BASIC AUDIT REPORT

Fort Recovery Public Library
Mercer County
PO Box 309
Fort Recovery, Ohio 45846

We have completed certain procedures in accordance with Ohio Rev. Code Section 117.01(G) to the accounting records and related documents of the Fort Recovery Public Library, Mercer County, (the Library) for the years ended December 31, 2021 and 2020.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code Section 117.11(A). Because our procedures were not designed to opine on the Library's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the Library's financial statements, transactions or balances for the years ended December 31, 2021 and 2020.

The Library's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code Section 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found the following significant compliance or accounting issues to report.

Current Year Observations

Ohio Rev. Code § 149.43(E)(2) states, in part, the public office shall distribute the public records policy adopted by the public office under this division to the employee of the public office who is the records custodian or records manager or otherwise has custody of the records of that office. The public office shall require that employee to acknowledge receipt of the copy of the public records policy. The Library could not provide written evidence of the public records policy being provided to the Library's records custodian. Failure by the Library to have the records custodian acknowledge receipt of the public records policy could lead to a lack of understanding of the Library's public records policy. The Library should establish and implement procedures to verify that an acknowledgement form is obtained from the records custodians of the Library as evidence that the public records policy has been received. If the Library's records custodians change, the Library should determine that this acknowledgement is obtained from any new records custodian or new public records policy.
