We have reviewed the *Independent Auditor's Report* of the Phoenix Community Learning Center, Hamilton County, prepared by BHM CPA Group, Inc., for the audit period July 1, 2021 through June 30, 2022. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Phoenix Community Learning Center is responsible for compliance with these laws and regulations.

INDEPENDENT AUDITOR'S REPORT

Phoenix Community Learning Center
Hamilton County
3595 Washington Avenue
Cincinnati, Ohio 45229

To the Board of Directors:

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of the Phoenix Community Learning Center, Hamilton County, Ohio (the School), as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the School's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the Phoenix Community Learning Center, Hamilton County, Ohio as of June 30, 2022, and the changes in financial position and its cash flows for the year then ended in accordance with the accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the School, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 19 to the financial statements, the financial impact of COVID-19 and the ensuing measures will impact subsequent periods of the School. We did not modify our opinion regarding this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the *management's discussion and analysis* and schedules of net pension and other post-employment benefit liabilities and pension and other post-employment benefit contributions be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the School's basic financial statements. The Schedule of Expenditures of Federal Awards as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards is presented for purposes of additional analysis and is not a required part of the basic financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 30, 2022, on our consideration of the School's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

*Management's Discussion and Analysis
For the Year Ended June 30, 2022*

The discussion and analysis of Phoenix Community Learning Center's (PCLC) financial performance provides an overall review of the financial activities for the fiscal year ended June 30, 2022. The intent of this discussion and analysis is to look at the PCLC's financial performance as a whole. Readers should also review the basic financial statements and the notes to the basic financial statements to enhance their understanding of the School's financial performance.

The Management's Discussion and Analysis (MD&A) is an element of the reporting model adopted by the Governmental Accounting Standards Board (GASB) in their Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments*, issued in June 1999. Certain comparative information between the current year and the prior year is required to be presented, and is presented in the MD&A.

Financial Highlights

Key financial highlights for the Phoenix Community Learning Center during fiscal year 2022 are as follows:

- Total net position of the PCLC was negative \$1.3 million at fiscal year-end, an increase of \$1.9 million in comparison with the prior fiscal year-end.
- Total assets increased \$738,251 and total liabilities decreased \$3.9 million from the prior year.
- The PCLC's operating loss for fiscal year 2022 was \$1.7 million.

Using this Financial Report

This financial report contains the basic financial statements of the PCLC, as well as the Management's Discussion and Analysis and notes to the basic financial statements. The basic financial statements include a Statement of Net Position, Statement of Revenues, Expenses and Changes in Net Position, and a Statement of Cash Flows. As the PCLC reports its operations using enterprise fund accounting, all financial transactions and accounts are reported as one activity, therefore the entity wide and the fund presentations information is the same.

Statement of Net Position

The Statement of Net Position answers the question, "How did we do financially during the fiscal year?" This statement includes all assets and deferred outflows of resources and all liabilities and deferred inflows of resources, both financial and capital, and short-term and long-term, using the accrual basis of accounting and the economic resources focus, which is similar to the accounting used by most private-sector companies. This basis of accounting takes into account all revenues and expenses during the year, regardless of when the cash is received or paid.

This statement reports the PCLC's net position; however, in evaluating the overall position and financial viability of the School, non-financial information such as the condition of the PCLC's property and potential changes in the laws governing charter schools in the State of Ohio will also need to be evaluated.

**Phoenix Community Learning Center
Hamilton County**

*Management's Discussion and Analysis
For the Year Ended June 30, 2022*

Table 1 provides a summary of the School's net position for fiscal year 2022 compared to those reported for fiscal year 2021.

Table 1			
Net Position			
	2022	2021	Change
Assets:			
Current Assets	\$ 1,728,706	\$ 852,621	\$ 876,085
Net OPEB Asset	228,995	266,858	(37,863)
Capital Assets, Net	3,964,709	4,064,680	(99,971)
Total Assets	5,922,410	5,184,159	738,251
Deferred Outflows of Resources	1,217,170	1,584,513	(367,343)
Liabilities			
Current Liabilities	812,433	752,306	60,127
Noncurrent Liabilities			
Other Noncurrent Liabilities	2,727,170	3,643,569	(916,399)
Net Pension Liability	1,819,281	4,770,570	(2,951,289)
Net OPEB Liability	225,166	339,093	(113,927)
Total Liabilities	5,584,050	9,505,538	(3,921,488)
Deferred Inflows of Resources	2,885,653	530,298	2,355,355
Net Position:			
Net Investment in Capital Assets	966,040	810,200	155,840
Restricted	356,482	341,530	14,952
Unrestricted	(2,652,645)	(4,418,894)	1,766,249
Total Net Position	\$ (1,330,123)	\$ (3,267,164)	\$ 1,937,041

There was a significant change in net pension/OPEB liability (asset) for PCLC. These fluctuations are due to changes in the retirement systems unfunded liabilities/assets that are passed through to PCLC's financial statements. All components of pension and OPEB accruals contribute to the fluctuations in deferred outflows/inflows, net OPEB asset and noncurrent liabilities are described in more detail in their respective notes.

