## INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Western Joint Ambulance District  
Hamilton County  
7998 Main Street  
PO Box 802  
Miamitown, Ohio 45041

We have performed the procedures enumerated below on the Western Joint Ambulance District's (the District) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the District. The District is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to these transactions and balances included in the information provided to us by the District.

The Board of Trustees and the management of the District have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the District's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2020 and 2019, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

### Cash

1. We recalculated the December 31, 2020 and December 31, 2019 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2019 beginning fund balance for the General fund recorded in the financial statements to the December 31, 2018 balance in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2020 beginning fund balance for the General fund recorded in the 2020 financial statement to the December 31, 2019 balance in the 2019 financial statements. We found the 2020 beginning fund balance for the General Fund was overstated by \$49,978 because the District used the bank balance at December 31, 2019 for the January 1, 2020 beginning fund balance rather than the balance in the 2019 financial statements.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2020 and 2019 fund cash balances reported in the financial statements filed by the District in the Hinkle System. The financial statements ending fund balance for 2020 was \$49,978 more than the bank reconciliation due to the District using an incorrect January 1, 2020 beginning fund balance as noted above.

4. We confirmed the December 31, 2020 bank account balances with the District's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2020 bank reconciliation without exception.
5. We selected all reconciling debits (such as outstanding checks) from the December 31, 2020 bank reconciliation:
  - a. We traced each debit to the subsequent January and February bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register and determined the debits were dated prior to December 31. There were no exceptions.

#### **Property Taxes, Intergovernmental and Other Confirmable Cash Receipts**

1. We selected a total of five receipts from the County Auditor DTLs from 2020 and a total of five from 2019:
  - a. We compared the amount from the above named reports to the amount recorded in the 2019 and 2020 Income Ledgers. The amounts agreed.
  - b. We inspected the Income Ledgers to determine these receipts were allocated to the proper fund as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
  - c. We inspected the Income Ledgers to determine whether the receipt was recorded proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Income Ledgers to determine whether it included two real estate tax receipts plus advances for 2020 and 2019. The Receipt Register Report included the proper number of tax receipts for each year.

#### **Other Receipts**

We selected all other receipts from the year ended December 31, 2020 and all other receipts from the year ended 2019 and:

- a. Agreed the receipt amount recorded in the Income Ledgers to supporting documentation. The amounts agreed.
- b. Inspected the Income Ledgers to determine the receipt was posted to the proper fund, and was recorded in the proper year. We found no exceptions.

#### **Payroll Cash Disbursements**

1. We selected one payroll check for five employees from 2020 and one payroll check for five employees from 2019 from the Wage Withholdings Detail Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary).
    - i. We inspected the employees' personnel files for the Retirement system, Federal, State & Local income tax withholding authorization.
    - ii. We agreed these items to the information used to compute gross and net pay related to this check.

We found no exceptions.

- b. We recomputed gross and net pay and agreed it to the amount recorded in the payroll register. We found no exceptions.
  - c. We inspected the fund and account code to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files. We found no exceptions.
  - d. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2020 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2020. We observed the following: Note: The District remits tax withholdings on a biweekly basis and OPERS on a monthly basis.

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>

**Non-Payroll Cash Disbursements**

- 1. From the Check Register, we re-footed checks recorded as General Fund disbursements for *security of persons and property*, for 2020. We found no exceptions.
- 2. We selected 10 disbursements from the Check Register for the year ended December 31, 2020 and 10 from the year ended 2019 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Check Register and to the names and amounts on the supporting invoices. We found no exceptions.

- c. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found no exceptions.

### **Compliance – Budgetary**

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2020 and 2019 for the General fund. We observed no funds for which expenditures exceeded appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2020 and 2019 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

1. We obtained and inspected the District's Public Records Policy to determine the policy was in accordance with Ohio Rev. Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the District filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2020 and 2019 in the Hinkle system. There were no exceptions.

We found no exceptions.

- c. We selected 3 credit card statements from each credit card account for testing. For selected statements we inspected documentation to determine that:
  - i. No unpaid beginning balance was carried forward to the current billing cycle,
  - ii. Ending statement balance was paid in full, and
  - iii. Statement contained no interest or late fees.

We found no exceptions.

- d. For cash withdraws made. We selected 1 cash withdraw and inspected supporting documentation to determine:
  - i. The policy explicitly allowed for cash withdraws and when related legislative or administrative action was passed.
  - ii. Appropriate and specific additional controls were implemented for cash withdraw transactions.

We found no exceptions.

We were engaged by the District to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively on the District's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
