# INDEPENDENT AUDITOR'S REPORT

Gallia County Family and Children First Council Gallia County P.O. Box 514 53 Shawnee Lane Gallipolis, Ohio 45631

To the Council:

## Report on the Financial Statements

We have audited the accompanying financial statements of the cash balances, receipts and disbursements for each governmental fund type as of and for the year ended December 31, 2020 and for each governmental fund type as of and for the year ended December 31, 2019, and related notes of the Gallia County Family and Children First Council, Gallia County, Ohio (the Council).

### Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with the financial reporting provisions Ohio Revised Code § 117.38 and Ohio Administrative Code § 117-2-03(D) permit; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Council's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Council's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinions.

Gallia County Family and Children First Council Gallia County Independent Auditor's Report Page 2

### Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the financial statements, the Council prepared these financial statements using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code § 117.38 and Ohio Administrative Code § 117-2-03(D), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements.

Although the effects on the financial statements of the variances between the regulatory accounting basis and GAAP are not reasonably determinable, we presume they are material.

Though the Council does not intend these statements to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code § 117.38 and Ohio Administrative Code § 117-2-03(D) permit. Our opinion on this accounting basis is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

### Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Council, as of December 31, 2020 and 2019, and the respective changes in financial position thereof for the year then ended.

## **Opinion on Regulatory Basis of Accounting**

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements for each governmental fund type as of and for the year ended December 31, 2020 and for each governmental fund type as of and for the year ended December 31, 2019, and related notes of the Council, in accordance with the financial reporting provisions Ohio Revised Code § 117.38 and Ohio Administrative Code § 117-2-03(D) permit, described in Note 2.

### **Emphasis of Matter**

As discussed in Note 10 to the 2020 financial statements, the financial impact of COVID-19 and the continuing emergency measures may impact subsequent periods of the Council. We did not modify our opinion regarding this matter.

Gallia County Family and Children First Council Gallia County Independent Auditor's Report Page 3

### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 17, 2021, on our consideration of the Council's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Council's internal control over financial reporting and compliance.

## Note 1 – Reporting Entity

Ohio Revised Code § 121.37 created the Ohio Family and Children First Cabinet Council and required each Board of County Commissioners to establish a County Family and Children First Council. Statutory membership of County Council consists of the following individuals:

- 1. At least three individuals representing the interest of families in the County. Where possible, the number of members representing families shall be equal to twenty percent of the Council's remaining membership;
- 2. The Director of the Board of Alcohol, Drug Addiction, and Mental Health Services that serves the County, or, in the case of a County that has a Board of Alcohol and Drug Addiction Services and a Community Mental Health Board, the Directors of both Boards. If a Board of Alcohol, Drug Addition, and Mental Health Services covers more than one County, the Director may designate a person to participate on the County's Council;
- 3. The Health Commissioner, or the Commissioner's designee, of the Board of Health of each City or General Health District in the County. If the County has two or more health districts, the Health Commissioner membership may be limited to the Commissioners of the two districts with the largest populations;
- 4. The Director of the County Department of Job and Family Services;
- 5. The Executive Director of the public children services agency or the County agency responsible for the administration of children services pursuant to the Ohio Revised Code § 5153.15;
- 6. The Superintendent of the County Board of Developmental Disabilities or if the Superintendent serves as Superintendent as more than one County Board of Developmental Disabilities, the Superintendent's designee;
- 7. The Superintendent of the city, exempted village, or local school district with the largest number of pupils residing in the County, as determined by the Ohio Department of Education, which shall notify each County of its determination at least biennially;
- 8. A School Superintendent representing all other school districts with territory in the County, as designated at a biennial meeting of the superintendents of those districts;
- 9. A representative of the municipal corporation with the largest population in the County;
- 10. The President of the Board of County Commissioners or an individual designated by the Board;
- 11. A representative of the regional office of the Ohio Department of Youth Services;
- 12. A representative of the County's Head Start agencies, as defined in Ohio Revised Code § 3301.32;

# Note 1 – Reporting Entity (Continued)

- 13. A representative of the County's Early Intervention collaborative established pursuant to the federal early intervention program operated under the "Individuals with Disabilities Education Act of 2004"; and
- 14. A representative of a local nonprofit entity that funds, advocates, or provides services to children and families.

A County Family and Children First Council may invite any other local public or private agency or group that funds, advocates, or provides services to children to have a representative become a permanent or temporary member of the Council.

