We have performed the procedures enumerated below on Weston Township, Wood County, Ohio (the Township) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2021 and 2020 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash

1. We recalculated the December 31, 2021 and December 31, 2020 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2020 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2019 balances in the documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2021 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2020 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the 2021 and 2020 Bank Reconciliation as of December 31, 2021 and 2020 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.

4. We observed the year-end bank balance on the Ohio Pooled Collateral System's website. The balances agreed. We also agreed the confirmed balances to the amounts appearing in the December 31, 2021 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2021 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. We found no exceptions.

Property Taxes and Intergovernmental Cash Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the Wood County Detail Expense Transactions Report for 2021 and a total of five from 2020.
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We inspected the Receipt Register Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Register Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Register Report to determine whether it included two real estate tax receipts for 2021 and 2020. The Receipt Register Report included the proper number of tax receipts for each year. We found no exceptions.

Debt

1. From the prior agreed-upon procedures documentation, we observed the following bond and loan were outstanding as of December 31, 2019. These amounts agreed to the Townships January 1, 2020 balances on the summary we used in procedure 3.

Issue	Principal outstanding as of December 31, 2019:
Fire EMS Bond	\$428,000
Fire Truck Loan	\$14,194

2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2021 or 2020 or debt payment activity during 2021 or 2020. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of lease debt activity for 2021 and 2020 and agreed principal and interest payments from the related debt amortization schedule to the Fire/EMS General Bond Retirement and Fire/EMS Services fund payments reported in the Payment Register Detail Report. We also compared the date the debt payments were due to the date the Township made the payments.

In 2015, the Township obtained a commercial loan with a local bank to finance a Fire Truck in the amount of \$130,000. This type of debt is not authorized in Ohio Rev. Code Chapter 133. The Township has no statutory authority to incur debt through either installment loans or promissory notes with any banking institutions. Without a statutory provision authorizing this method of incurring debt, the Township was not permitted to use such a method. Inadequate policies and procedures related to debt issuance can result in illegal expenditures for the Township.

4. For new debt issued during 2021, we inspected the debt legislation, which stated the Township must use the proceeds to purchase a Pumper Truck. We inspected the Payment Register Detail Report and observed the Township purchased a Pumper Truck by obtaining a commercial installment loan. This type of debt is not authorized in Ohio Rev. Code Chapter 133. The Township has no statutory authority to incur debt through either installment loans or promissory notes with any banking institutions. Without a statutory provision authorizing this method of incurring debt, the Township was not permitted to use such a method. Inadequate policies and procedures related to debt issuance can result in illegal expenditures for the Township.

1. We selected one payroll check for five employees from 2021 and one payroll check for five employees from 2020 from the Wage Withholdings Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary).
 - i. We inspected the employees' personnel files and minute record for the Retirement system, Federal, State & Local income tax withholding authorization.
 - ii. We agreed these items to the information used to compute gross and net pay related to this check.
 We found no exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files and minute record. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2021 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2021. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2022	January 19, 2022	\$2,615.25	\$2,615.25
State income taxes	January 31, 2022	January 19, 2022	164.46	164.46

Non-Payroll Cash Disbursements

We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2021 and 10 from the year ended December 31, 2020 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2021 and 2020 for the General, Motor Vehicle License Tax, and Permissive Motor Vehicle License fund as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected interfund transfers from 2021 and 2020 Revenue Status Reports and Appropriation Status Reports for compliance with Ohio Rev. Code §§ 5705.14 - .16. We found no evidence of transfers these Sections prohibit, or for which Ohio Rev. Code § 5705.16 would require approval by the Tax Commissioner.
3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2021 and 2020 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.
