Board of Trustees
Franklin County Stadium, Inc. dba Huntington Park and
Columbus Baseball Team, Inc. dba Columbus Clippers
330 Huntington Park Lane
Columbus, Ohio 43215

We have reviewed the *Independent Auditor's Report* of the Franklin County Stadium, Inc. dba Huntington Park and Columbus Baseball Team, Inc. dba Columbus Clippers, Franklin County, prepared by James G. Zupka, CPA, Inc., for the audit period January 1, 2021 through December 31, 2021. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Franklin County Stadium, Inc. dba Huntington Park and Columbus Baseball Team, Inc. dba Columbus Clippers is responsible for compliance with these laws and regulations.

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Franklin County Stadium, Inc. dba Huntington Park and
Columbus Baseball Team, Inc. dba Columbus Clippers
Columbus, Ohio

The Honorable Keith Faber
Auditor of State
State of Ohio

Report on the Financial Statements

Opinion

We have audited the accompanying combined financial statements of Franklin County Stadium, Inc. dba Huntington Park and Columbus Baseball Team, Inc. dba Columbus Clippers (collectively referred to as the "Organization"), a component unit of Franklin County, Ohio, which comprise the combined statement of net position as of December 31, 2021, and the related combined statements of revenues, expenses, and changes in net position, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the net position of the Organization as of December 31, 2021, and the changes in its net position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter

As discussed in Note 9 to the basic financial statements, the financial impact of COVID-19 and the continuing emergency measures may impact subsequent periods of the Organization. Our opinion is not modified with respect to this matter.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Organization's basic financial statements. The Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 15, 2022, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

**Franklin County Stadium, Inc. dba Huntington Park
and Columbus Baseball Team, Inc. dba Columbus Clippers
(A Component Unit of Franklin County)**

**Management's Discussion and Analysis
For the Fiscal Year Ended December 31, 2021
(Unaudited)**

This discussion and analysis, along with the accompanying financial report, of the Franklin County Stadium, Inc. and Columbus Baseball Team, Inc. dba The Columbus Clippers (the "Organization") is designed to provide our creditors and other interested parties with a general overview of the Organization and its financial activities.

Financial Highlights

- The total assets of the Organization on December 31, 2021 were \$28,320,912, an increase of \$2,305,151 from 2020.
- The net position of the Organization on December 31, 2021 was \$22,134,235, an increase of \$4,433,409 from 2020.
- The Organization had total operating revenues of \$10,691,666 for 2021, an increase of \$10,189,017 from 2020.

Overview of Basic Financial Statements

The Organization is a single enterprise fund using proprietary fund accounting, similar to private sector business. The Basic Financial Statements are presented using the accrual basis of accounting.

The Combined Statement of Net Position includes all of the Organization's Assets and Liabilities. This statement provides information about the nature and amounts of investments in resources (assets) owned by the Organization, and obligations owed by the Organization (liabilities). The Organization's net position (equity) is the difference between assets and liabilities.

The Combined Statement of Revenues, Expenses, and Changes in Net Position provide information on the Organization's operations over the past year. Revenues are reported when earned and expenses are reported when incurred.

The Combined Statements of Cash Flows provides information about the Organization's cash receipts and cash disbursements. It summarizes the net changes in cash resulting from operating, investing and financing activities.

For the Fiscal Year Ended December 31, 2021
(Unaudited)**

Combined Net Position

Table 1 provides a summary of the Organization's net position for 2021 compared to 2020:

Table 1
Net Position

	2021	2020
Assets:		
Current Assets	\$10,685,788	\$7,161,921
Other Assets	17,635,124	18,853,840
Total Assets	28,320,912	26,015,761
Liabilities:		
Current Liabilities	1,788,046	3,593,279
Noncurrent Liabilities	4,398,631	4,721,656
Total Liabilities	6,186,677	8,314,935
Net Position:		
Net Investment in Capital Assets	3,147,976	2,854,282
Unrestricted	18,986,259	14,846,544
Total Net Position	\$22,134,235	\$17,700,826

The Organization had an increase of net position for \$4,433,409 from 2020 to 2021. The increase in asset and net position is due to an increase in revenue in 2021, due to the 2020 season being cancelled due to the COVID-19 pandemic.

