BASIC AUDIT REPORT

Cardington Community Improvement Corporation Morrow County Cardington, Ohio 43315

We have completed certain procedures in accordance with Ohio Rev. Code Section 117.01(G) to the accounting records and related documents of the Cardington Community Improvement Corporation, Morrow County, (the Corporation) for the years ended December 31, 2022 and 2021.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code Section 117.11(A). Because our procedures were not designed to opine on the Corporation's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the Corporation's financial statements, transactions or balances for the years ended December 31, 2022 and 2021.

The Corporation's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code Section 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found the following significant accounting issue to report.

Current Year Observation

1. The Corporation does not have an adequate system for tracking its property. The Corporation should develop detailed asset records which include purchase date, cost, useful life, depreciation, and net book value for each asset. This will not only ensure assets reported in the financial statements are accurate but will ensure adequate insurance coverage is obtained for property owned by the Corporation. The prior engagement also reported this deficiency.
