The Board of Trustees and the management of the District have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the District's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2020 and 2019, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash and Investments

1. We recalculated the December 31, 2020 and December 31, 2019 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2019 beginning fund balance recorded in the Checkbook Summary to the December 31, 2018 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2020 beginning fund balances for each fund recorded in the Checkbook Summary to the December 31, 2019 balances in the Checkbook Summary. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2020 and 2019 fund cash balances reported in the Fund Status Report, Checkbook Summary and the financial statements filed by the District in the Hinkle System. The amounts agreed.

4. We confirmed the December 31, 2020 bank account balance with the District's financial institution. We found no exceptions. We also agreed the confirmed balance to the amount appearing in the December 31, 2020 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2020 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register and determined the debits were dated prior to December 31. There were no exceptions.
6. We inspected investments held at December 31, 2019 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code §§ 135.13, 135.14 or 135.144. We found no exceptions.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2020 and one payroll check for five employees from 2019 from the Employee Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Employee Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary).

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2020 and 2019 for the General fund. We observed no funds for which expenditures exceeded appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2020 and 2019 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.
