GRANDVIEW HEIGHTS PUBLIC LIBRARY FRANKLIN COUNTY, OHIO

REGULAR AUDIT

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

88 East Broad Street Columbus, Ohio 43215 IPAReport@ohioauditor.gov (800) 282-0370

Board of Trustees Grandview Heights Public Library 1685 West First Avenue Columbus, Ohio 43212

We have reviewed the *Independent Auditor's Report* of the Grandview Heights Public Library, Franklin County, prepared by Charles E. Harris & Associates, Inc., for the audit period January 1, 2020 through December 31, 2021. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Grandview Heights Public Library is responsible for compliance with these laws and regulations.

Keith Faber Auditor of State Columbus, Ohio

INDEPENDENT AUDITOR'S REPORT

Grandview Heights Public Library Franklin County 1685 West First Avenue Columbus, Ohio 43212

To the Board of Trustees:

Report on the Audit of the Financial Statements

Unmodified and Adverse Opinions

We have audited the financial statements of the Grandview Heights Public Library, Franklin County, Ohio (the Library), which comprises the cash balances, receipts and disbursements for each governmental fund type and the fiduciary fund type as of and for the year ended December 31, 2021, and the related notes to the financial statements.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements for each governmental fund type and the fiduciary fund type as of and for the year ended December 31, 2021, and the related notes to the financial statements, in accordance with the financial reporting provisions which Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit, described in Note 2.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* section of our report, the accompanying financial statements do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Library, as of December 31, 2021, or the changes in financial position thereof for the year then ended.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Library, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the financial statements, the financial statements are prepared by the Library on the basis of the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 2 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

Grandview Heights Public Library Franklin County Independent Auditor's Report Page 2

Emphasis of Matter

As discussed in Note 13 to the financial statements, the financial impact of COVID-19 and the ensuing emergency measures will impact subsequent periods of the Library. We did not modify our opinions regarding this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Library's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
 include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
 statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Library's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
 raise substantial doubt about the Library's ability to continue as a going concern for a reasonable
 period of time.

Grandview Heights Public Library Franklin County Independent Auditor's Report Page 3

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 13, 2022, on our consideration of the Library's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Library's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Library's internal control over financial reporting and compliance.

Franklin County
Notes to the Financial Statements
For the Year Ended December 31, 2021

Note 1 - Reporting Entity

The Grandview Heights Public Library (the Library), Franklin County, is a body politic and corporate established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Library provides the community with various educational and literary resources. The Board of Education of the Grandview Heights City School District appoints a seven-member Board of Trustees to govern the Library. Appointments are for seven-year terms and members serve without compensation.

The Library is fiscally independent of the Board of Education, although the Board of Education serves in a ministerial capacity as the taxing authority for the Library. The determination to request approval of a tax levy, the role and purpose of the levy, are discretionary decisions made solely by the Board of Library Trustees. Once those decisions are made, the Board of Education must put the levy on the ballot.

Component units are legally separate organizations for which the Library is financially accountable. The Library is financially accountable for an organization if the Library appoints a voting majority of the organization's governing board and (1) the Library is able to significantly influence the programs or services performed or provided by the organization; or (2) the Library is legally entitled to or can otherwise access the organization's resources; the Library is legally obligated or has otherwise assumed the responsibility to finance the deficits of, or provide financial support to, the organization; or the Library is obligated for the debt of the organization. The Library is also financially accountable for any organizations for which the Library approves the budget, the issuance of debt or the levying of taxes. Component units also include legally separate, tax-exempt entities whose resources are for the direct benefit of the Library, are accessible to the Library and are significant in the amount to the Library.

The Library is the sole beneficiary of an endowment fund from the Grandview Heights Public Library Foundation (the Foundation). The Foundation is a legally separate, not-for-profit 501(c)(3), served by a Board of Trustees appointed by the Foundation Board. Since the Library is the sole beneficiary of the resources of the Foundation, it is considered a component unit of the Library. Under the regulatory basis of accounting, the Foundation's financial activity is not required to be presented with the Library's financial statements. Financial information for the Foundation can be obtained from The Columbus Foundation, 1234 East Broad Street, Columbus, Ohio 43205-1453.

