## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Millwood Township  
Guernsey County  
P.O. Box 176  
Quaker City, Ohio 43773

We have performed the procedures enumerated below on Millwood Township's, Guernsey County, Ohio (the Township), receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2021 and 2020 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2021 and 2020 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2021 and 2020, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

### Cash

1. We recalculated the December 31, 2021 and December 31, 2020 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2020 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2019 balances in the documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2021 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2020 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the 2021 and 2020 Bank Reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2021 and 2020 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.

**Cash (Continued)**

4. We confirmed the December 31, 2021 bank account balance with the Township's financial institution. We found no exceptions. We also agreed the confirmed balance to the amount appearing in the December 31, 2021 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2021 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. We found no exceptions.

**Property Taxes and Intergovernmental Receipts**

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, *State Distribution Transaction Lists (DTL)*, and the *Guernsey County Transaction History Report* for 2021 and a total of five from 2020:
  - a. We compared the amount from the above named reports to the amount recorded in the *Receipt Detail Report*. The amounts agreed.
  - b. We inspected the *Receipt Detail Report* to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found three FEMA grant reimbursements that were posted to the General, Gasoline Tax and Road and Bridge Funds. Ohio Rev. Code § 5705.09 requires establishing separate funds to segregate externally-restricted resources. We also found the Township recorded an ARPA receipt in Fund 2272 titled "Coronavirus Relief Fund". The Township created this fund in 2021 with the intention of segregating ARPA funds, however utilized an incorrect fund title. However, because we did not inspect all receipts, our report provides no assurance regarding whether other similar errors occurred.
  - c. We inspected the *Receipt Detail Report* to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the *Receipt Register Report* to determine whether it included two real estate tax receipts for 2021 and 2020. The *Receipt Register Report* included the proper number of tax receipts for each year. We found no exceptions.

**Debt**

1. From the prior agreed-upon procedures documentation, we observed the following bond and loan were outstanding as of December 31, 2019. These amounts agreed to the Township's January 1, 2020 balances on the summary we used in procedure 3.

Issue	Principal outstanding as of December 31, 2019:
USDA Road Grader Bond	\$5,900
Kansas State Bank New Holland Tractor	\$19,908

2. We inquired of management, and inspected the *Receipt Register Report* and *Payment Register Detail Report* for evidence of debt issued during 2021 or 2020 or debt payment activity during 2021 or 2020. All debt agreed to the summary we used in procedure. However, the Board of Trustees executed a promissory note during 2020 that did not meet the criteria for an allowable debt type for Townships per Ohio Rev. Code § 133 and 505.262(A). The Ohio Revised Code contains various methods of incurring debt for Townships. Installment loans and promissory notes with banking institutions are not legal methods of debt for Townships.

**Debt (Continued)**

3. We obtained a summary of bond and loan debt activity for 2021 and 2020 and agreed principal and interest payments from the related debt amortization schedules to General Bond Note Retirement Fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Township made the payments. We found no exceptions.
4. We agreed the amount of debt proceeds received for 2021 and 2020 from the debt documents to amounts recorded in the Gasoline Tax fund per the Receipt Detail Report. The amounts agreed. The Township did not properly record the proceeds in a bond fund as required by Ohio Rev. Code § 5705.09(E) in 2021.
5. For new debt issued during 2021 and 2020, we inspected the debt legislation, which stated the Township must use the proceeds to purchase a grader and dump truck, respectively. We inspected the Payment Register Detail Report and observed the Township purchased a grader and dump truck in March of 2021 and May of 2020, respectively.

**Payroll Cash Disbursements**

1. We selected one payroll check for all employees from 2021 and one payroll check for all employees from 2020 from the Wage Detail Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (statutorily-approved salary).
    - i. We inspected the employee's personnel files for the Retirement system, Federal, State & Local income tax withholding authorization.
    - ii. We agreed these items to the information used to compute gross and net pay related to this check.
 We found no exceptions.
  - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as required by statute. We found no exceptions.
  - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2021 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2021. We observed the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2022	December 29, 2021	\$728	\$728
State income taxes	January 15, 2022	December 29, 2021	\$186	\$186
OPERS retirement	January 30, 2022	December 29, 2021	\$1,087	\$1,087

We found no exceptions.