For the Fiscal Year Ended December 31, 2021
(Unaudited)**

Capital Assets

The Organization had capital assets of \$3,397,976 as of at December 31, 2021. Table 3 shows 2021 capital asset balances compared to 2020 capital asset balances:

Table 3
Capital Assets

	2021	2020
Construction in Progress	\$ 27,762	\$ 249,043
Machinery and Equipment	3,840,620	3,582,559
Leasehold Improvements	3,982,984	3,974,576
Capital assets, at cost	7,851,366	7,806,178
Less: Accumulated Depreciation	(4,453,390)	(4,201,896)
Capital assets, net	<u>\$ 3,397,976</u>	<u>\$ 3,604,282</u>

Overall, capital assets increased due to current year depreciation expense being less than the current year additions. See note 4 in the notes to the basic financial statements for further details on the Organization's capital assets.

Debt

The Organization had a \$250,000 loan as of December 31, 2021.

Table 4
Outstanding Debt at Year End

	2021	2020
Loan from Franklin County	\$250,000	\$750,000

Franklin County provided a loan of \$1,000,000 in February 2018 to the Organization for the purchase of new video boards. The interest rate is initially 1.65% for 2019, 2.25% for 2020, and 2.65% for 2021 - 2022. Repayments are due annually in the amounts of \$250,000, starting in February 2019. The payment of \$250,000 for 2020 was deferred due to the COVID-19 pandemic. The 2020 and 2021 payment totaling \$500,000 was made in 2021.

See note 5 in the notes to the basic financial statements for further details on the Organization's debt.

Additional Information about the Organization

This management analysis is done each year to compare year-to-year operations and expenditures for Huntington Park. Last season is difficult to analyze because it follows up on the fact that there was no season at all in 2020 due to the COVID-19 pandemic; and this 2021 season was not a complete season. In fact, it did not start until May with limited fan capacity, and we played fewer games than ever before. We were able to add some other events throughout the season as protocols were lifted. Usually we discuss how the balance of income versus expenses successfully helps to maintain projected profit levels to continue to service the debt on Huntington Park in an aggressive manner and well in front of the timelines originally projected. That overall premise is still true.

**Franklin County Stadium, Inc. dba Huntington Park
and Columbus Baseball Team, Inc. dba Columbus Clippers
(A Component Unit of Franklin County)**

**Management's Discussion and Analysis
For the Fiscal Year Ended December 31, 2021
(Unaudited)**

The team continues to promise to the community that there will not be significant price increases in attending our games. Usually, we keep that promise by not increasing any ticket prices for box seats purchased in advance & for daily reserved seats and general admission tickets. However, an additional ticket pricing issue surfaced in July of 2019, with the application of a city-wide 5% ticket tax on tickets in excess of \$10. That cost was passed on to all tickets that exceeded the \$10 threshold. Our award-winning park and downtown location have continually allowed for the introduction of new food items that have been very well received by our fans. Huntington Park has received accolades as one of the country's vegetarian-friendly ballparks and has continued to present menu items acknowledging industry trends towards the addition of gluten-free items and healthy menu choices. Our affiliation with the Cleveland Guardians and our relationship with our fans continues to grow in a very positive manner. We had won our 11th Governors' Cup Championship back in 2019; the most ever by a team in the history of our league.

Ballpark needs and maintenance do not necessarily lessen whether we play or not. Our last major renovations were started in the fall of 2019 and continued into 2020 before baseball was suspended by the pandemic. We converted over to more efficient LED lighting of everything "behind the scenes" throughout 2019; and late that fall we signed a contract with MUSCO lighting for the conversion of all of the light towers to LED lighting in time for the 2020 season. These improvements were utilized for the first time in 2021 and will give us energy savings moving forward. In 2020 we also installed additional netting in the grandstand to protect the fans from foul balls; and also enlarged the color video board for the fans to be more entertained and more informed. Insurance costs were somewhat reduced with the smaller number of events held in 2021, but were more than in the pandemic year of 2020.