Joint Ventures

A joint venture is a legal entity or other organization that results from a contractual arrangement and that is owned, operated, or governed by two or more participants as a separate and specific activity subject to joint control, in which the participants retain (a) an ongoing financial interest or (b) an ongoing financial responsibility. The Library is a member of the Central Library Consortium (the CLC), a joint venture to provide reduced costs to the individual members through collective efforts and resource sharing. The Library is the administrative and fiscal agent for the CLC. The Library is also a member of the Digital Downloads Collaboration (DDC), a joint venture to provide a shared electronic digital collection of eBook and eAudio services and content to the customers of the participating library districts. The CLC and DDC are further discussed in Note 11.

The Library's management believes these financial statements present all activities for which the Library is financially accountable.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The Library's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types, and a combined statement of additions, deductions and changes in fund balances (regulatory cash basis) for custodial fund types which are organized on a fund type basis.

Franklin County
Notes to the Financial Statements
For the Year Ended December 31, 2021

Note 2 - Summary of Significant Accounting Policies (Continued

Fund Accounting

The Library uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Library are presented below:

General Fund The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Library for any purpose provided it is expended or transferred according to the general laws of Ohio.

Capital Project Funds These funds account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets. The Library has the following significant capital project fund:

Building Fund The building fund accounts for and reports building improvement and repair projects.

Fiduciary Funds Fiduciary funds include custodial funds. Custodial funds are purely custodial in nature and are used to report fiduciary activity that is not required to be reported in a trust fund. The Library's custodial fund accounts for the Central Library Consortium (the CLC). This custodial fund receives fees from consortium members to finance operating expenditures of the CLC.

Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C) permit.

Budgetary Process

The Board must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end. Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the object level of control for the General Fund, and the fund level for the Building Fund and the Central Library Consortium Custodial Fund.

A summary of 2021 budgetary activity appears in Note 3.

Deposits and Investments

The Library's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

Investment in STAR Ohio is measured at the net asset value (NAV) per share provided by STAR Ohio. The NAV per share is calculated on an amortized cost basis that provides an NAV per share that approximates fair value.

Franklin County Notes to the Financial Statements For the Year Ended December 31, 2021

Note 2 - Summary of Significant Accounting Policies (Continued)

Capital Assets

The Library records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Library must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

Nonspendable The Library classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

Restricted Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

Committed The Board of Trustees can *commit* amounts via formal action (resolution). The Library must adhere to these commitments unless the Board amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. For regulatory purposes, assigned fund balance in the general fund is limited to encumbrances outstanding at year end.

Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Library applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

For regulatory purposes, limited disclosure related to fund balance is included in Note 12.

Franklin County
Notes to the Financial Statements
For the Year Ended December 31, 2021

Note 3 - Budgetary Activity

Budgetary activity for the year ending 2021 follows:

2021 Budgeted vs. Actual Receipts

2021 Bungetta (B. Hettaal Heetelpts						
	Budgeted	Actual				
Fund Type	Receipts	Receipts	Variance			
General	\$3,665,997	\$3,665,148	(\$849)			
Capital Project	315,000	315,000	_			
Custodial	1,750,159	1,750,167	8			

2021 Budgeted vs. Actual Budgetary Basis Disbursements

	Appropriation	Budgetary	
Fund Type	Authority	Disbursements	Variance
General	\$3,618,361	\$3,323,133	\$295,228
Capital Project	482,370	313,377	168,993
Custodial	2,004,778	1,915,894	88,884

Note 4 – Deposits and Investments

The Library maintains a deposits and investment pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits and investments on December 31 was as follows:

	2021
Demand deposits	\$836,947
Cash on Hand	900
Total deposits	837,847
STAR Ohio	4,327,019
Total investments	4,327,019
Total deposits and investments	\$5,164,866

The Library has a payroll clearing account that is held outside of the deposit pool where gross payroll is held for distribution. The expenditures included in the accompanying financial statements reflect gross payroll. The balance in the Library's payroll clearing account represents unremitted employee payroll withholdings. As of December 31, 2021, \$8,386 of outstanding payroll withholdings remained in the payroll clearing account.