Other noncurrent liabilities decreased significantly in comparison with the prior fiscal year end. This decrease is the result of principal payments made during the fiscal year.

Current assets increased significantly in comparison with the prior fiscal year end. This increase is the result of a significant increase in cash held by PCLC related to an increase in foundation due to the change in the funding formula and State of Ohio grants received during the fiscal year.

**Phoenix Community Learning Center
Hamilton County**

*Management's Discussion and Analysis
For the Year Ended June 30, 2022*

The total net position reported for fiscal year 2022 increased. Table 2 demonstrates the details of this increase.

Table 2
Change in Net Position

	<u>2022</u>	<u>2021</u>	<u>Change</u>
Operating Revenues:			
State Foundation	\$ 2,049,570	\$ 1,964,036	\$ 85,534
Other Unrestricted Grants-in-Aid	17,612	14,270	3,342
Tuition and Fees	880	3,300	(2,420)
Other Operating	2,803	68,168	(65,365)
Total Operating Revenues	<u>2,070,865</u>	<u>2,049,774</u>	<u>21,091</u>
Operating Expenses:			
Salaries and Wages	1,873,268	1,648,449	224,819
Fringe benefits	323,369	1,299,898	(976,529)
Purchased services	1,265,162	830,161	435,001
Materials and supplies	120,274	85,169	35,105
Depreciation	137,290	134,610	2,680
Other	32,419	42,601	(10,182)
Total Operating Expenses	<u>3,751,782</u>	<u>4,040,888</u>	<u>(289,106)</u>
Non Operating Revenues/(Expenses):			
State and Federal Grants	3,159,895	1,457,071	1,702,824
Interest Revenue	480	794	(314)
Gain on Forgiveness of Debt	644,900	-	644,900
Interest Expense	(187,317)	(202,069)	14,752
Total Non-Operating Revenues/(Expenses)	<u>3,617,958</u>	<u>1,255,796</u>	<u>2,362,162</u>
Change in Net Position	1,937,041	(735,318)	
Net Position, beginning of year	<u>(3,267,164)</u>	<u>(2,531,846)</u>	
Net Position, end of year	<u><u>\$ (1,330,123)</u></u>	<u><u>\$ (3,267,164)</u></u>	

State and federal grants increased significantly in comparison with the prior fiscal year-end. This increase is primarily the result of a change in the funding formula for foundation and revenues from the federal government related to the ongoing COVID-19 pandemic.

Fringe benefits decreased significantly in comparison with prior fiscal year. This decrease is primarily the result of decreases in pension and OPEB expenses.

Phoenix Community Learning Center
Hamilton County
Management's Discussion and Analysis
For the Year Ended June 30, 2022

Gain on forgiveness of debt decreased in comparison with the prior fiscal year. This decrease represents the Paycheck Protection Program loan balance forgiven during the previous fiscal year.

Capital Assets

At the end of fiscal year 2022, the PCLC's capital asset balance decreased in comparison with the prior year. This decrease represents the amount by which current year depreciation exceeded current year acquisitions. See Note 5 of the basic financial statements for additional details.

Debt

At the end of fiscal year 2022, the PCLC's loan payable balance decreased in comparison with the prior year. This decrease represents current year principal retirement payments and the loan balance forgiven as the requirements were met for the PPP Loan. See Note 6 of the basic financial statements for additional details.

Current Financial Issues

The future financial stability of the PCLC is not without challenges. There will continue to be challenges outside of the PCLC's control (i.e. – the economy, the state budget). Since the primary source of funding is the state foundation program, an economic slowdown in the state could result in budgetary cuts to education, which would have a negative impact on the PCLC.

Contacting the School

This financial report is designed to provide a general overview of the finances of the Phoenix Community Learning Center and to show the PCLC's accountability for the monies it receives to all vested and interested parties, as well as meeting the annual reporting requirements of the State of Ohio. Any questions about the information contained within this report or requests for additional financial information should be directed to the Treasurer of the Phoenix Community Learning Center, 3595 Washington Avenue, Cincinnati, Ohio, 45229.

During the fiscal year, PCLC's PPP Loan totaling \$644,900 was forgiven.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

NOTE 1 - REPORTING ENTITY

The Phoenix Community Learning Center (PCLC), is a nonprofit corporation established pursuant to Ohio Revised Code Chapters 3314 and 1702 to maintain and provide a school exclusively for any educational, literary, scientific, and related teaching service. The PCLC, which is part of the State's education program, is independent of any school district and is nonsectarian in its programs, admission policies, employment practices, and all other operations. The PCLC may sue and be sued, acquire facilities as needed, and contract for any services necessary for the operation of the PCLC.

The PCLC had one fiscal service provider during the fiscal year, Mangen & Associates, and the Thomas B. Fordham Foundation was the PCLC's sponsor. The Sponsor is responsible for evaluating the performance of the PCLC and has the authority to deny renewal of the contract at its expiration or terminate the contract prior to its expiration.