### Payroll Cash Disbursements (Continued)

3. For the pay periods ended November 30, 2021 and January 31, 2020, we
  - a. Recomputed the allocation of the Boards' salary amounts to the General and Gas Tax Funds per the Wage Withholdings Detail Report.
  - b. Traced the Boards' pay for time or services performed to supporting certifications the Revised Code requires.We found no exceptions.
4. We compared total gross pay for the fiscal officer and each board member for 2021 and 2020 to the compensation permitted by Ohio Revised Code §§ 507.09 and 505.24, respectively. We found the Fiscal Officer was overpaid \$165 in 2020. We found no other exceptions.
5. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2021 and 2020 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred.

### Non-Payroll Cash Disbursements

We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2021 and 10 from the year ended 2020 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found one instance where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

### Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2021 and 2020 for the General, Road and Bridge and Permissive Motor Vehicle License Tax Funds as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2021 and 2020 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

**Sunshine Law Compliance**

1. We obtained and inspected the Township's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We selected all public records requests from the engagement period and inspected each request to determine the following:
  - a. The Township was compliant and responded to the request in accordance with their adopted policy as required by Ohio Rev. Code § 149.43(B)(1). We found no exceptions.

<b>Date Request Received</b>	<b>Date Request Fulfilled</b>	<b>Policy Response Time (in Business days)</b>	<b>Actual Response Time (in Business days)</b>
6/15/2021	6/23/2021	N/A	5

- b. The Township did not have any denied public records requests during the engagement period.
  - c. The Township did not have any public records requests with redactions during the engagement period.
3. We inquired whether the Township had a records retention schedule, and observed that it was readily available to the public as required by Ohio Rev. Code § 149.43(B)(2). We found no exceptions.
4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
5. We inquired with Township management and determined that the Township did not have a policy manual during the engagement period therefore the public records policy could not be included as required by Ohio Rev. Code § 149.43(E)(2).
6. We inquired with Township management and determined that the Township's poster describing their Public Records Policy was displayed conspicuously in all branches of the Township as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
7. We inquired with Township management and determined that the Township did not have any applications for record disposal submitted to the Records Commission during the engagement period.
8. We inspected individual proof of attendance and determined whether each elected official in accordance with Ohio Rev. Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We found the Fiscal Officer and two Trustees, whose terms ended March 31, 2020 and December 31, 2021, respectively, did not attend the required training.
9. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.

### **Sunshine Law Compliance (Continued)**

10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
  - a. Prepared – a file is created following the date of the meeting
  - b. Filed – placed with similar documents in an organized manner
  - c. Maintained - retained, at a minimum, for the engagement period
  - d. Open to public inspection – available for public viewing or request.We found no exceptions.

11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
  - a. Executive sessions were only held at regular or special meetings.
  - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code § 121.22(G).
  - c. Formal governing board actions were adopted in open meetings.We found no exceptions.

### **Contract Compliance**

1. We inspected the Minutes and identified the Township had expenditures subject to competitive bidding. We found no exceptions.
2. We selected one contract \$45,000 for 2020 and
  - a. We inspected the contract and other bids for the contracted expenditure and determined:
    - i. The Township accepted the lowest bid and met the requirements of Ohio Rev. Code § 5575.01
    - ii. No bid splitting occurred.
    - iii. No deliberate attempts to evade bid limitations occurred, such as successive contracts just under the bid amount, occurred.
    - iv. No apparent interest in the contract by a public official occurred.We found the Township entered into a contract with Pikes Paving for \$50,000 for repairs of roads and did not follow the proper bidding and advertising procedures in accordance with Ohio Rev. Code § 5575.01.

### **Other Compliance**

1. Ohio Rev. Code § 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2021 and 2020 in the Hinkle system. We found no exceptions.
2. We inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code §§ 507.12. Fiscal Officer obtained the required training.

We were engaged by the Township to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Township and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