This 2021 overall audit will still be much different from what we experienced going back to our last "full season" in 2019. In comparing 2021 to 2019 in many areas, we will find revenues down for many reasons: Not as many home games were played (61 in 2021 vs 68 in 2019); we were not even at full capacity in 2021 until the middle of June; and many other events we usually hold at the ballpark were still being cancelled due to the carryover effects of the pandemic. As such, our revenues were off some 24%; but our expenses were also off 18%, indicating an overall discrepancy of roughly 6%. This amount was able to be offset by our "rainy day" fund, held in escrow for capital improvements and unforeseen expenses such as this.

On December 5, 1976, for the sum of \$25,000, the Board of Trustees of Columbus Baseball Team, Inc., doing business as the Columbus Clippers [Minor League] Professional Baseball Organization (Clippers), purchased a "franchise" position in Triple-A Minor League Baseball (International League), from the Pittsburgh Athletic Company, Inc., doing business as the Pittsburgh Pirates [Major League] Professional Baseball Organization. Long ago, that purchase price was amortized on the financial statements of the Organization.

Major League Baseball did not renew the National Association Player Development Contract after the 2019 season; which meant that for the first time since 1903 our level of professional baseball has endured a complete reinvention. Now we function with Major League Baseball under what is known as a "Player Development License" (begun in 2021), which is now between the Columbus Clippers and the Cleveland Guardians, with an initial contract term of ten years, taking us through calendar year 2030. However, this new contractual agreement gives Major League Baseball substantial control and say in our operations; and while the contract period is for ten years; there are different scenarios under which the Commissioner of Baseball can actually revoke one of our franchises for various penalties and for failure to adhere to rules and regulations.

**Franklin County Stadium, Inc. dba Huntington Park
and Columbus Baseball Team, Inc. dba Columbus Clippers
(A Component Unit of Franklin County)**

**Management's Discussion and Analysis
For the Fiscal Year Ended December 31, 2021
(Unaudited)**

In 2007, the Board of Trustees of the Clippers entered into an agreement with the Franklin County Commissioners, which stipulates that the Clippers Board shall not sell the Clippers franchise without the express consent of the Franklin County Commissioners. As such, the current valuation of the Clippers franchise is largely a moot issue since the Clippers franchise will not be placed on the market. Even so, the Clippers franchise represents a contractually encumbered multi-million-dollar asset effectively owned by the people of Franklin County, Ohio. As of today, to the knowledge of the Clippers management, no exactly similar, comparable organization exists in all of professional sports in the United States.

**Notes to the Combined Financial Statements
For the Fiscal Year Ended December 31, 2021**

Note 1 – Summary of Significant Accounting Policies

Organization

Franklin County Stadium, Inc. (the “Ballpark”) and the Columbus Baseball Team, Inc. (the “Team”) were organized by Franklin County, Ohio (the “County”) as Ohio not-for-profit corporations in accordance with Section 1702.01 of the Ohio Revised Code to manage, operate and promote a professional baseball team and such other forms of entertainment that benefit the general welfare of the County. Both corporations are directed by the Franklin County Board of Parks and Recreation (the “Board”) and are component units of the County.

Principles of Combination

The accompanying combined financial statements of the Ballpark and the Team (doing business as “The Columbus Clippers” and collectively referred to as the “Organization”) include the results and balances of both entities. All significant inter-company accounts and transactions have been eliminated in combination.

Basis of Accounting

The accompanying combined financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Management’s Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Fund Accounting

The Organization’s accounting system is organized and operated on a fund basis. A fund is defined as a fiscal and accounting entity with a set of self-balancing accounts that comprise its assets, liabilities, net position, revenues and expenses. The operating fund of the Organization is a proprietary fund. It is used to account for operations that are financed and operated in a manner similar to private business enterprises where the costs (expenses, including depreciation) of operating the ballpark are financed through user charges.

