BASIC AUDIT REPORT

Community Improvement Corporation of Wilmington
Clinton County
Wilmington, Ohio 45177

We have completed certain procedures in accordance with Ohio Rev. Code Section 117.01(G) to the accounting records and related documents of the Community Improvement Corporation of Wilmington, Clinton County, (the Corporation) for the years ended December 31, 2020 and 2019.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code Section 117.11(A). Because our procedures were not designed to opine on the Corporation's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the Corporation's financial statements, transactions or balances for the years ended December 31, 2020 and 2019.

The Corporation's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code Section 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found the following significant compliance issue to report.

Current Year Observations

1. **Ohio Rev. Code § 149.43(E)(2)** requires all public offices take certain actions with regard to their public record policy. Public offices must distribute their Public Records Policy to the employee who is the records custodian/manager or otherwise has custody of the records of that office and have that employee acknowledge receipt of the Public Records Policy; create and display in a conspicuous place in all locations where the public office has branch offices a poster describing the public records policy; and, if the public office has a manual or handbook of its general policies and procedures for all employees, include the public records policy in that manual or handbook.

The Corporation has no formal written policy that would demonstrate compliance with the Ohio Revised Code. This could result in records requests not being fulfilled in accordance with Ohio law.

The Corporation shall establish a public records policy. The policy shall be distributed to the records custodian/manager and the Corporation should have a written acknowledgement of receipt from the records custodian/manager. In addition, a poster describing the public records policy must be conspicuously displayed in all of the Corporation's branch offices and the public records policy must be included in policy manuals or handbooks if any exist.

Pursuant to Ohio Rev. Code § 109.43(E)(2), the Ohio Attorney General has developed and provided to all public offices a model public records policy for responding to public records requests. The policy, which is available at <https://www.ohioattorneygeneral.gov/Files/Government-Entities/Model-Public-Records-Policy.aspx>, provides guidance to public offices in developing their own policies for responding to public records requests in compliance with the Public Records Act.

Current Status of Matters Reported in our Prior Engagement

2. In addition to the matter reported above, our prior audit for the years ended December 31, 2018 and 2017 included an observation that the Corporation filed its 2017 HINKLE filing after the due date. This problem was corrected and all subsequent HINKLE filings were completed before the due date.