Deposits

Deposits are insured by the Federal Deposit Insurance Corporation; or collateralized through the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution.

Franklin County
Notes to the Financial Statements
For the Year Ended December 31, 2021

Note 4 – Deposits and Investments (Continued)

Investments

Investments in STAR Ohio are not evidenced by securities that exist in physical or book-entry form.

Note 5 – Grants in Aid and Taxes

Grants in Aid

The primary source of revenue for Ohio public libraries is the Public Library Fund (PLF). The State allocates PLF to each county based on the total tax revenue credited to the State's general revenue fund during the preceding month using the statutory allocation method. Estimated entitlement figures were issued to County Auditors. The actual current year entitlements were computed in December of the current year. The difference between the estimate and actual will be adjusted evenly in the PLF distributions made from January-June of the subsequent year. The PLF received 1.70% of the State's total general tax revenue for calendar year 2021.

Property Taxes

Real property taxes become a lien on January 1 preceding the October 1 date for which the taxing authority of the subdivision to whose jurisdiction the Library is subject adopts rates. The State Department of Taxation, Division of Tax Equalization, adjusts these rates for inflation. Property taxes are also reduced for applicable non-business, owner occupancy, and homestead exemption credits and/or homestead and rollback deductions. The financial statements include these credits and/or deduction amounts the State pays as Intergovernmental. Payments are due to the County by January 20. If the property owner elects to pay semiannually, the first half is due January 20 (or the first following business day if 20th falls on a weekend or holiday). The second half payment is due June 20. In 2021, the County extended the first half payment due date to January 29.

Public utilities are also taxed on personal and real property located within the taxing district.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Library.

Note 6 - Risk Management

Workers' Compensation coverage is provided by the State of Ohio. The Library pays the State Workers' Compensation System a premium based on a rate per \$100 of salaries. This rate is calculated based on accident history and administrative costs.

Commercial Insurance

The Library has obtained commercial insurance for the following risks:

- Comprehensive property and general liability;
- Crime;
- Boilers and Machinery;
- Directors and Officers Liability;
- Cyber;
- Vehicles: and
- Errors and omissions.

Franklin County
Notes to the Financial Statements
For the Year Ended December 31, 2021

Note 7 - Defined Benefit Pension Plan

Ohio Public Employees Retirement System

Library employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement health care and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10% of their gross salaries, and the Library contributed an amount equaling 14% of participants' gross salaries. The Library has paid all contributions required through December 31, 2021.

Note 8 - Postemployment Benefits

OPERS offers a cost-sharing, multiple-employer defined benefit postemployment plan, which includes multiple health care plans including medical coverage, prescription drug coverage, and deposits to a Health Reimbursement Arrangement and Medicare Part B premium reimbursements, to qualifying benefit recipients. The portion of employer contributions allocated to health care for members in the traditional pension plan and combined plan was 0% during calendar year 2021. The portion of employer contributions allocated to health care for members in the member-directed plan was 4% during calendar year 2021.

Note 9 – Leases

Office Space Rental – The Library leases office space from the State Library of Ohio for the Central Library Consortium offices. The Library paid \$19,612 for this space rental in 2021.

Postage Meter – The Library leases a postage meter for a total cost of \$720 for the year.

Storage Rental – The Library rents a storage unit for a total cost of \$3,234 in 2021.

Note 10 – Construction and Contractual Commitments

In December 2021, the Library Board of Trustees approved issuing a contract to Veregy/Dynamix Energy Services, to assess the building and prepare a report addressing the existing building systems and conditions, for a contracted amount of \$19,836. Work on the project is expected to be completed in 2022. The Board also approved in December 2021 a contract with WSA Studio (Wandel & Schnell Architects, Inc.) for task order design services for a contracted amount of \$46,130 plus up to \$250 for reimbursable expenses. A report from the architect is expected in 2022.

Note 11– Joint Ventures

The Library is a member of the Central Library Consortium (the CLC). The CLC is a joint venture, as a project of the Grandview Heights Public Library, to provide reduced costs to the individual member libraries through collective efforts and resources sharing.

