INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

August 27, 2021

Village of Cairo Allen County 519 Wall Street Cairo. Ohio 45820

We have performed the procedures enumerated below on the Village of Cairo's (the Village) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Village. The Village is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Village.

The Village Council, Mayor and the management of the Village have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Village's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2020 and 2019, and certain compliance requirements related to these transactions and balances. Additionally, the Auditor of State has agreed to and acknowledged that the procedures performed are appropriate to meet their purposes. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash (Continued)

- 2. We agreed the January 1, 2019 beginning fund balances for each fund recorded in the Cash Summary by Fund Report to the December 31, 2018 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2020 beginning fund balances for each fund recorded in the Cash Summary by Fund Report to the December 31, 2019 balances in the Cash Summary by Fund Report. We found no exceptions.
- 3. We agreed the totals per the bank reconciliations to the total of the December 31, 2020 and 2019 fund cash balances reported in the Fund Status Report and the financial statements filed by the Village in the Hinkle System. The amounts agreed.
- 4. We confirmed the December 31, 2020 bank account balance with the Village's financial institution. We found no exceptions. We also agreed the confirmed balance to the amount appearing in the December 31, 2020 bank reconciliation without exception.
- 5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2020 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.

Property Taxes and Intergovernmental Receipts

- 1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Listing (DTL), and the Allen County Auditor Vendor Invoice List for 2020 and a total of five from 2019:
 - a. We compared the amount from the above named reports to the amount recorded in the Revenue Ledger. The amounts agreed.
 - b. We inspected the Revenue Ledger to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Revenue Ledger to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
- 2. We inspected the Revenue Ledger to determine whether it included two real estate tax receipts for 2020 and 2019. The Revenue Ledger included the proper number of tax receipts for each year.

Income Tax Receipts

 We obtained the December 31, 2020 and 2019 Monthly Distribution Summary reports submitted by the Regional Income Tax Agency (RITA), the agency responsible for collecting income taxes on behalf of the Village. We agreed the total gross income taxes per year to the Village's Revenue Ledger. The amounts agreed.

Other Receipts

- 1. We selected 10 other receipts from the year ended December 31, 2020 and 10 other receipts from the year ended 2019 and:
 - a. Agreed the receipt amount recorded in the Revenue Ledger Report to supporting documentation. The amounts agreed.
 - b. Confirmed the amounts charged complied with rates in force during the period. We found no exceptions.
 - c. Inspected the Revenue Ledger Report to determine the receipt was posted to the proper fund and was recorded in the proper year. We found no exceptions. However, we noted three receipts in 2019 and one receipt in 2020 were not posted to the correct line item.

Debt

1. From the prior agreed-upon procedures documentation, we observed the following bonds and loans were outstanding as of December 31, 2018. These amounts agreed to the Village's January 1, 2019 balances on the summary we used in procedure 3 except OPWC Loan #CT37S. We noted OPWC Loan #CT37S balance should have been listed as outstanding in the prior year agreed-upon procedures documentation. The loan was for monies received for a Main Street Reconstruction Project in 2016. The Village was not required to start making loan repayments until 2019.

Issue	Principal outstanding as of December 31, 2018:
OPWC Loan # CM008	\$6,350
OPWC Loan #CT37S	\$99,259
USDA Sewer Loan	\$487,000
USDA Water Loan	\$1,542,900

- 2. We inquired of management, and inspected the Revenue Ledger and Appropriation Ledger for evidence of debt issued during 2020 or 2019 or debt payment activity during 2020 or 2019. All debt agreed to the summary we used in procedure 3.
- 3. We obtained a summary of bond and loan debt activity for 2020 and 2019 and agreed principal and interest payments from the related debt amortization schedules to the Enterprise Debt Service Sewer, Enterprise Debt Service Water and Main Street Capital Project fund payments reported in the Appropriation Ledger. We also compared the date the debt service payments were due to the date the Village made the payments. We found no exceptions.