The PCLC operates under the direction of a five-member Board of Directors (the Board). The Board is responsible for carrying out the provisions of the contract, which include, but are not limited to, state-mandated provisions regarding student population, curriculum, academic goals, performance standards, admission standards, and qualifications of teachers. Board members receive a \$125 stipend per meeting. The Board controls the PCLC's instructional/support facility staffed by non-certified and certificated full time teaching personnel who provide services to students. Mr. Luther Brown, Board Chairman, and Dr. Glenda Brown, Superintendent, are the founders of the PCLC.

The PCLC has a service agreement with Mangen & Associates to provide certain financial and accounting services, including performing all duties required of the Treasurer of the PCLC. See Note 12 for more information.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the PCLC have been prepared in conformity with accounting principles generally accepted in the United States of America as applied to governmental nonprofit organizations. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the PCLC's accounting policies are described below.

Basis of Presentation

Enterprise accounting is used to account for operations that are financed and operated in a manner similar to private business enterprises where the intent is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges or where it has been decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

Measurement Focus and Basis of Accounting

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. Enterprise accounting uses a flow of economic resources measurement focus. With this measurement focus, all assets and deferred outflows of resources and all liabilities and deferred inflows of resources are included on the Statement of Net Position. The difference between total assets and deferred outflows of resources and liabilities and deferred inflows of resources is defined as net position. The Statement of Revenues, Expenses and Changes in Net Position present increases (i.e., revenues) and decreases (i.e., expenses) in net total position.

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made.

The accrual basis of accounting is utilized for reporting purposes. Revenues are recognized when they are earned, and expenses are recognized when they are incurred.

Budgetary Process

Community schools are statutorily required to adopt a budget by Ohio Revised Code 3314.032(C). However, unlike traditional public schools located in the State of Ohio, community schools are not required to follow the specific budgetary process and limits set forth in the Ohio Revised Code Chapter 5705, unless specifically provided in the contract between the PCLC and its Sponsor. The contract between the PCLC and its Sponsor prescribes a budgetary process for the PCLC requiring the Superintendent, Business Manager/Treasurer, and the Board to review the financial statements on a monthly basis. In addition, the PCLC is required to prepare an updated forecast on a monthly or quarterly basis.

Cash and Cash Equivalents

All monies received by the PCLC are maintained in a demand deposit account and STAR Ohio. For internal accounting purposes, the PCLC segregates its cash into separate funds. In addition, the PCLC has a debt service reserve held by Self-Help Ventures LLC which is reported as restricted cash on the statement of net position.

During the fiscal year, the PCLC invested in STAR Ohio (the State Treasury Asset Reserve of Ohio). STAR Ohio is an investment pool managed by the State Treasurer's Office which allows governments within the State to pool their funds for investment purposes. STAR Ohio is not registered with the SEC as an investment company. In accordance with Governmental Accounting Standards Board (GASB) Statement No. 79, "Certain External Investment Pools and Pool Participants", the PCLC measures their investment in STAR Ohio at the net asset value (NAV) per share provided by STAR Ohio. The NAV per share is calculated on an amortized cost basis, which approximates fair value.

For the fiscal year 2022, there were no limitation or restrictions on any participant withdrawals due to redemption notice periods, liquidity fees, or redemption gates. However, notice must be given 24 hours in advance of all deposits and withdrawals exceeding \$25 million. STAR Ohio reserves the right to limit the transaction to \$250 million, requiring the excess amount to be transacted the following business day(s), but only to the \$250 million limit. All accounts of the participant will be combined for these purposes.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

Prepaid Assets

Payments made to vendors for services that will benefit periods beyond fiscal year-end are recorded as prepaid items using the consumption method. A current asset for the prepaid amount is recorded at the time of purchase and an expense is reported in the year which services are consumed.

Capital Assets

Capital assets are capitalized at cost (or estimated historical cost) and updated for additions and retirements during the fiscal year. Donated capital assets are recorded at their acquisition values as of the date received. The PCLC maintains a capitalization threshold of \$500. Improvements are capitalized. The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not capitalized. The PCLC does not possess any infrastructure.

All reported capital assets, except land, are depreciated. Improvements to capital assets are depreciated over the remaining useful life of the related capital assets. Depreciation is computed using the straight-line method over the following useful lives:

<u>Description</u>	<u>Estimate Life</u>
Building	40 years
Furniture and Equipment	5 years

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. Deferred outflows of resources represent a consumption of net assets that applies to a future period(s) and will not be recognized as an outflow of resources (expense/expenditure) until then. For the PCLC, deferred outflows of resources are reported on the statement of net position for pensions and other postemployment benefits (OPEB). These deferred outflows of resources related to pensions and OPEB are explained in Note 8 and Note 9.

In addition to liabilities, the statement of financial position reports a separate section for deferred inflows of resources. Deferred inflows of resources represent an acquisition of net assets that applies to a future period(s) and will not be recognized as an inflow of resources (revenue) until that time. This deferred inflow of resources related to pension and OPEB are explained in Note 8 and Note 9.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from these estimates.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

Intergovernmental Revenues

The PCLC is a participant in the State Foundation Program. In addition, the State distributes among all public schools, a percentage of proceeds received from the tax on gross casino revenue, to be used to support primary and secondary education. Foundation funding, other unrestricted grants in aid and charges for services are recognized as operating revenues in the accounting period in which they are earned, essentially the same as the fiscal year received. Federal and state grants and entitlements are recognized as non-operating revenues in the accounting period in which all eligibility requirements of the grants have been met.