Franklin County
Notes to the Financial Statements
For the Year Ended December 31, 2021

Note 11– Joint Ventures (Continued)

The CLC commenced on June 13, 1988, to provide integrated library service and facilitate other cooperative projects between public libraries in Central Ohio. The CLC has seventeen-member library systems consisting of the Fairfield County District Library, Grandview Heights Public Library, Pickerington Public Library, Wagnalls Memorial Library, Alexandria Public Library, Pickaway County District Public Library, Marysville Public Library, Plain City Public Library, Columbus Metropolitan Library, Southwest Public Libraries, Worthington Libraries, Upper Arlington Public Library, Bexley Public Library, London Public Library, Delaware County District Library, Granville Public Library, and Pataskala Public Library.

The CLC is governed by a council consisting of one appointed representative by each member library. The Governing Council elects a chair, a vice chair and a secretary. The CLC's financial operations are accounted for in the Custodial Fund of the Grandview Heights Public Library. Members make payments to the CLC in amounts established in the agreements for individual projects undertaken by the CLC.

You can read additional information concerning the CLC on their website: http://www.clcohio.org/

The Library is also a member of the Digital Downloads Collaboration (DDC), a joint venture to provide a shared electronic digital collection of eBook, eMagazines and eAudio services and content to the customers of the participating library districts. The DDC which commenced in 2004, has eighteen library members consisting of the Alexandria Public Library, Bexley Public Library, Columbus Metropolitan Library, Fairfield County District Library, Grandview Heights Public Library, Granville Public Library, Greene County Public Library, London Public Library, Marysville Public Library, Pickaway County District Public Library, Pickerington Public Library, Plain City Public Library, Southwest Public Library, Washington-Centerville Public Library, and Worthington Libraries. The DDC's financial operations are the responsibility of the Columbus Metropolitan Library. Each member makes payment to the DDC in the amount established in the agreement.

Additional information about the Digital Downloads Collaboration is available at their website: https://clc.overdrive.com/

Note 12 - Fund Balances

Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. At year end, the balances of these amounts were as follows:

	Capital			
Fund Balances	General	Projects	Total	
Assigned:				
Outstanding Encumbrances	\$64,812	\$66,216	\$131,028	
Total	\$64,812	\$66,216	\$131,028	

The fund balance of capital projects is restricted, committed, or assigned. These restricted, committed, and assigned amounts in the capital projects fund include the outstanding encumbrances. In the general fund, outstanding encumbrances are considered assigned.

Franklin County
Notes to the Financial Statements
For the Year Ended December 31, 2021

Note 13 – COVID-19

The United States and the State of Ohio declared a state of emergency in March of 2020 due to the COVID-19 pandemic. Ohio's state of emergency ended in June 2021, which the national state of emergency continues. The financial impact of COVID-19 and the continuing emergency measures will impact subsequent periods of the Library. The impact on the Library's future operating costs, revenues, and additional recovery from emergency funding, either federal or state cannot be estimated. The Library's investment portfolio fluctuates with market conditions, and due to market volatility, the amount of gains or losses that will be realized in subsequent period, if any, cannot be determined.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Grandview Heights Public Library Franklin County 1685 West First Avenue Columbus, Ohio 43212

To the Board of Trustees:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the cash balances, receipts, and disbursements for each governmental fund type and fiduciary fund type as of and for the year ended December 31, 2021, and the related notes to the financial statements of the Grandview Heights Public Library, Franklin County, (the Library) and have issued our report thereon dated May 13, 2022, wherein we noted that the Library followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit. We also noted the financial impact of COVID-19 and the ensuing emergency measures will impact subsequent periods of the Library.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Library's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purposes of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Library's internal control. Accordingly, we do not express an opinion on the effectiveness of the Library's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Library's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Grandview Heights Public Library
Franklin County
Independent Auditor's Report on Internal Control Over
Financial Reporting and on Compliance and Other Matters
Required by Government Auditing Standards
Page 2

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Library's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Library's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Library's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT

Grandview Heights Public Library Franklin County 1685 West First Avenue Columbus, Ohio 43212

To the Board of Trustees:

Report on the Financial Statements

We have audited the accompanying financial statements of the cash balances, receipts, and disbursements for each governmental fund type and the fiduciary fund type as of and for the year ended December 31, 2020, and related notes of the Grandview Heights Public Library, Franklin County, (the Library).