Revenue Recognition and Unearned Revenue

Receipts from ticket sales are deferred and recognized as revenue in the period in which the games are played. Concessions, souvenirs, parking, and special events fees are recognized as revenues as the products and services are provided to the customers. Receipts from sponsorships and advertising are deferred and recognized as revenue ratably over the sponsorship periods, which range from one to twenty years.

Cash and Cash Equivalents

For purposes of the combined statement of cash flows, the Organization considers all cash accounts, which are not subject to withdrawal restrictions or penalties, and all highly-liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

**Notes to the Combined Financial Statements
For the Fiscal Year Ended December 31, 2021**

Accounts Receivable

Accounts receivable are carried at original invoice amount, less an estimate made for doubtful accounts. Management determines the allowance for doubtful accounts by evaluating individual customer receivables and considering a customer's financial condition and credit history along with current economic conditions. Receivables are written off when deemed uncollectable. Recoveries of receivables previously written off are recorded as income when received. Management has determined that all accounts are collectable and, accordingly, an allowance was not necessary as of December 31, 2021.

Investments in Marketable Securities

Investments in equity securities with readily determinable fair values and all investments in debt securities are reported at fair value within the combined statements of financial position. Net realized and unrealized gains and losses are to be reported within the combined statements of activities as increases or decreases in unrestricted net position, unless their use is temporarily or permanently restricted by explicit donor stipulations or by law. The Organization pools all individual cash balances and investments in marketable securities for investment purposes.

The following securities are authorized under the Organization's investment policy:

- United States Treasury notes, bills, bonds, or other obligation or security issued by the Treasury, any other obligation guaranteed as to principal and interest by the U.S., or any book entry, zero-coupon security that is a direct obligation of the United States.
- Bonds, notes, debentures, or any other obligations or securities issued directly by any federal government agency or instrumentality.
- Money market mutual funds, provided that the investments are made only through eligible institutions.
- Common stocks in publicly traded companies in an equity account managed by certified and licensed professionals.

Fair Value Measurements

The Organization's categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under this framework are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Franklin County Stadium, Inc. dba Huntington Park
and Columbus Baseball Team, Inc. dba Columbus Clippers
(A Component Unit of Franklin County)**

**Notes to the Combined Financial Statements
For the Fiscal Year Ended December 31, 2021**

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021.

Common Stocks, Corporate Bonds and U.S. Government Securities: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual Funds: Valued at the net position value ("NPV") of shares held by the Organization at year end.

Souvenir and Equipment Inventory

Inventories are stated at the lower of cost (first-in, first-out basis) or market (determined as net realizable value). The cost of inventory is expensed at the time individual inventory items are consumed.

Prepaid Rent Expense

The terms of the operating lease agreement with the County require the Organization to pay, as additional rent, a substantial portion of Huntington Park's construction and debt service requirements. These payments vary over the course of the lease term and, accordingly, rent expense is recognized on a straight-line basis. All advanced rent payments made prior to expense recognition are recorded as prepaid rent expense.

Cash Surrender Value of Life Insurance Policies

The Organization is the owner and beneficiary of life insurance policies on the lives of certain key employees aggregating \$1,754,000 as of December 31, 2021. The policies had an aggregate cash surrender value of \$1,107,435 as of December 31, 2021.

Capital Assets

Capital asset purchases are carried at the original cost, less accumulated depreciation. Depreciation is computed on the straight-line basis using the following estimated useful lives:

Machinery and Equipment	3 - 10 years
Leasehold Improvements	5 - 20 years

Regular maintenance and repairs are expensed as incurred. Renewals and betterments of a nature considered to materially extend the useful lives of the assets are capitalized. The Organization maintains a capitalization threshold of \$3,000. When capital assets are retired or otherwise disposed of, the assets and related allowances for depreciation are eliminated from the accounts and any resulting gain or loss is reflected in the combined statement of revenues, expenses, and changes in net position.

