We found no exceptions.

a. The Township was compliant and responded to the request in accordance with their adopted policy as required by Ohio Rev. Code 149.43(B)(1). We found no exceptions.

Code 149.43(E)(1) (or his or her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code 109.43(B). We found no exceptions.

9. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period are to be held as required by Ohio Rev. Code 121.22(F). We found no exceptions.

10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code 121.22(C) and determined whether they were:
- Prepared – a file is created following the date of the meeting
  - Filed – placed with similar documents in an organized manner
  - Maintained - retained, at a minimum, for the engagement period
  - Open to public inspection – available for public viewing or request.

We found no exceptions.

11. We inspected the minutes from the engagement period in accordance with the Ohio Rev. Code 121.22(G) and determined the following:

  - The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code Section 121.22(G).
  - Formal governing board actions were adopted in open meetings.

We found no exceptions.

### **Coronavirus Relief Fund**

We then selected five non-payroll transactions and determined the Township:
- Spent the CRF money (including additional distributions or redistributions) in accordance with use of funds requirements.
  - Maintained appropriate supporting documentation.

We found no exceptions.

2. We inquired of management and inspected the Appropriation Ledgers Report to determine the Township did not have an unencumbered balance of money to pay back to the County Treasurer. We found no exceptions.

### **Other Compliance**

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the Hinkle System within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2020 and 2019 in the Hinkle system. There were no exceptions.
2. We inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code Section 507.12 and 733.81. Fiscal Officer obtained 4 of the required 24 hours of training.

3. For all credit card accounts we obtained:

- copies of existing internal control policies,
- a list(s) of authorized users, and
- a list of all credit card account transactions.

- a. We inspected the established policy obtained above and determined it is:
- i. in compliance with the HB 312 statutory requirements, and
  - ii. Implemented by the entity.

We found no exceptions.

- b. We selected 1 credit card transaction from each credit card account for testing. For selected transactions we inspected documentation to determine that:
- i. Use was by an authorized user within the guidelines established in the policy, and
  - ii. Each transaction was supported with original invoices and for a proper public purpose.

We found no exceptions.

- c. We selected 3 credit card statements from each credit card account for testing. For selected statements we inspected documentation to determine that:
- i. No unpaid beginning balance was carried forward to the current billing cycle,
  - ii. Ending statement balance was paid in full, and
  - iii. Statement contained no interest or late fees.

We found no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Township receipts, disbursements and balances recorded in their cash basis accounting records for the years ended December 31, 2020 and 2019, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