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Library's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Library's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Grandview Heights Public Library Franklin County Independent Auditor's Report Page 2

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the financial statements, the Library prepared these financial statements using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements.

Although the effects on the financial statements of the variances between the regulatory accounting basis and GAAP are not reasonably determined, we presume they are material.

Though the Library does not intend these statements to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit. Our opinion on this accounting basis is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Library as of December 31, 2020, and the changes in financial position for the year then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash balances, receipts, and disbursements for each governmental fund type and the fiduciary fund type as of and for the year ended December 31, 2020, and the related notes of the Library, in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit, described in Note 2.

Emphasis of Matter

As discussed in Note 13 to the financial statements, the financial impact of COVID-19 and the ensuing emergency measures will impact subsequent periods of the Library. As discussed in Note 12 to the financial statements, the Library made changes to its cash basis reporting model. We did not modify our opinions regarding these matters.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 13, 2022, on our consideration of the Library's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the Library's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Library's internal control over financial reporting and compliance.

Franklin County
Notes to the Financial Statements
For the Year Ended December 31, 2020

Note 1 - Reporting Entity

The Grandview Heights Public Library (the Library), Franklin County, is a body politic and corporate established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Library provides the community with various educational and literary resources. The Board of Education of the Grandview Heights City School District appoints a seven-member Board of Trustees to govern the Library. Appointments are for seven-year terms and members serve without compensation.

The Library is fiscally independent of the Board of Education, although the Board of Education serves in a ministerial capacity as the taxing authority for the Library. The determination to request approval of a tax levy, the role and purpose of the levy, are discretionary decisions made solely by the Board of Library Trustees. Once those decisions are made, the Board of Education must put the levy on the ballot.

Component units are legally separate organizations for which the Library is financially accountable. The Library is financially accountable for an organization if the Library appoints a voting majority of the organization's governing board and (1) the Library is able to significantly influence the programs or services performed or provided by the organization; or (2) the Library is legally entitled to or can otherwise access the organization's resources; the Library is legally obligated or has otherwise assumed the responsibility to finance the deficits of, or provide financial support to, the organization; or the Library is obligated for the debt of the organization. The Library is also financially accountable for any organizations for which the Library approves the budget, the issuance of debt or the levying of taxes. Component units also include legally separate, tax-exempt entities whose resources are for the direct benefit of the Library, are accessible to the Library and are significant in the amount to the Library.

The Library is the sole beneficiary of an endowment fund from the Grandview Heights Public Library Foundation (the Foundation). The Foundation is a legally separate, not-for-profit 501(c)(3), served by a Board of Trustees appointed by the Foundation Board. Since the Library is the sole beneficiary of the resources of the Foundation, it is considered a component unit of the Library. Under the regulatory basis of accounting, the Foundation's financial activity is not required to be presented with the Library's financial statements. Financial information for the Foundation can be obtained from The Columbus Foundation, 1234 East Broad Street, Columbus, Ohio 43205-1453.

Joint Ventures

A joint venture is a legal entity or other organization that results from a contractual arrangement and that is owned, operated, or governed by two or more participants as a separate and specific activity subject to joint control, in which the participants retain (a) an ongoing financial interest or (b) an ongoing financial responsibility. The Library is a member of the Central Library Consortium (the CLC), a joint venture to provide reduced costs to the individual members through collective efforts and resource sharing. The Library is the administrative and fiscal agent for the CLC. The Library is also a member of the Digital Downloads Collaboration (DDC), a joint venture to provide a shared electronic digital collection of eBook and eAudio services and content to the customers of the participating library districts. The CLC and DDC are further discussed in Note 10.

The Library's management believes these financial statements present all activities for which the Library is financially accountable.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The Library's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types, and a combined statement of additions, deductions and changes in fund balances (regulatory cash basis) for custodial fund types which are organized on a fund type basis.

