receipt Register Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Register Report to determine whether it included two real estate tax receipts for 2020 and 2019. The Receipt Register Report included the proper number of tax receipts for each year.

### **Debt**

1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2018.
2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2020 or 2019 or debt payment activity during 2020 or 2019. There were no new debt issuances, nor any debt payment activity during 2020 or 2019.

### **Payroll Cash Disbursements**

1. We selected one payroll check for five employees from 2020 and one payroll check for five employees from 2019 from the Employee Detail Adjustment Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Employee Detail Adjustment Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary).
    - i. We inspected the minute record for the Retirement system, Federal, State & Local income tax withholding authorization.
    - ii. We agreed these items to the information used to compute gross and net pay related to this check.We found no exceptions.
  - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the minute record. We found no exceptions.
  - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2020 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2020. We observed the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes and Medicare (and social security, for employees not enrolled in pension system)	January 31, 2021	December 31, 2020	\$1,249.25	\$1,249.25
State income taxes	January 15, 2021	December 31, 2020	604.29	604.29
OPERS retirement	January 30, 2021	December 31, 2020	2,104.08	2,104.08

3. We compared total gross pay for the fiscal officer and each board member for 2020 and 2019 to the compensation permitted by Ohio Revised Code Sections 507.09 and 505.24, respectively. We found no exceptions in 2019. We found the Fiscal Officer was over compensated by \$140 in 2020. In addition, we found two trustees were each overcompensated by \$201 in 2020.

**Ohio Rev. Code § 505.24(A)(4)**, states “in calendar year 2018, each township trustee is entitled to compensation in an amount for each day of service in the business of the township, to be paid from the township treasury as follows: In townships having a budget of more than seven hundred fifty thousand but not more than one million five hundred thousand dollars, fifty-six dollars and seventy-one cents per day for not more than two hundred days.” **Ohio Rev. Code § 505.24(B)** provides that in calendar year 2019 and in each calendar year thereafter through calendar year 2028, the compensation determined under division (A) of this section shall be increased by one and three-quarters per cent.

**Ohio Rev. Code § 507.09(A)(5)** provides that, in Townships having a budget of more than one million five hundred thousand but not more than three million five hundred thousand dollars, the Fiscal Officer salary shall be twenty-one thousand eight hundred thirty-six dollars. **Ohio Rev. Code § 507.09(B)** provides that in calendar year 2019 and in each calendar year thereafter through calendar year 2028, the compensation determined under division (A) of this section shall be increased by one and three-quarters per cent.

**Ohio Attorney General Opinion No. 99-015** provides, in part, that “for the purposes of calculating the authorized compensation of the Township Trustees pursuant to **Ohio Rev. Code § 505.24**, the term ‘budget’ refers to the total amount of resources available to the Township pursuant to the official certificate of estimated resources or amendments to the certificate.”

**Ohio Constitution, Article II, § 20** provides the general assembly, in cases not provided for in the constitution, shall fix the term of office and the compensation of all officers; but no change therein shall affect the salary of any officer during his existing term, unless the office be abolished.

The Township’s budget was between one million five hundred thousand and three million five hundred thousand dollars from January 1, 2020 through April 6, 2020. The Township’s budget was between seven hundred fifty thousand and one million five hundred thousand dollars from April 6, 2020 through December 31, 2020 due to obtaining a reduced Amended Certificate of Estimated Resources. However, Trustee salaries were calculated based on the wrong column from April 6, 2020 through December 31, 2020. In addition, the Fiscal Officer paid herself at the 2020 rate for the entire year despite her new term not taking effect until April 1, 2020.

Trustees John Steagar and Paul Warner each should have received a total salary of \$11,644 in 2020; however, each were paid \$11,845, resulting in an overpayment of \$201 each. Fiscal Officer Cathy Bales should have received a total salary of \$19,993 in 2020; however, she was paid \$20,133, resulting in an overpayment of \$140.

In accordance with the foregoing facts and pursuant to Ohio Rev. Code § 117.28, a Finding for Recovery for public monies illegally expended is hereby issued against Fiscal Officer, Cathy Bales in the amount of \$140; Trustee John Steagar in the amount of \$201; and Trustee Paul Warner in the amount of \$201, and in favor of Townsend Township's General Fund in the amount of \$542.

Township officials should obtain the most current elected officials compensation charts to verify officials are properly compensated in accordance with the Ohio Revised Code. Failure to review and properly calculated salary amounts can result in additional overpayments to officials.

On July 9, 2021, Fiscal Officer, Cathy Bales repaid the sum of all three errors, \$542; to repay the findings issued against her and the Trustees. The Township deposited this check on July 9, 2021.

4. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2020 and 2019 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. Insurance reimbursements made were in compliance with ORC 505.60, 505.601, 505.602 and 505.603 and federal regulations.

#### **Non-Payroll Cash Disbursements**

We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2020 and 10 from the year ended December 31, 2019 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found one instance where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

#### **Compliance – Budgetary**

1. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code Section 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2020 and 2019 for the General, Motor Vehicle License Tax and Road and Bridge funds. There were no funds for which expenditures exceeded appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2020 and 2019 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. 4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
5. We inspected the Township's policy manual to determine whether the public records policy was included as required by Ohio Rev. Code § 149.43(E)(2). We noted the policy was not included in the policy manual.
6. We observed that the Township's poster describing their Public Records Policy was displayed conspicuously in all branches of the Township as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
7. We inquired with Township management and determined that the Township did not have any applications for record disposal submitted to the Records Commission during the engagement period.
8. We inspected individual training certificates and determined whether each elected official in accordance with Ohio Rev. Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We found no exceptions.
9. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:

  - c. Formal governing board actions were adopted in open meetings.We found no exceptions.

#### **HB 481 / HB 614 Coronavirus Relief Fund (CRF) Compliance**

1. We inquired of management and those charged with governance and documented how the Township decided to spend their CRF allocations and how the Township evaluated and documented their compliance with the CARES Act three-prong test. We then selected five non-payroll transactions, and determined the Township:
  - a. Spent the CRF money (including additional distributions or redistributions) in accordance with use of funds requirements and
  - b. Maintained appropriate supporting documentation.We found no exceptions.
2. We recalculated the unencumbered balance the local government paid back to the county treasurer and determined the proper amount was repaid. We also compared the date of the repayment to the required date of November 20, 2020 and determined the payment was made in a timely manner. We found no exceptions.

#### **Other Compliance**

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2020 and 2019 in the Hinkle system. However, due to inaccuracies in the footnotes filed, the Township had to resubmit its 2019 filing. Financial information for 2019 was refiled on April 27, 2021, which was not within the allotted timeframe.
2. We inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code Section 507.12 and 733.81. Fiscal Officer obtained the required training.
3. For all credit card accounts we obtained:
  - copies of existing internal control policies,
  - a list of authorized users, and
  - a list of all credit card account transactions.
  - a. We inspected the established policy obtained above and determined it is:
    - i. in compliance with the HB 312 statutory requirements, and
    - ii. implemented by the entity.We found no exceptions.

- b. We selected 1 credit card transaction from each credit card account for testing. For selected transactions we inspected documentation to determine that:
  - i. Use was by an authorized user within the guidelines established in the policy, and
  - ii. Each transaction was supported with original invoices and for a proper public purpose.

We found no exceptions.

- c. We selected 3 credit card statements from each credit card account for testing. For selected statements we inspected documentation to determine that:
  - i. No unpaid beginning balance was carried forward to the current billing cycle,
  - ii. Ending statement balance was paid in full, and
  - iii. Statement contained no interest or late fees.

We found no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2020 and 2019, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
