Current Year Observations

1. **Ohio Rev. Code § 149.43(B)(2)** requires "a public office to have available a copy of its current records retention schedule at a location readily available to the public." The District did not have a records retention schedule. The District should adopt a records retention schedule and post it in a location that is available to the public. When adopting this schedule the District should seek input from the local government that maintains the records.
2. **Ohio Rev. Code § 149.43(E)(2)** states, in part, that all public offices "shall adopt a public records policy in compliance with this section for responding to public records requests. In adopting a public records policy under this division, a public office may obtain guidance from the model public records policy developed and provided to the public office by the attorney general under section 109.43 of the Revised Code. The public office shall create a poster that describes its public records policy and shall post the poster in a conspicuous place in the public office and in all locations where the public office has branch offices." The public office may post its public records policy on the internet web site of the public office if the public office maintains an internet web site. The District did not have a public records policy. The District should adopt a public records policy and post it in a location that is available to the public. When adopting this policy the District should seek input from the local government that maintains the records.
