Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2021 and 2020 for the General, Parks and Recreation and Water Operating funds as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2021 and 2020 for negative cash fund balance. Ohio Rev. Code § 5705.10(l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

Compliance – American Municipal Power Joint Venture Debt Covenant Requirements

1. The Village is a member of Ohio Municipal Electric Generation Agency Joint Venture 5 (OMEGA JV5). Section 17(A) of the Joint Venture Agreement requires the Village's Electric Utility receipts, as defined, to be at least 110% of its OMEGA JV5 operating & maintenance plus debt service charges, as defined.

Using information from the Village's unadjusted receipts and disbursements ledger, we calculated the cash basis debt coverage for its OMEGA JV5 for the years ended December 31, 2021 and 2020.

For the year ended December 31, 2021, the ratio of the Village's Electric Utility receipts to OMEGA JV5 debt service disbursements was 4.20, meeting the Village's debt covenant obligation of 1.10 times set forth in Section 17(A) of the Joint Venture Agreement.

For the year ended December 31, 2020, this ratio was 3.59, thus meeting the Village's debt covenant obligation.

Exhibit JV5 presents the supporting calculations.

We found no exceptions.
2. We inquired with Village management and determined that the Village did not have any completed, denied or redacted public records requests from the engagement period.
3. We inquired whether the Village had a records retention schedule, and observed that it was readily available to the public as required by Ohio Rev. Code § 149.43(B)(2) and 149.43(B)(3). We found no exceptions.

Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). No elected officials attended the training.
9. We inspected the public notices for the public meetings held during the engagement period and determined the Village notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. We then selected five transactions including payroll, non-payroll, and subgrant/subloan transactions and determined the Village:
 - a. Spent the CRF money (including additional distributions or redistributions) in accordance with use of funds requirements and
 - b. Maintained appropriate supporting documentation.We found no exceptions.
2. We recalculated the unencumbered balance the Village paid back to the county treasurer and determined the proper amount was repaid. We also compared the date of the repayment to the required date of November 20, 2020 and determined the payment was made in a timely manner. We found no exceptions.

Other Compliance

1. Ohio Rev. Code § 117.38 requires villages to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. The Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Village filed their complete financial statements, as defined by AOS Bulletin 2015-007 and the Auditor of State established policy within the allotted timeframe for the years ended December 31, 2021 and 2020 in the Hinkle system. We found no exceptions.
2. We inspected the Fiscal Integrity Act Portal to determine whether the fiscal officer obtained the training required by Ohio Rev. Code §§ 507.12 and 733.81. The Fiscal Officer obtained 8 of the required 12 hours of training.

We were engaged by the Village to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Village's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