Franklin County
Notes to the Financial Statements
For the Year Ended December 31, 2020

Note 2 - Summary of Significant Accounting Policies (Continued)

Fund Accounting

The Library uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Library are presented below:

General Fund The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Library for any purpose provided it is expended or transferred according to the general laws of Ohio.

Special Revenue Funds These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Library had the following significant Special Revenue Fund:

Coronavirus Relief Fund Grant Fund This fund accounts for and reports the Coronavirus Relief Fund Grant monies.

Capital Project Funds These funds account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets. The Library has the following significant capital project fund:

Building Fund The building fund accounts for and reports building improvement and repair projects.

Fiduciary Funds Fiduciary funds include custodial funds. Custodial funds are purely custodial in nature and are used to report fiduciary activity that is not required to be reported in a trust fund. The Library's custodial fund accounts for the Central Library Consortium (the CLC). This custodial fund receives fees from consortium members to finance operating expenditures of the CLC.

Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C) permit.

Budgetary Process

The Board must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end. Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the object level of control for the General Fund, and the fund level for the Building Fund, Coronavirus Relief Fund Grant Fund and the Central Library Consortium Custodial Fund.

A summary of 2020 budgetary activity appears in Note 3.

Franklin County
Notes to the Financial Statements
For the Year Ended December 31, 2020

Note 2 - Summary of Significant Accounting Policies (Continued)

Deposits and Investments

The Library's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

Investment in STAR Ohio is measured at the net asset value (NAV) per share provided by STAR Ohio. The NAV per share is calculated on an amortized cost basis that provides an NAV per share that approximates fair value.

Capital Assets

The Library records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Library must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

Nonspendable The Library classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

Restricted Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

Committed The Board of Trustees can *commit* amounts via formal action (resolution). The Library must adhere to these commitments unless the Board amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. For regulatory purposes, assigned fund balance in the general fund is limited to encumbrances outstanding at year end.

Unassigned Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Library applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

Franklin County
Notes to the Financial Statements
For the Year Ended December 31, 2020

Note 2 - Summary of Significant Accounting Policies (Continued)

For regulatory purposes, limited disclosure related to fund balance is included in Note 11.

Note 3 - Budgetary Activity

Budgetary activity for the year ending 2020 follows:

2020 Budgeted vs. Actual Receipts

	Budgeted	Actual	
Fund Type	Receipts	Receipts	Variance
General	\$3,608,823	\$3,608,367	(\$456)
Special Revenue	25,001	25,001	-
Capital Project	200,000	200,000	-
Custodial	1,697,452	1,697,615	163

2020 Budgeted vs. Actual Budgetary Basis Disbursements

	Appropriation	Budgetary	
Fund Type	Authority	Disbursements	Variance
General	\$3,430,236	\$3,095,579	\$334,657
Special Revenue	25,001	25,001	-
Capital Project	521,259	108,315	412,944
Custodial	1,980,613	1,860,958	119,655

Note 4 – Deposits and Investments

To improve cash management, cash received by the Library is pooled. Monies for all funds are maintained in this pool. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits and investments on December 31 was as follows:

	2020
Demand deposits	\$1,001,627
Cash on Hand	900
Total deposits	1,002,527
STAR Ohio	3,673,335
Total investments	3,673,335
Total deposits and investments	\$4,675,862

The Library has a payroll clearing account that is held outside of the deposit pool where gross payroll is held for distribution. The expenditures included in the accompanying financial statements reflect gross payroll. The balance in the Library's payroll clearing account represents unremitted employee payroll withholdings. As of December 31, 2020, \$7,432 of outstanding payroll withholdings remained in the payroll clearing account.

Franklin County
Notes to the Financial Statements
For the Year Ended December 31, 2020

Note 4 – Deposits and Investments (Continued)

Deposits

Deposits are insured by the Federal Deposit Insurance Corporation; or collateralized through the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution.

Investments

Investments in STAR Ohio are not evidenced by securities that exist in physical or book-entry form.

Note 5 – Grants in Aid and Taxes

Grants in Aid

The primary source of revenue for Ohio public libraries is the Public Library Fund (PLF). The State allocates PLF to each county based on the total tax revenue credited to the State's general revenue fund during the preceding month using the statutory allocation method. Estimated entitlement figures were issued to County Auditors. The actual current year entitlements were computed in December of the current year. The difference between the estimate and actual will be adjusted evenly in the PLF distributions made from January-June of the subsequent year. The PLF received 1.70% of the State's total general tax revenue for calendar year 2020.