Operating and Non-Operating Revenues and Expenses

Operating revenues are those revenues that are generated directly by the PCLC's primary mission. For the PCLC, operating revenues include revenues paid through the State Foundation Program, Other Unrestricted Grants-in-Aid, and tuition and fees. Operating expenses are necessary costs incurred to support the PCLC's primary mission, including salaries, benefits, purchased services, materials and supplies, depreciation and other.

Non-operating revenues and expenses are those that are not generated directly by the PCLC's primary mission. Various Federal and State grants, interest earnings and expense, if any, and contributions comprise the non-operating revenues and expenses of the PCLC.

Accrued Liabilities Payable

The PCLC has recognized certain liabilities on its Statement of Net Position relating to expenses, which are due but unpaid as of fiscal year-end, including:

Accrued Wages and Benefits payable – salary payments made after year-end to instructional and support staff for services rendered prior to the end of June, but whose payroll continues into the summer months based on the fiscal year 2022 contract.

Accounts payable – payments due for services or goods that were rendered or received during fiscal year 2022.

Intergovernmental payable - payments made after year-end for the PCLCs' share of retirement contributions and Medicare.

Unearned Revenue

If the PCLC receives restricted funds that were not spent by the end of the fiscal year, the amount received is classified as unearned revenue and is carried over to the next fiscal year and repaid if not spent.

Federal Tax Exemption Status

The PCLC is a non-profit organization that has been determined by the Internal Revenue Service to be exempt from federal income taxes as a tax-exempt organization under Section 501 (c)(3) of the Internal Revenue Code.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

Pensions and Other Postemployment Benefits (OPEB)

For purposes of measuring the net pension liability, net OPEB liability (asset), deferred outflows of resources and deferred inflows of resources related to pensions/OPEB, and pension/OPEB expense, information about the fiduciary net position of the pension/OPEB plans and additions to/deductions from their fiduciary net position have been determined on the same basis as they are reported by the pension/OPEB plan. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. The pension/OPEB plans report investments at fair value.

Net Position

Net position represents the difference between total assets and deferred outflows of resources and liabilities and deferred inflows of resources. Net Investment in Capital Assets consists of capital assets, net of accumulated depreciation, less outstanding debt related to Capital Assets. Net position is reported as restricted when there are limitations imposed on their use through external restrictions imposed by creditors, grantors or laws or regulations of other governments. The PCLC applies restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net position is available.

NOTE 3 - DEPOSITS AND INVESTMENTS

Custodial credit risk for deposits is the risk that, in the event of bank failure, the PCLC will not be able to recover deposits or collateral securities that are in the possession of an outside party. At June 30, 2022, the bank balance was \$478,662. Of this amount, \$250,000 was covered by the Federal Depository Insurance Corporation (FDIC).

Investments of the PCLC as of June 30, 2022 were as follows:

Investments	NAV Value	Percentage of Total
STAR Ohio	\$ 758,409	100%

In accordance with GASB Statement No. 79, the PCLC’s investment in STAR Ohio is reported at amortized cost. For the fiscal year ended June 30, 2022, there were no limitations or restrictions on any participant withdrawals due to redemption notice periods, liquidity fees, or redemption gates. The weighted average of maturity of the portfolio held by STAR Ohio as of June 30, 2022, is 35 days and carries a rating of AAAM by S&P Global Ratings.

Interest Rate Risk: The PCLC’s investment policy follows State statute, which requires that an investment mature within five years from the date of purchase, unless matched to a specific obligation or debt of the PCLC, and that an investment must be purchased with the expectation that it will be held to maturity.

Credit Risk: The investments in STAR Ohio are rated AAAM by S&P’s Global Ratings. The PCLC’s investment policy limits investments to those authorized by State statute.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

NOTE 4 - INTERGOVERNMENTAL RECEIVABLES

All intergovernmental receivables are considered collectible in full due to the stable condition of State programs. Intergovernmental receivables at year-end represent federal grants and pension system overpayments.

NOTE 5 - CAPITAL ASSETS

Capital asset activity for the fiscal year ended June 30, 2022 was as follows:

<u>Asset Class</u>	<u>Beginning Balance</u>	<u>Additions</u>	<u>Deletions /Transfers</u>	<u>Ending Balance</u>
Land	\$ 287,700	\$ -	\$ -	\$ 287,700
Total Nondepreciable Capital Assets	<u>287,700</u>	<u>-</u>	<u>-</u>	<u>287,700</u>
Building	5,000,837	20,675	-	5,021,512
Equipment and Furniture	619,413	16,644	-	636,057
Total Depreciable Capital Assets	<u>5,620,250</u>	<u>37,319</u>	<u>-</u>	<u>5,657,569</u>
Building	(1,241,970)	(125,608)		(1,367,578)
Equipment and Furniture	(601,300)	(11,682)		(612,982)
Total Accumulated Depreciation	<u>(1,843,270)</u>	<u>(137,290)</u>	<u>-</u>	<u>(1,980,560)</u>
Total Depreciable Capital Assets, Net	<u>3,776,980</u>	<u>(99,971)</u>	<u>-</u>	<u>3,677,009</u>
Total Capital Assets, Net	<u>\$ 4,064,680</u>	<u>\$(99,971)</u>	<u>\$ -</u>	<u>\$ 3,964,709</u>

