Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements included in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertions are fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about management's assertion. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of management's assertions, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

In our opinion, management's assertions related to the accuracy and completeness of the census data and pensionable wages as described above provided to State Teachers Retirement System as of and for the year ended June 30, 2022 are fairly stated in all material respects.

This report is intended solely for the information and use of Avon Lake City School District's management, those charged with governance, and State Teachers Retirement System management, and plan auditors to provide assurances that the census data reported to the State Teachers Retirement System is accurate and complete.
