INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Battle Run Fire District
Marion County
PO Box 241
Prospect, Ohio 43342

We have performed the procedures enumerated below on the Battle Run Fire District's (the District) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2021 and 2020 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the District. The District is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2021 and 2020 and certain compliance requirements related to these transactions and balances included in the information provided to us by the District.

The Board of Trustees and the management of the District have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the District's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2021 and 2020, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash and Investments

1. We recalculated the December 31, 2021 and December 31, 2020 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2020 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2019 balances in the prior year documentation in the prior year Basic Audit working papers. We found no exceptions. We also agreed the January 1, 2021 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2020 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the 2021 and 2020 bank reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2021 and 2020 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the District in the Hinkle System. The amounts agreed.

Cash and Investments (Continued)

4. We confirmed the December 31, 2021 bank account balances with the District's financial institutions. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2021 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2021 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statements. We found no exceptions.
 - b. We traced the amounts and dates to the check register and determined the debits were dated prior to December 31. We found no exceptions.
6. We traced interbank account transfers occurring in December of 2021 and 2020 to the accounting records and bank statements to determine if they were properly recorded. We found no exceptions.
7. We inspected investments held at December 31, 2021 and December 31, 2020 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code §§ 135.13, 135.14 or 135.144. We found no exceptions.
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code § 135.13 or 135.14. We found no exceptions.

Property Taxes and Intergovernmental

1. We selected a total of five receipt from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL) and the Marion County Vendor History Reports from 2021 and a total of five from 2020:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Detail Report. We noted the 2020 1st half real estate settlement was recorded at net of fees (\$102,944) rather than at gross (\$105,096) a difference of \$2,152.
 - b. We inspected the Receipt Detail Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Detail Report to determine whether the receipt was recorded proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Detail Report to determine whether it included two real estate tax receipts for 2021 and 2020. The Receipt Detail Report included the proper number of tax receipts for each year. We found no exceptions.

Charges for Services

1. We confirmed the amounts paid from the Medicount Management, the service organization that performs the emergency medical/fire billings, to the District during 2021 with Medicount Management. We found no exceptions.
 - a. We inspected the Receipt Detail Report to determine whether these receipts were allocated to the proper funds. We found no exceptions.
 - b. We inspected the Receipt Detail Report to determine whether the receipts were recorded in the proper year. We found no exceptions.

Charges for Services (Continued)

2. We confirmed the total amount paid from Thompson Township to the District during 2021 with the Township. We found no exceptions.
 - a. We inspected the Receipt Register Report to determine whether the receipt was allocated to the proper fund. We found no exceptions.
 - b. We inspected the Receipt Register Report to determine whether the receipt was recorded in the proper year. We found no exceptions.

Other Receipts

We selected 10 other receipts from the year ended December 31, 2021 and 10 other receipts from the year ended 2020 and:

- a. Agreed the receipt amount recorded in the Receipt Detail Report to supporting documentation. The amounts agreed.
- b. Confirmed the amounts charged complied with rates in force during the period. We found no exceptions.
- c. Inspected the Receipt Detail Report to determine the receipt was posted to the proper fund(s), and was recorded in the proper year. We noted receipt numbers 8, 95, and 115 in 2020 totaling \$21,721 and numbers 2, 14, 110, and 117 in 2021 totaling \$34,918 represented restricted monies that were recorded in the General Fund (along with corresponding disbursements in the same amount) rather than in a special fund. Ohio Rev. Code §5705.10(D) provides that all revenue derived from a source other than the general property tax and which the law prescribes shall be used for a particular purpose, shall be paid into a special fund for such purpose. Because we did not inspect all other receipts, our report provides no assurance regarding whether or not other similar errors occurred.

Debt

1. From the prior basic audit, we observed the following loan was outstanding as of December 31, 2019. This amount agreed to the District's January 1, 2020 balance on the summary we used in procedure 3.

Issue	Principal outstanding as of December 31, 2019:
2019 Vehicle Loan	\$220,000

2. We inquired of management, and inspected the Receipt Detail Report and Payment Register Detail Report for evidence of debt issued during 2021 or 2020 or debt payment activity during 2021 or 2020. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of loan debt activity for 2021 and 2020 and agreed principal and interest payments from the related debt amortization schedule to general fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the District made the payments. We found no exceptions.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2021 and one payroll check for five employees from 2020 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary).
 - i. We inspected the employees' personnel files and/or minute record for the Retirement system, Federal, State & Local income tax withholding authorization.
 - ii. We agreed these items to the information used to compute gross and net pay related to this check.

We found three instances in 2020 where the employee's personnel file did not contain Retirement system, Federal, State, and/or Local withholding authorizations. Because we did not inspect all employee personnel files, our report provides not assurance whether or not additional similar errors occurred. Additionally, we noted one Trustee was compensated \$125 per quarter rather than in accordance the applicable statute. Ohio Rev. Code §505.371(B) provides that the board of fire district trustees may be compensated at a rate not to exceed thirty dollars per meeting and not to exceed fifteen meetings per year.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files and/or minute record. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.

2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2021 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2021. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2022	December 17, 2021	\$1,045	\$1,045
State income taxes	January 15, 2022	January 9, 2022	\$67	\$113
Local Income Taxes	January 15, 2022	January 11, 2022	\$46	\$46
OPERS retirement	January 30, 2022	December 17, 2021	\$114	\$114

As stated above, the District remitted an additional \$46 to the Ohio Department of Taxation with the January 9, 2022 payment.

Non-Payroll Cash Disbursements

- We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2021 and 10 from the year ended 2020 and determined whether:
- a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.

Non-Payroll Cash Disbursements (Continued)

- d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found four instances where disbursements requiring certification were not certified and one instance where the certification date was after the vendor invoice date, and there was also no evidence that a Then and Now Certificate was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a Then and Now Certificate is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2021 and 2020 for the General, Coronavirus Relief Fund (Township), and Coronavirus Relief Fund (Village) funds. Expenditures did not exceed appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2021 and 2020 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

Ohio Rev. Code § 117.38 requires Districts to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. We confirmed the District filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2021 and 2020 in the Hinkle system. We found no exceptions.