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

NOTE 6 - LONG TERM OBLIGATIONS

	<u>Beginning Balance</u>	<u>Additions</u>	<u>Deletions</u>	<u>Ending Balance</u>	<u>Due Within One Year</u>
Loans from Direct Borrowings:					
PPP Loan	\$ 644,900	\$ -	\$ (644,900)	\$ -	\$ -
Self Help Venture Loans:					
6.53% 11/1/2031	2,415,673	-	(189,252)	2,226,421	202,169
4.03% 11/1/2032	838,807	-	(66,559)	772,248	69,330
	<u>3,899,380</u>	<u>-</u>	<u>(900,711)</u>	<u>2,998,669</u>	<u>271,499</u>
Net Pension Liability	4,770,570	-	(2,951,289)	1,819,281	-
Net OPEB Liability	339,093	-	(113,927)	225,166	-
Total	<u>\$ 9,009,043</u>	<u>\$ -</u>	<u>\$ (3,965,927)</u>	<u>\$ 5,043,116</u>	<u>\$ 271,499</u>

In fiscal year 2017, the PCLC entered into a loan agreement with Self Help Ventures Fund to refinance the 2009 loan. The loan will be retired from operating dollars and amortized over a fourteen year schedule. The loan is due in March 2016 with a balloon payment on the final due date of November 1, 2031 with a 6.53 percent interest rate.

In fiscal year 2017, the PCLC entered into a loan agreement with Self Help Ventures Fund to complete the basement and other facility renovation. The loan will be retired from operating dollars and amortized over a fourteen year schedule. The loan is due in March 2016 with a balloon payment on the final due date of November 1, 2032 with a 4.03 percent interest rate.

In fiscal year 2020, the PCLC received a forgivable loan pursuant to the Paycheck Protection Program established by the CARES Act. PCLC's Paycheck Protection Program loan was forgiven in fiscal year 2022.

There is no repayment schedule for the net pension/OPEB obligations; however employer pension and OPEB contributions are primarily made from the General Fund.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

The principal and interest requirements to retire the long term loans outstanding at June 30, 2022 are as follows:

Fiscal Year Ended June 30,	Loans		
	Principal	Interest	Total
2023	\$ 271,499	\$ 171,629	\$ 443,128
2024	287,763	155,365	443,128
2025	305,905	137,223	443,128
2026	324,781	118,347	443,128
2027	344,863	98,266	443,129
2028-2032	1,463,858	168,277	1,632,135
Total	<u>\$ 2,998,669</u>	<u>\$ 849,107</u>	<u>\$ 3,847,776</u>

NOTE 7 - RISK MANAGEMENT

Property and Liability Insurance

The PCLC is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees, and natural disasters. For the year ended June 30, 2022, the PCLC contracted for its insurance coverage for commercial property – building and general liability.

The PCLC also has non-profit directors and officer’s liability insurance (D&O), employment practices liability (EP), and employee dishonesty bond.

Settlement amounts did not exceed coverage amounts in the three prior years. There also have been no significant reductions in coverage compared to prior year.

Workers’ Compensation

The PCLC pays the State Worker’s Compensation System a premium for employee injury coverage. The premium is calculated by multiplying the monthly total gross payroll by a factor that is determined by the State.

NOTE 8 – DEFINED BENEFIT PENSION PLANS

The Statewide retirement systems provide both pension benefits and other postemployment benefits (OPEB).

Net Pension Liability/Net OPEB Liability (Asset)

Pensions and OPEB are a component of exchange transactions—between an employer and its employees—of salaries and benefits for employee services. Pensions/OPEB are provided to an employee—on a deferred-payment basis—as part of the total compensation package offered by an employer for employee services each financial period.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

The net pension/OPEB liability (asset) represents the PCLC's proportionate share of each pension plan's collective actuarial present value of projected benefit payments attributable to past periods of service, net of each pension plan's fiduciary net position. The net pension/OPEB liability (asset) calculation is dependent on critical long-term variables, including estimated average life expectancies, earnings on investments, cost of living adjustments and others. While these estimates use the best information available, unknowable future events require adjusting this estimate annually.

Ohio Revised Code limits the PCLC's obligation for this liability to annually required payments. The PCLC cannot control benefit terms or the manner in which pensions/OPEB are financed; however, the PCLC does receive the benefit of employees' services in exchange for compensation including pension and OPEB.