In January 2020, the Franklin County Auditor audited the 2019 Public Library Fund (PLF) distribution for each library in Franklin County and discovered a variance with the December 2019 distribution. A correction was made and included with the January 2020 distribution. The Library received an additional \$23,357 on January 15, 2020 that should have been received with the December 2019 distribution. This additional amount for the Public Library Fund is included in the 2020 Annual Financial Report for the Library.

Property Taxes

Real property taxes become a lien on January 1 preceding the October 1 date for which the taxing authority of the subdivision to whose jurisdiction the Library is subject adopts rates. The State Department of Taxation, Division of Tax Equalization, adjusts these rates for inflation. Property taxes are also reduced for applicable non-business, owner occupancy, and homestead exemption credits and/or homestead and rollback deductions. The financial statements include these credits and/or deduction amounts the State pays as Intergovernmental. Payments are due to the County by January 20. If the property owner elects to pay semiannually, the first half is due January 20 (or the first following business day if 20th falls on a weekend or holiday). The second half payment is due June 20. In 2020, due to the COVID-19 pandemic, the County extended the second half payment due date to August 5.

Public utilities are also taxed on personal and real property located within the taxing district.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Library.

Note 6 - Risk Management

Workers' Compensation coverage is provided by the State of Ohio. The Library pays the State Workers' Compensation System a premium based on a rate per \$100 of salaries. This rate is calculated based on accident history and administrative costs.

Franklin County
Notes to the Financial Statements
For the Year Ended December 31, 2020

Note 6 – Risk management (Continued)

Commercial Insurance

The Library has obtained commercial insurance for the following risks:

- Comprehensive property and general liability;
- Crime;
- Boilers and Machinery;
- Directors and Officers Liability;
- Cyber;
- Vehicles: and
- Errors and omissions.

Note 7 - Defined Benefit Pension Plan

Ohio Public Employees Retirement System

The Library's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement health care and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10 percent of their gross salaries, and the Library contributed an amount equaling 14% percent of participants' gross salaries. The Library has paid all contributions required through December 31, 2020.

Note 8 - Postemployment Benefits

OPERS offers a cost-sharing, multiple-employer defined benefit postemployment plan, which includes multiple health care plans including medical coverage, prescription drug coverage, and deposits to a Health Reimbursement Arrangement and Medicare Part B premium reimbursements, to qualifying benefit recipients. The portion of employer contributions allocated to health care for members in the traditional pension plan and combined plan was 0 percent during calendar year 2020. The portion of employer contributions allocated to health care for members in the member-directed plan was 4.0 percent during calendar year 2020.

Note 9 – Construction and Contractual Commitments

The Library Board of Trustees approved issuing a contract to Elite Construction Design Management in 2020 for a drainage improvement project in the amount \$21,514 plus a contingency not to exceed \$2,151. Work on the projected is expected to be completed in 2021. The Board approved issuing a contract to CTL Engineering to provide professional services for the drain project plus a roof/masonry project that was advertised for bids which were opened on December 18, 2020.

Note 10 – Joint Ventures

The Library is a member of the Central Library Consortium (the CLC). The CLC is a joint venture, as a project of the Grandview Heights Public Library, to provide reduced costs to the individual member libraries through collective efforts and resources sharing.

The CLC, which commenced on June 13, 1988, has seventeen members consisting of the Fairfield County District Library, Grandview Heights Public Library, Pickerington Public Library, Wagnalls Memorial Library, Alexandria Public Library, Pickaway County District Public Library, Marysville Public Library, Plain City Public Library, Columbus Metropolitan Library, Southwest Public Libraries,

Franklin County
Notes to the Financial Statements
For the Year Ended December 31, 2020

Note 10 – Joint Ventures (continued)

Worthington Public Libraries, Upper Arlington Public Library, Bexley Public Library, London Public Library, Delaware County District Library, Granville Public Library, and Pataskala Public Library. The CLC is governed by a council consisting of one appointed representative by each member library. The Governing Council elects a chair, a vice chair and a secretary. The CLC's financial operations are accounted for in the Custodial Fund of the Grandview Heights Public Library.