Payroll Cash Disbursements

- 1. We selected one payroll check for five employees from 2020 and one payroll check for five employees from 2019 from the Payroll Register and:
 - a. We compared the hours and pay rate, or salary recorded in the Payroll Register to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - i. We inspected the employees' personnel files for the Retirement system, Federal, State & Local income tax withholding authorization.
 - ii. We agreed these items to the information used to compute gross and net pay related to this check.

We found no exceptions.

b. We inspected the fund and account codes to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the minute record as required by statute. We found no exceptions.

Payroll Cash Disbursements (Continued)

- c. We confirmed the payment was posted to the proper year. We found no exceptions.
- 2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2020 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period during 2020. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	February 1, 2021	January 4, 2021	\$621.31	\$621.31
State income taxes	February 1, 2021	December 31, 2020	\$71.32	\$71.32
Village of Cairo income taxes	February 1, 2021	December 31, 2020	\$35.27	\$35.27
OPERS retirement	February 1, 2021	December 31, 2020	\$372	\$372

Non-Payroll Cash Disbursements

- 1. We selected 10 disbursements from the Appropriation Ledger for the year ended December 31, 2020 and 10 from the year ended 2019 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Appropriation Ledger and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev Code Section 5705.41(D). We found eight instances where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code Section 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2020 and 2019 for the General, Street Construction, Maintenance and Repair and Enterprise Debt Service Water funds, as recorded in the Appropriation Status Report. We observed no funds for which expenditures exceeded appropriations.

Compliance - Budgetary (Continued)

- 2. We inspected the 2020 and 2019 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers exceeding \$1,000 which Ohio Rev. Code Sections 5705.14 .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner (effective after June 30, 2017) or Court of Common Pleas (effective through June 30, 2017).
- 3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2020 and 2019 for negative cash fund balance. Ohio Rev. Code Section 5705.10(I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

Sunshine Law Compliance

- 1. We obtained and inspected the Village's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
- We inquired with Village management and determined that the Village did not have any
 completed public records requests during the engagement period. The Village did not have any
 denied public records requests during the engagement period. The Village did not have any
 public records requests with redactions during the engagement period.
- 3. We inquired whether the Village had a records retention schedule and observed that it was readily available to the public as required by Ohio Rev. Code §§ 149.43(B)(2) and 149.43(B)(3). We found no exceptions.
- 4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
- 5. We inquired with Village management and determined that the Village did not have a policy manual during the engagement period therefore the public records policy could not be included as required by Ohio Rev. Code § 149.43(E)(2).
- 6. We observed that the Village's poster describing their Public Records Policy was displayed conspicuously in all branches of the Village as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
- 7. We inquired with Village management and determined that the Village did not have any applications for record disposal submitted to the Records Commission during the engagement period.
- 8. We inspected individual training certificates and determined whether each elected official in accordance with Ohio Rev. Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We found the Fiscal Officer and Elected Officials did not attend a certified three-hour Public Records Training for each term of office.

Sunshine Law Compliance (Continued)

- 9. We inspected the public notices for the public meetings held during the engagement period and determined the Village notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev.  - c. Formal governing board actions were adopted in open meetings.

We found no exceptions.

HB 481 / HB 614 Coronavirus Relief Fund (CRF) Compliance

- 1. We inquired of management and those charged with governance and documented how the Village decided to spend their CRF allocations and how the Village evaluated and documented their compliance with the CARES Act three-prong test. We then selected five payroll, non-payroll, and subgrant/subloan transactions. and determined the Village:
 - Spent the CRF money (including additional distributions or redistributions) in accordance with use of funds requirements and
 - b. Maintained appropriate supporting documentation.

We found no exceptions.

2. We recalculated the unencumbered balance the local government should have paid back to the county treasurer and determined the unencumbered balance of money was not returned to the county treasurer by November 20, 2020. We noted the entity did not receive CARES Act funds until October of 2020, HB 614 extended the repayment deadline to February 1, 2021. Since the repayment date for these funds were out outside the audit period no exceptions were noted for not repaying funds by November 20, 2020 or year end.

Other Compliance

1. Ohio Rev. Code Section 117.38 requires villages to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Village filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2020 and 2019 in the Hinkle system. There were no exceptions.