GASB 68/75 assumes the liability is solely the obligation of the employer, because (1) they benefit from employee services; and (2) State statute requires all funding to come from these employers. All contributions to date have come solely from these employers (which also includes costs paid in the form of withholdings from employees). State statute requires the pension plans to amortize unfunded liabilities (assets) within 30 years. If the amortization period exceeds 30 years, each pension plan's board must propose corrective action to the State legislature. Any resulting legislative change to benefits or funding could significantly affect the net pension/OPEB liability (asset). Resulting adjustments to the net pension/OPEB liability (asset) would be effective when the changes are legally enforceable. The Ohio revised Code permits, but does not require the retirement systems to provide healthcare to eligible benefit recipients.

The proportionate share of each plan's unfunded benefits is presented as a long-term *net pension/OPEB liability (asset)*. Any liability for the contractually-required pension contribution outstanding at the end of the year is included in *intergovernmental payable*.

The remainder of this note includes the required pension disclosures. See Note 9 for the required OPEB disclosures.

Plan Description - School Employees Retirement System (SERS)

Plan Description – School non-teaching employees participate in SERS, a statewide, cost-sharing multiple-employer defined benefit pension plan administered by SERS. SERS provides retirement, disability and survivor benefits to plan members and beneficiaries. Authority to establish and amend benefits is provided by Ohio Revised Code Chapter 3309. SERS issues a publicly available, stand-alone financial report that includes financial statements, required supplementary information and detailed information about SERS' fiduciary net position. That report can be obtained by visiting the SERS website at www.ohsers.org under Employers/Audit Resources.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

Age and service requirements for retirement are as follows:

	Eligible to Retire before August 1, 2017 *	Eligible to Retire on or after August 1, 2017
Full Benefits	Any age with 30 years of service credit	Age 67 with 10 years of service credit; or Age 57 with 30 years of service credit
Actuarially Reduced Benefits	Age 60 with 5 years of service credit Age 55 with 25 years of service credit	Age 62 with 10 years of service credit; or Age 60 with 25 years of service credit

* Members with 25 years of service credit as of August 1, 2017, may be included in this plan.

Annual retirement benefits are calculated based on final average salary multiplied by a percentage that varies based on year of service; 2.2 percent for the first 30 years of service and 2.5 percent for years of service credit over 30. Final average salary is the average of the highest three years of salary.

An individual whose benefit effective date is before April 1, 2018, is eligible for a cost of living adjustment (COLA) on the first anniversary date of the benefit. New benefit recipients must wait until the fourth anniversary of their benefit for COLA eligibility. The COLA is added each year to the base benefit amount on the anniversary date of the benefit. The COLA is indexed to the percentage increase in the CPIW, not to exceed 2.5 percent and with a floor of 0 percent. A three-year COLA suspension was in effect for all benefit recipients for calendar years 2018, 2019, and 2020. SERS approved a 0.5 percent COLA for calendar year 2021.

Funding Policy – Plan members are required to contribute 10 percent of their annual covered salary and the PCLC is required to contribute 14 percent of annual covered payroll. The contribution requirements of plan members and employers are established and may be amended by the SERS’ Retirement Board up to statutory maximum amounts of 10 percent for plan members and 14 percent for employers. The Retirement Board, acting with the advice of the actuary, allocates the employer contribution rate among four of the System’s funds (Pension Trust Fund, Death Benefit Fund, Medicare B Fund, and Health Care Fund). For the fiscal year ended June 30, 2022, the allocation to pension, death benefits, and Medicare B was 14.0 percent. SERS did not allocate employer contributions to the Health Care Fund for fiscal year 2022.

The PCLC’s contractually required contribution to SERS was \$48,935 for fiscal year 2022. Of this amount, \$7,631 is reported as an intergovernmental payable.

Plan Description - State Teachers Retirement System (STRS)

Plan Description – School licensed teachers and other faculty members participate in STRS Ohio, a cost-sharing multiple-employer public employee retirement system administered by STRS. STRS provides retirement and disability benefits to members and death and survivor benefits to beneficiaries. STRS issues a stand-alone financial report that includes financial statements, required supplementary information and detailed information about STRS’ fiduciary net position. That report can be obtained by writing to STRS, 275 E. Broad St., Columbus, OH 43215-3771, by calling (888) 227-7877, or by visiting the STRS Web site at www.strsoh.org.

New members have a choice of three retirement plans; a Defined Benefit (DB) Plan, a Defined Contribution (DC) Plan, and a Combined Plan. Benefits are established by Ohio Revised Code Chapter 3307.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

The DB Plan offers an annual retirement allowance based on final average salary multiplied by a percentage that varies based on years of service. Effective August 1, 2015, the calculation is 2.2 percent of final average salary for the five highest years of earnings multiplied by all years of service. Effective August 1, 2017 – July 1, 2019, any member could retire with reduced benefits who had (1) five years of service credit and age 60; (2) 27 years of service credit and age 55; or (3) 30 years of service credit regardless of age. Effective August 1, 2019 – July 1, 2021, any member may retire with reduced benefits who has (1) five years of service credit and age 60; (2) 28 years of service credit and age 55; or (3) 30 years of service credit regardless of age. Eligibility changes will continue to be phased in until August 1, 2026, when retirement eligibility for unreduced benefits will be five years of service credit and age 65, or 35 years of service credit and at least age 60. Eligibility changes for actuarially reduced benefits will be phased in until August 1, 2026, when retirement eligibility will be five years of qualifying service credit and age 60, or 30 years of service credit at any age.