Members make payments to the CLC in amounts established in the agreements for individual projects undertaken by the CLC. The Library has no explicitly or measurable equity interest in the venture. The Library's only ongoing fiscal responsibility to the CLC is for participating projects that have been entered into by the Library.

You can read additional information concerning the CLC on their website: http://www.clcohio.org/

The Library is also a member of the Digital Downloads Collaboration (DDC), a joint venture to provide a shared electronic digital collection of eBook, eMagazines and eAudio services and content to the customers of the participating library districts. The DDC which commenced in 2004, has eighteen library members consisting of the Alexandria Public Library, Bexley Public Library, Columbus Metropolitan Library, Fairfield County District Library, Grandview Heights Public Library, Granville Public Library, Greene County Public Library, London Public Library, Marysville Public Library, Pickaway County District Public Library, Pickerington Public Library, Plain City Public Library, Southwest Public Library, Wagnalis Memorial Library, Washington-Centerville Public Library, and Worthington Public Libraries. The DDC's financial operations are the responsibility of the Columbus Metropolitan Library. Each member makes payment to the DDC in the amount established in the agreement.

Additional information about the Digital Downloads Collaboration is available at their website: https://clc.overdrive.com/

Note 11 - Fund Balances

Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilities effective cash planning and control. At year end, the balances of these amounts were as follows:

Fund Balances	General	Capital Projects	Total
Assigned:			
Outstanding Encumbrances	\$39,436	\$39,986	\$79,422
Total	\$39,436	\$39,986	\$79,422

The fund balance of special revenue funds is either restricted or committed. The fund balance of capital projects funds is restricted, committed, or assigned. These restricted, committed, and assigned amounts in the special revenue and capital projects funds include the outstanding encumbrances. In the general fund, outstanding encumbrances are considered assigned.

Franklin County
Notes to the Financial Statements
For the Year Ended December 31, 2020

Note 12 - Change in Accounting Principle

For 2020, the Library has made changes to their cash basis reporting model. These changes include modifications to the definition of fiduciary funds, adding a separate Combined Statement of Additions, Deductions and Changes in Fund Balances (Regulatory Cash Basis) – All Fiduciary Fund Types and removing the fund balance classifications from the combined statement of receipts, disbursements, and changes in fund balances (regulatory cash basis) – all Governmental Fund Types.

Note 13 – COVID-19

The United States and the State of Ohio declared a state of emergency in March of 2020 due to the COVID-19 pandemic. The financial impact of COVID-19 and the continuing emergency measures will impact subsequent periods of the Library. The Library's investment portfolio fluctuates with market conditions, and due to market volatility, the amount of gains or losses that will be realized in subsequent periods, if any, cannot be determined. In addition, the impact on the Library's future operating costs, revenues, and additional recovery from emergency funding, either federal or state, cannot be estimated.

During 2020, the Library received a \$25,000 Coronavirus Relief Fund Grant, which was a grant from the State of Ohio of Coronavirus Relief Funds received from the Federal Government. These amounts are recorded in the Coronavirus Relief Fund Grant Special Revenue Fund.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Grandview Heights Public Library Franklin County 1685 West First Street Columbus, Ohio 43212

To the Board of Trustees:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the cash balances, receipts, and disbursements for each governmental fund type and the fiduciary fund type as of and for the year ended December 31, 2020, and the related notes of the Grandview Heights Public Library, Franklin County, (the Library) and have issued our report thereon dated May 13, 2022, wherein we noted that the Library followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit. We also noted the financial impact of COVID-19 and the ensuing emergency measures will impact subsequent periods of the Library. In addition, we noted the change in the Library's reporting model for 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Library's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Library's internal control. Accordingly, we do not express an opinion on the effectiveness of the Library's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Library's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Independent Auditor's Report on Internal Control Over
Financial Reporting and on Compliance and Other Matters
Required by *Government Auditing Standards*Page 2

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Library's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Library's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Library's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