**Franklin County Stadium, Inc. dba Huntington Park
and Columbus Baseball Team, Inc. dba Columbus Clippers
(A Component Unit of Franklin County)**

**Notes to the Combined Financial Statements
For the Fiscal Year Ended December 31, 2021**

Compensation Agreements

In connection with employment contracts between the Organization and certain key employees, provisions have been made for compensation agreements, which are payable upon retirement. Payments are made to the individuals or their survivors over a ten-year period commencing the first year of retirement. Compensation expense is recognized on a straight-line basis over the service period. Compensation expense related to those agreements was \$40,366, for the year ended December 31, 2021. Total compensation agreement liability based on terms of the employment contracts was \$979,131 as of December 31, 2021.

Net Position

Net position represents the difference between assets and liabilities on the combined statements of financial position. Net investment in capital assets consists of capital assets, net of accumulated depreciation, reduced by the outstanding balance of any debt used to build or acquire the capital assets. Net position is reported as restricted in the combined financial statements when there are limitations imposed on its use through external restrictions imposed by creditors, grantors, laws or regulations. There was no restricted net position as of December 31, 2021.

Advertising Costs

Advertising costs are expensed as incurred. Advertising costs, net of reimbursements from sponsors, was \$74,723 for the year ended December 31, 2021.

Income Taxes

The Organization is a combined component unit of the County and is exempt from Federal income tax under Section 115 of the Internal Revenue Code. Accordingly, no income tax expense is recorded in the accompanying combined financial statements.

Generally accepted accounting principles require the Organization to evaluate the level of uncertainty related to whether tax positions taken will be sustained upon examination. Any positions taken that do not meet the more-likely-than-not threshold must be quantified and recorded as a liability for unrecognized tax benefits in the accompanying combined financial statement of financial position along with any associated interest and penalties that would be payable to the taxing authorities upon examination. Interest and penalties associated with unrecognized tax benefits are classified as additional income taxes in the combined statement of revenues and expenses. The Organization believes that none of the tax positions taken would materially impact the financial statements and no such liabilities have been recorded. With few exceptions, the Organization is no longer subject to income tax examinations by the U.S. Federal, state or local tax authorities for the years ended December 31, 2015 and prior.

Note 2 – Risks and Uncertainties

Uninsured Risk – Cash Deposits

All monies are deposited into banks or investment companies designated by the governing board. Funds not needed for immediate expenditure may be deposited in interest bearing or non-interest bearing accounts, or U.S. government obligations. Security shall be furnished for all deposits, whether interest-bearing or non-interest bearing, except that no such security is required for U.S. government obligations.

The Organization maintains its cash and cash equivalent balances in financial institutions located in central Ohio.

**Franklin County Stadium, Inc. dba Huntington Park
and Columbus Baseball Team, Inc. dba Columbus Clippers
(A Component Unit of Franklin County)**

**Notes to the Combined Financial Statements
For the Fiscal Year Ended December 31, 2021**

Deposits are insured by the Federal Deposit Insurance Corporate (“FDIC”) up to a coverage limit of \$250,000 through December 31, 2021. As of December 31, 2021, \$262,515 of the Organization’s deposits were covered by FDIC insurance and \$478,329 was exposed to custodial risk, as it was not covered by FDIC.

Market Risk – Investments in Marketable Securities

The combined financial statements include investments in equity securities, corporate bonds and mutual funds. The underlying investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the inherent level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the combined financial statements.

