INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Granville Township
Mercer County
141 South Walnut Street
St. Henry, Ohio 45883

We have performed the procedures enumerated below on the Granville Township's (the Township) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2021 and 2020 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2021 and 2020 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2021 and 2020, and certain compliance requirements related to these transactions and balances. Additionally, the Auditor of State has agreed to and acknowledged that the procedures performed are appropriate to meet their purposes. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash

1. We recalculated the December 31, 2021 and December 31, 2020 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2020 beginning fund balances for each fund recorded in the Cash Summary by Fund Report to the December 31, 2019 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2021 beginning fund balances for each fund recorded in the Cash Summary by Fund Report to the December 31, 2020 balances in the Cash Summary by Fund Report. We found no exceptions.
3. We agreed the 2021 and 2020 Bank Reconciliation UAN Balances and Adjusted Bank Balances as of December 31, 2021 and 2020 to the total fund cash balances reported in the Cash Summary by Fund Reports and the financial statements filed by the Township in the Hinkle System. The amounts agreed.
4. We confirmed the December 31, 2021 bank account balance with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2021 bank reconciliation without exception.

5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2021 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. We found no exceptions.

Property Taxes and Intergovernmental Cash Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the Mercer County Auditor Payment Reports for 2021 and a total of five from 2020:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Export Reports. The amounts agreed.
 - b. We inspected the Receipt Export Reports to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Export Reports to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Export Reports to determine whether it included two real estate tax receipts for 2021 and 2020. The Receipt Export Reports included the proper number of tax receipts for each year. We found no exceptions.

Other Receipts

We selected ten other receipts from the year ended December 31, 2021:

- a. Agreed the receipt amount recorded in the Receipt Export Report to supporting documentation. The amounts agreed.
- b. Confirmed the amounts charged complied with rates in force during the period. We found no exceptions.
- c. Inspected the Receipt Export Report to determine the receipt was posted to the proper funds, and was recorded in the proper year. We found no exceptions.

Debt

1. From the prior agreed-upon procedures documentation, we observed the following bond was outstanding as of December 31, 2019. This amount did not agree to the Township's January 1, 2020 balance in the summary we used in procedure 3, as the Township did not prepare the year end summary for 2020.

Issue	Principal outstanding as of December 31, 2019:
2015 Truck Bond	\$14,751

2. We inquired of management, and inspected the Receipt Export Reports and Payment Export Reports for evidence of debt issued during 2021 or 2020 or debt payment activity during 2021 or 2020. All debt agreed to the summary we used in procedure 3 for 2021. The Township did not prepare a summary for 2020.
3. We obtained a summary of bonds debt activity for 2021 and 2020 (none prepared) and agreed principal and interest payments from the related debt amortization schedules to Road and Bridge fund payments reported in the Payment Export Reports. We also compared the date the debt service payments were due to the date the Township made the payments. We found one payment in 2020 was paid after the date due.

Granville Township

 Independent Accountants' Report on Applying Agreed-Upon Procedures

4. We agreed the amount of debt proceeds received for 2021 from the debt documents to amounts recorded in the Road and Bridge fund per the Receipt Export Report. The amounts agreed. The Township did not establish a separate special bond fund (i.e. capital projects fund) as required by Ohio Rev. Code §5705.09(E). The proceeds were recorded in the Road and Bridge fund, which is the fund from which the repayments are being made from.
5. For new debt issued during 2021, we inspected the debt legislation, which stated the Township must use the proceeds to purchase a dump truck. We inspected the Payment Register Detail Reports and observed the Township purchased a dump truck with partial payments in December of 2020 (truck chassis) and February of 2021 (auxiliary equipment).

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2021 and one payroll check for all four employees from 2020 from the Wage Detail Reports and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Reports to supporting documentation (timecard, legislatively or statutorily-approved rate or salary).
 - i. We inspected the employees' personnel files for the Retirement system, Federal, & State income tax withholding authorization.
 - ii. We agreed these items to the information used to compute gross and net pay related to this check.
 The Township was unable to provide Retirement and State withholding authorization forms for one of the five employees. Additionally, for the paychecks we selected, we noted that the Fiscal Officer was undercompensated \$28, and one Trustee was undercompensated \$18 in 2021.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the minute record. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2021 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2021. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare	January 18, 2022	December 31, 2021	\$445	\$445
State income taxes	January 31, 2022	December 31, 2021	\$224	\$224
Ft. Recovery Local Schools	January 31, 2022	December 31, 2021	\$44	\$44
OPERS retirement	January 30, 2022	December 31, 2021	\$1,076	\$1,076

We found no exceptions.

3. For the pay periods ended March 31, 2021 and July 31, 2020 , we
 - a. Recomputed the allocation of the Board's salary amounts to the General, Road and Bridge, and Gasoline Tax Fund per the Wage Detail Reports.
 - b. Traced the Boards' pay for time or services performed to supporting certifications the Revised Code requires.
 We found no exceptions.
4. We compared total gross pay for the fiscal officer and each board member for 2021 and 2020 to the compensation permitted by Ohio Revised Code §§ 507.09 and 505.24, respectively. We found in 2021, the Fiscal Officer was under compensated by \$339 and one of the trustees was under compensated by \$206.

5. We inquired of management and inspected the Payment Export Reports for the years ended December 31, 2021 and 2020 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. Insurance reimbursements made were in compliance with Ohio Rev. Code §§ 505.60, 505.601, 505.602 and 505.603 and federal regulations.

Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Payment Export Reports for the year ended December 31, 2021 and 10 from the year ended 2020 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Export Reports and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found one instance in 2020 where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2021 and 2020 for the General, Motor Vehicle License Tax and Road and Bridge funds as recorded in the Appropriation Status Reports. Expenditures did not exceed appropriations.
2. We inspected interfund transfers from 2021 and 2020 Revenue Status Reports and Appropriation Status Reports for compliance with Ohio Rev. Code §§ 5705.14 - .16. We found no evidence of transfers these Sections prohibit, or for which Ohio Rev. Code § 5705.16 would require approval by the Tax Commissioner.
3. We inspected the Cash Summary by Fund Reports for the years ended December 31, 2021 and 2020 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

Sunshine Law Compliance

1. We obtained and inspected the Township's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.

3. We inquired with Township management and determined that the Township did not have a records retention schedule during the engagement period and therefore could not make it readily available to the public as required by Ohio Rev. Code § 149.43(B)(2).

1. We inspected the Minutes/Payment Export Reports and identified the Township had expenditures subject to competitive bidding. We found no exceptions.

2. We selected one contract over \$50,000 for 2021 and one for 2020 and
 - a. We inspected the contract and other bids for the contracted expenditure and determined:
 - i. The Township accepted the lowest bid or met the joint purchasing contract exemption and met the requirements of Ohio Rev. Code §5549.21.
 - ii. No bid splitting occurred
 - iii. No deliberate attempts to evade bid limitations occurred, such as successive contracts just under the bid amount, occurred.
 - iv. No apparent interest in the contract by a public official occurred.
- We found no exceptions.

Other Compliance

1. Ohio Rev. Code § 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2021 and 2020 in the Hinkle system.