The purpose of the County Council is to streamline and coordinate existing government services for families seeking services for their children. In seeking to fulfill its purpose, a County Council shall provide for the following:

- 1. Referrals to the Cabinet Council of those children for whom the County Council cannot provide adequate services;
- 2. Development and implementation of a process that annually evaluates and prioritizes services, fills service gaps where possible, and invents new approaches to achieve better results for families and children;
- 3. Participation in the development of a countywide, comprehensive, coordinated, multi-disciplinary interagency system for infants and toddlers with developmental disabilities or delays and their families, as established pursuant to federal grants received and administered by the Department of Health for early intervention services under the "Individuals with Disabilities Education Act of 2004";
- 4. Maintenance of an accountability system to monitor the County Council's progress in achieving results for families and children; and
- 5. Establishment of a mechanism to ensure ongoing input from a broad representation of families who are receiving services within the County system.

The Council's management believes these financial statements present all activities for which the Council is financially accountable.

# Note 2 – Summary of Significant Accounting Policies

## **Basis of Presentation**

The Council's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis).

# **Fund** Accounting

The Council uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Council are presented below:

*General Fund* The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Council for any purpose provided it is expended or transferred according to the general laws of Ohio.

*Special Revenue Funds* These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Council had the following significant Special Revenue Fund:

*Help Me Grow Grant Fund* This fund receives state and federal grant monies restricted for the purpose of the grant provisions.

## Administrative/Fiscal Agent

Ohio Revised Code § 121.37(B)(5)(a) requires the Council to select an administrative agent to provide fiscal and administrative services to the Council. The Council selected the Gallia-Jackson-Meigs Board of Alcohol, Drug Addiction and Mental Health Services (ADAMHS) as the administrative agent. The Council authorizes Gallia-Jackson-Meigs Board of ADAMHS, as fiscal agent and administrative agent, to subcontract with, designate, and/or seek assistance from any agencies and/or organizations that it deems necessary in order to complete the obligations set forth in the agreement. The Gallia-Jackson-Meigs Board of ADAMHS agrees to be ultimately responsible for fulfilling the fiscal and administrative obligations of the agreement.

## **Basis of Accounting**

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code § 117.38 and Ohio Administrative Code § 117-2-03 (D). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code § 117.38 and Ohio Administrative Code § 117-2-03(D) permit.

# Note 2 – Summary of Significant Accounting Policies (Continued)

## **Budgetary Process**

A Family and Children First Council established under Ohio Revised Code § 121.37 is not a taxing authority and is not subject to Ohio Revised Code Chapter 5705. As of October 1, 1997, all Family and Children First Councils are required to file an annual budget with its administrative agent. A fiscal year budget is given to the council, voted on, and accepted. That budget is then given to the Gallia-Jackson-Meigs Board of ADAMHS to incorporate into their budget that is filed with an estimate of financial resources and appropriation measure with the Gallia County Auditor as required by Ohio law.

A summary of 2020 budgetary activity appears in Note 3

## **Deposits and Investments**

The Council designated the Gallia-Jackson-Meigs Board of ADAMHS as the fiscal agent for all funds received in the name of the Council. Deposits of monies are made with the Gallia County Treasurer and fund expenditures and balances are reported through the Gallia County Auditor. Deposits and investments are made in accordance with the Ohio Revised Code and are valued at the fiscal agent's carrying amount.

## Capital Assets

The Council records disbursements for acquisitions of property, plant and equipment when paid. The accompanying financial statements do not report these items as assets.

## Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

## Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Council must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

*Nonspendable* The Council classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

**Restricted** Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

**Committed** The Council can *commit* amounts via formal action (resolution). The Council must adhere to these commitments unless the Council amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

## Note 2 – Summary of Significant Accounting Policies (Continued)

*Assigned* Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. For regulatory purposes, assigned fund balance in the general fund is limited to encumbrances outstanding at year end.

**Unassigned** Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is only used to report a deficit fund balance.

The Council applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

For regulatory purposes, limited disclosure related to fund balance is included in Note 8.

Total	\$240,507	\$286,710	(\$46,203)

Budgetary activity for the year ending December 31, 2020, follows:

### Note 4 – Deposits and Investments

The Gallia-Jackson-Meigs Board of ADAMHS, as fiscal agent for the Council, maintains a cash and investments pool used by all of the Gallia-Jackson-Meigs Board of ADAMHA/Gallia County funds, including those of the Council. The Ohio Revised Code prescribes allowable deposits and investments and the Gallia County Treasurer is responsible for compliance. The carrying amount of deposits and investments at December 31 was \$151,390.

This fiscal agent is responsible for maintaining adequate depository collateral for all funds in the fiscal agent's pooled and deposit accounts. All risks associated with the above deposits are the responsibility of the fiscal agent.