Note 3 – Investments

Investments consisted of the following as of December 31:

<u>Investment Type</u>	<u>Measurement Value</u>	<u>Percentage of Portfolio</u>	<u>Level Input</u>
Equity Mutual Funds	\$ 4,367,643	59.7%	1
Bond Mutual Funds	34,837	0.5%	1
Preferred Stock	1,811,923	24.7%	2
Cash Surrender Value of Life Insurance Policies	1,107,435	15.1%	N/A
Total Investments	<u>\$ 7,321,838</u>		

Note 4 – Capital Assets

Capital assets consisted of the following as of December 31, 2021:

	<u>Balance at 12/31/2020</u>	<u>Additions</u>	<u>Deletions</u>	<u>Balance at 12/31/2021</u>
Non-Depreciable Capital Assets:				
Construction in Progress	\$ 249,043	\$ 34,403	\$ (255,684)	\$ 27,762
Depreciable Capital Assets:				
Machinery and Equipment	3,582,559	270,811	(12,750)	3,840,620
Leasehold Improvements	3,974,576	8,408	-	3,982,984
Capital Assets, at cost	7,806,178	313,622	(268,434)	7,851,366
Less: Accumulated Depreciation	(4,201,896)	(264,244)	12,750	(4,453,390)
Capital Assets, Net	<u>\$ 3,604,282</u>	<u>\$ 49,378</u>	<u>\$ (255,684)</u>	<u>\$ 3,397,976</u>

Depreciation expense was \$264,244 for the year ended December 31, 2021.

Franklin County Stadium, Inc. dba Huntington Park
 and Columbus Baseball Team, Inc. dba Columbus Clippers
 (A Component Unit of Franklin County)

Notes to the Combined Financial Statements
 For the Fiscal Year Ended December 31, 2021

Note 5 – Long-Term Liabilities

Changes to Long-Term Liabilities during the year ended December 31, 2021 were as follows:

	Balance at 12/31/2020	Additions	Deletions	Balance at 12/31/2021	Current Portion
Loan from Franklin County	\$ 750,000	\$ -	\$ (500,000)	\$ 250,000	\$ 250,000
Compensation Agreements	791,456	187,675	-	979,131	24,000
Unearned Sponsorship Revenue	5,222,521	-	(1,233,521)	3,989,000	545,500
Total Long-Term Liabilities	<u>\$ 6,763,977</u>	<u>\$ 187,675</u>	<u>\$ (1,733,521)</u>	<u>\$ 5,218,131</u>	<u>\$ 819,500</u>

Franklin County provided a loan of \$1,000,000 in February 2019 to the Organization for the purchase of new video boards. The interest rate is initially 1.65% for 2019, 2.25% for 2020, and 2.65% for 2021 - 2022. Repayments are due annually in the amounts of \$250,000, starting in February 2019. The payment of \$250,000 for 2020 was deferred due to the COVID-19 pandemic. A total of \$500,000 was paid in 2021 with an outstanding balance of \$250,000 due in 2022.

Note 6 – Lease Obligations

Operating Lease

The Organization leases a ballpark (“Huntington Park”) from the County under an operating lease agreement expiring in December 2033. The terms of the agreement require the Organization to pay an annual rent of \$1 along with additional rent consisting of all expenses incurred in managing and operating the ballpark, and all expenses related to the Huntington Park’s construction and debt service requirements. The Organization may renew the lease under similar terms upon 30 days written notice prior to the end of the lease term for two consecutive ten-year terms. Minimum annual rent payments vary between years as a result of the anticipated debt service payments. Accordingly, rent expense is recognized on a straight-line basis over the lease term.

Future rental payments for each of the next five years and in five year increments thereafter under the non-cancelable operating lease obligation as of December 31, 2021 are as follows:

<u>Years Ended December 31,</u>	<u>Amount</u>
2022	\$2,070,801
2023	2,073,488
2024	2,142,793
2025	2,139,416
2026	2,142,133
2027-2031	10,705,158
2032	2,143,274
	<u>\$23,417,063</u>

Total rent expense was \$2,245,968 for the year ended December 31, 2021.

**Notes to the Combined Financial Statements
For the Fiscal Year Ended December 31, 2021**

Note 7 – Concessions Contracts

The Organization signed a concessions contract with Levy Premium Foodservice (“Levy”), effective January 31, 2014 and was extended for another five years at the end of 2018. It was extended another year because of this lost season to COVID-19. The contract now runs until the end of 2024. Levy made an initial investment of \$750,000 and will make annual sponsorship payments of \$175,000, subject to termination provisions.

The agreement grants Levy the sole and exclusive right to prepare, present, sell, vend and dispense all refreshments within and about Huntington Park. The Organization receives a percentage of Levy’s concessions and catering revenue based on the terms of the agreement.

Note 8 – Player Development Contracts/Baseball Agreement

Major League Baseball did NOT extend the former Player Development Contract system that had been in place with the National Association of Professional Baseball Leagues since 1903. Instead, they let this former contractual agreement expire on September 30, 2020. In its place they have created a new contractual arrangement known as a “Player Development License”; and now have 120 teams signed to participate in this new endeavor (30 Triple-A teams; 30 Double-A teams; and 60 various level Class-A teams). The “PDL”s are created by MLB and then exist between the individual license holder and its Major League partner. In our case, we now have a “PDL” with the Cleveland Guardians for a ten year period through December, 2030. This new license outlines the rules and procedures under how we operate and interact with our MLB partner. The Commissioner of Baseball has been granted more authority over Minor League Baseball than in the past. While our initial agreement is ten years in duration; teams can lose their license in the future by failing to perform under the new rules and guidelines that we must operate under.

Note 9 – COVID-19

The United States and the State of Ohio declared a state of emergency in March of 2020 due to the COVID-19 pandemic. The financial impact of the COVID-19 pandemic and the continuing emergency measures may impact subsequent periods of the Organization. The Organization’s investment portfolio fluctuates with market conditions, and due to market volatility, the amount of gains or losses that will be realized in subsequent periods, if any, cannot be determined. In addition, the impact on the Organization’s future operating costs, revenues, and additional recovery from emergency funding, either federal or state, cannot be estimated.

Note 10 – Subsequent Events

The Organization has evaluated subsequent events through the date of the “Independent Auditors Report,” the date on which the combined financial statements were available to be issued.

FRANKLIN COUNTY, OHIO
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED DECEMBER 31, 2021**

NOTE 1: BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) includes the federal award activity of the Columbus Baseball Team, Inc., under programs of the federal government for the year ended December 31, 2021. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Columbus Baseball Team, Inc., it is not intended to and does not present the financial position, changes in net position, or cash flows of the Columbus Baseball Team, Inc.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the cash basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 3: INDIRECT COST RATE

The Columbus Baseball Team, Inc. has elected not to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Trustees
Franklin County Stadium, Inc. dba Huntington Park and
Columbus Baseball Team, Inc. dba Columbus Clippers
Columbus, Ohio

The Honorable Keith Faber
Auditor of State
State of Ohio

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the combined financial statements of Franklin County Stadium, Inc. dba Huntington Park and Columbus Baseball Team, Inc. dba Columbus Clippers (collectively referred to as the “Organization”), a component unit of Franklin County, Ohio, which comprise the combined statement of net position as of December 31, 2021, and the related combined statements of revenues, expenses, and changes in net position, and cash flows for the year then ended, and the related notes to the financial statements, which collectively comprise the Organization’s basic financial statements, and have issued our report thereon dated April 15, 2022, wherein we noted the financial impact of COVID-19 and the continuing emergency measures may impact subsequent periods of the Organization.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization’s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization’s financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND
ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE
UNIFORM GUIDANCE**

To the Board of Trustees
Franklin County Stadium, Inc. dba Huntington Park and
Columbus Baseball Team, Inc. dba Columbus Clippers
Columbus, Ohio

The Honorable Keith Faber
Auditor of State
State of Ohio

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the Franklin County Stadium, Inc. dba Huntington Park and Columbus Baseball Team, Inc. dba Columbus Clippers (collectively referred to as the “Organization”) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on the Organization’s major federal program for the year ended December 31, 2021. The Organization’s major federal program is identified in the summary of auditor’s results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2021.

Basis for Opinion on Each Major Federal Program

We conducted an audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor’s Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization, and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization’s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements to the Organization’s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