## Note 5 – Risk Management

### **Commercial Insurance**

Insurance is carried through the Gallia-Jackson-Meigs Board of ADAMHS and it has obtained commercial insurance for the following risks:

- Comprehensive property and general liability and
- Errors and omissions.

## Note 6 – Defined Benefit Pension Plans

The Council's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement health care and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2020, OPERS members contributed 10 percent of their gross salaries, and the Council contributed an amount equaling 14 percent of participants' gross salaries. The Council has paid all contributions required through December 31, 2020.

## Note 7 – Postemployment Benefits

OPERS offers cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, and deposits to a Health Reimbursement Arrangement, to qualifying benefit recipients. The portion of employer contributions allocated to health care for OPERS members in the traditional pension plan and combined plan was 0 percent during calendar year 2020. The portion of employer contributions allocated to health care for OPERS members in the member-directed plan was 4.0 percent during calendar year 2020.

## **Note 8 – Contingent Liabilities**

Amounts grantor agencies pay to the Council are subject to audit and adjustment by the grantor, principally the federal government. The grantor may require refunding any disallowed costs. Management cannot presently determine amounts grantors may disallow. However, based on prior experience, management believes any refunds would be immaterial.

### Note 9 - Fund Balances

Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilities effective cash planning and control. At year end the balances of these amounts were as follows:

Fund Balances	Special General Revenue Total			
Outstanding Encumbrances	28,569	13,817	42,386	
Total	\$28,569	\$13,817	\$42,386	

The fund balance of special revenue funds is either restricted or committed. These restricted or committed amounts in the special revenue funds would including the outstanding encumbrances. In the general fund, outstanding encumbrances are considered assigned.

## Note 10 – COVID-19

The United States and the State of Ohio declared a state of emergency in March of 2020 due to the COVID-19 pandemic. Ohio's state of emergency ended in June, 2021 while the national state of emergency continues. The financial impact of COVID-19 and the continuing emergency measures may impact subsequent periods of the Council. The impact on the Council's future operating costs, revenues, and additional recovery from emergency funding, either federal or state, cannot be estimated. This page intentionally left blank.

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

## Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Council must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

*Nonspendable* The Council classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

**Restricted** Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

**Committed** The Council can *commit* amounts via formal action (resolution). The Council must adhere to these commitments unless the Council amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

# Note 2 – Summary of Significant Accounting Policies (Continued)

*Assigned* Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. For regulatory purposes, assigned fund balance in the general fund is limited to encumbrances outstanding at year end.

**Unassigned** Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is only used to report a deficit fund balance.

The Council applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

The Ohio Revised Code prescribes allowable deposits and investments and the Gallia County Treasurer is responsible for compliance. The carrying amount of deposits and investments at December 31 was \$47,722.

## Note 5 – Risk Management

### **Commercial Insurance**

## Note 6 – Defined Benefit Pension Plans

The Council's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement health care and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2019, OPERS members contributed 10 percent of their gross salaries, and the Council contributed an amount equaling 14 percent of participants' gross salaries. The Council has paid all contributions required through December 31, 2019.

## Note 7 – Postemployment Benefits

OPERS offers cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, and deposits to a Health Reimbursement Arrangement, to qualifying benefit recipients. # **Note 8 – Contingent Liabilities**

Amounts grantor agencies pay to the Council are subject to audit and adjustment by the grantor, principally the federal government. The grantor may require refunding any disallowed costs. Management cannot presently determine amounts grantors may disallow. However, based on prior experience, management believes any refunds would be immaterial.

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Gallia County Family and Children First Council Gallia County P.O. Box 514 53 Shawnee Lane Gallipolis, Ohio 45631

To the Council:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the cash balances, receipts, and disbursements for each governmental fund type as of and for the year ended December 31, 2020 and for each governmental fund type as of and for the year ended December 31, 2020 and for each governmental fund type as of and for the year ended December 31, 2019, and related notes of the Gallia County Family and Children First Council, Gallia County, Ohio (the Council), and have issued our report thereon dated December 17, 2021, wherein we noted the Council followed financial reporting provisions Ohio Rev. Code § 117.38 and Ohio Admin. Code 117-2-03(D) permit. We also noted the financial impact of COVID-19 and the continuing emergency measures which may impact subsequent periods of the Council.

## Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the Council's internal control over financial reporting (internal control) as a basis for designing audit procedures appropriate in the circumstances to the extent necessary to support our opinions on the financial statements, but not to the extent necessary to opine on the effectiveness of the Council's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Council's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

### **Compliance and Other Matters**

As part of reasonably assuring whether the Council's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the financial statements. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

### Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Council's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Council's internal control and compliance. Accordingly, this report is not suitable for any other purpose.