The DC Plan allows members to place all their member contributions and 9.53 percent of the 14 percent employer contributions into an investment account. Investment allocation decisions are determined by the member. The remaining 4.47 percent of the 14 percent employer rate is allocated to the defined benefit plan unfunded liability. A member is eligible to receive a monthly retirement benefit at age 50 and termination of employment. The member may elect to receive a lifetime monthly annuity or a lump sum withdrawal.

The Combined plan offers features of both the DB Plan and the DC Plan. In the Combined plan, 12 percent of the 14 percent member rate is deposited into the member's DC account and the remaining 2 percent is applied to the DB Plan. Member contributions to the DC Plan are allocated among investment choices by the member, and contributions to the DB Plan from the employer and the member are used to fund the defined benefit payment at a reduced level from the regular DB Plan. The defined benefit portion of the Combined plan payment is payable to a member on or after age 60 with five years of service. The defined contribution portion of the account may be taken as a lump sum payment or converted to a lifetime monthly annuity at age 50 and after termination of employment.

New members who choose the DC Plan or Combined Plan will have another opportunity to reselect a permanent plan during their fifth year of membership. Members may remain in the same plan or transfer to another STRS plan. The optional annuitization of a member's defined contribution account or the defined contribution portion of a member's Combined Plan account to a lifetime benefit results in STRS bearing the risk of investment gain or loss on the account. STRS has therefore included all three plan options as one defined benefit plan for GASB 68 reporting purposes.

A DB or Combined Plan member with five or more years of credited service who is determined to be disabled may qualify for a disability benefit. New members must have at least ten years of qualifying service credit to apply for disability benefits. Members in the DC plan who become disabled are entitled only to their account balance. Eligible survivors of members who die before service retirement may qualify for monthly benefits. If a member of the DC plan dies before retirement benefits begin, the member's designated beneficiary is entitled to receive the member's account balance.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

Funding Policy – Employer and member contribution rates are established by the State Teachers Retirement Board and limited by Chapter 3307 of the Ohio Revised Code. The statutory employer rate is 14 percent and the statutory member rate is 14 percent of covered payroll. The PCLC was required to contribute 14 percent; the entire 14 percent was the portion used to fund pension obligations. The 2022 contribution rates were equal to the statutory maximum rates.

The PCLC’s contractually required contribution to STRS was \$216,948 for fiscal year 2022. Of this amount, \$40,415 is reported as an intergovernmental payable.

Pension Liabilities, Pension Expense, and Deferred Outflows/Inflows of Resources Related to Pensions

The net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an independent actuarial valuation as of that date. The PCLC's proportion of the net pension liability was based on the employer’s share of employer contributions in the pension plan relative to the total employer contributions of all participating employers. Following is information related to the proportionate share and pension expense:

	SERS	STRS	Total
Proportion of the Net Pension Liability:			
Current Measurement Date	0.01167150%	0.01086068%	
Prior Measurement Date	0.01657890%	0.01518408%	
Change in Proportionate Share	-0.00490740%	-0.00432340%	
Proportionate Share of the Net			
Pension Liability	\$ 430,645	\$ 1,388,636	\$ 1,819,281
Pension Expense	\$ (3,375)	\$ (34,248)	\$ (37,623)

Other than contributions made subsequent to the measurement date and differences between projected and actual earnings on investments; deferred inflows/outflows of resources are recognized in pension expense beginning in the current period, using a straight line method over a closed period equal to the average of the expected remaining services lives of all employees that are provided with pensions, determined as of the beginning of the measurement period. Net deferred inflows/outflows of resources pertaining to the differences between projected and actual investment earnings are similarly recognized over a closed five year period.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

At June 30, 2022, the PCLC reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	<u>SERS</u>	<u>STRS</u>	<u>Total</u>
Deferred Outflows of Resources			
Differences between Expected and Actual Experience	\$ 42	\$ 42,903	\$ 42,945
Changes of Assumptions	9,068	385,232	394,300
Changes in Proportion and Differences between PCLC Contributions and Proportionate Share of Contributions	75,871	219,085	294,956
PCLC Contributions Subsequent to the Measurement Date	<u>48,935</u>	<u>216,948</u>	<u>265,883</u>
Total Deferred Outflows of Resources	<u>\$ 133,916</u>	<u>\$ 864,168</u>	<u>\$ 998,084</u>
Deferred Inflows of Resources			
Differences between Expected and Actual Experience	\$ 11,168	\$ 8,705	\$ 19,873
Net Difference between Projected and Actual Earnings on Pension Plan Investments	221,796	1,196,738	1,418,534
Changes in Proportion and Differences between PCLC Contributions and Proportionate Share of Contributions	<u>186,565</u>	<u>766,126</u>	<u>952,691</u>
Total Deferred Inflows of Resources	<u>\$ 419,529</u>	<u>\$ 1,971,569</u>	<u>\$ 2,391,098</u>

\$265,883 reported as deferred outflows of resources related to pension resulting from PCLC contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the fiscal year ending June 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pension will be recognized in pension expense as follows:

Fiscal Year Ending June 30:	<u>SERS</u>	<u>STRS</u>	<u>Total</u>
2023	\$ (96,074)	\$ (257,215)	\$ (353,289)
2024	(117,660)	(271,570)	(389,230)
2025	(52,735)	(366,807)	(419,542)
2026	<u>(68,079)</u>	<u>(428,757)</u>	<u>(496,836)</u>
Total	<u>\$ (334,548)</u>	<u>\$ (1,324,349)</u>	<u>\$ (1,658,897)</u>

Actuarial Assumptions - SERS

SERS' total pension liability was determined by their actuaries in accordance with GASB Statement No. 67, as part of their annual actuarial valuation for each defined benefit retirement plan. Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts (e.g., salaries, credited service) and assumptions about the probability of occurrence of events far into the future (e.g., mortality, disabilities, retirements, employment terminations). Actuarially determined amounts are subject to continual review and potential modifications, as actual results are compared with past expectations and new estimates are made about the future.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employers and plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing benefit costs between the employers and plan members to that point. The projection of benefits for financial reporting purposes does not explicitly incorporate the potential effects of legal or contractual funding limitations. Future benefits for all current plan members were projected through 2132.

Actuarial calculations reflect a long-term perspective. For a newly hired employee, actuarial calculations will take into account the employee's entire career with the employer and also take into consideration the benefits, if any, paid to the employee after termination of employment until the death of the employee and any applicable contingent annuitant. In many cases, actuarial calculations reflect several decades of service with the employer and the payment of benefits after termination.

Key methods and assumptions used in calculating the total pension liability in the latest actuarial valuation, prepared as of June 30, 2021, are presented below:

Actuarial Cost Method	Entry Age Normal (Level Percentage of Payroll, Closed)
Inflation	2.40 percent
Future Salary Increases, including inflation	3.25 percent to 13.58 percent
Investment Rate of Return	7.00 percent, net of investment expense, including inflation
COLA or Ad Hoc COLA	2.00 percent, on and after April 1, 2018, COLA's for future retirees will be delayed for three years following commencement

Mortality rates were based on the PUB-2010 General Employee Amount Weight Below Median Healthy Retiree mortality table projected to 2017 with ages set forward 1 year and adjusted 94.20 percent for males and set forward two years and adjusted 81.35 percent for females. Mortality among disabled members were based upon the PUB-2010 General Disabled Retiree mortality table projected to 2017 with ages set forward five years and adjusted 103.3 percent for males and set forward three years and adjusted 106.8 percent for females. Future improvement in mortality rates is reflected by applying the MP-2020 projection scale generationally.

The most recent experience study was completed for the five year period ended June 30, 2020.

The long-term return expectation for the investments has been determined by using a building-block approach and assumes a time horizon, as defined in SERS' *Statement of Investment Policy*. A forecasted rate of inflation serves as the baseline for the return expectation. Various real return premiums over the baseline inflation rate have been established for each asset class. The long-term expected nominal rate of return has been determined by calculating an arithmetic weighted average of the expected real return premiums for each asset class, adding the projected inflation rate, and adding the expected return from rebalancing uncorrelated asset classes.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

The target asset allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
Cash	2.00 %	(0.33) %
US Equity	24.75	5.72
Non-US Equity Developed	13.50	6.55
Non-US Equity Emerging	6.75	8.54
Fixed Income/Global Bonds	19.00	1.14
Private Equity	11.00	10.03
Real Estate/Real Assets	16.00	5.41
Multi-Asset Strategies	4.00	3.47
Private Debt/Private Credit	3.00	5.28
Total	100.00 %	

Discount Rate Total pension liability was calculated using the discount rate of 7.00 percent. The discount rate determination does not use a municipal bond rate. The projection of cash flows used to determine the discount rate assumed that employers would contribute the actuarially determined contribution rate of projected compensation over the remaining 23-year amortization period of the unfunded actuarial accrued liability. Projected inflows from investment earnings were calculated using the long-term assumed investment rate of return (7.00 percent). Based on those assumptions, the plan's fiduciary net position was projected to be available to make all future benefit payments of current plan members. Therefore, the long-term expected rate of return on investments was applied to all periods of projected benefits to determine the total pension liability. The annual money-weighted rate of return, calculated as the internal rate of return on pension plan investments was 28.18 percent.

Sensitivity of the School's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate Net pension liability is sensitive to changes in the discount rate, and to illustrate the potential impact the following table presents the PCLC's proportionate share of the net pension liability calculated using the discount rate of 7.00 percent, as well as what the PCLC's net pension liability would be if it were calculated using a discount rate that is one percentage point lower (6.00 percent), or one percentage point higher (8.00 percent) than the current rate.

	1% Decrease	Current Discount Rate	1% Increase
PCLC's Proportionate Share of the Net Pension Liability	\$ 716,487	\$ 430,645	\$ 189,581

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

Actuarial Assumptions - STRS

Key methods and assumptions used in the latest actuarial valuation, reflecting experience study results used in the June 30, 2021, actuarial valuation, are presented below:

Inflation	2.50 percent
Actuarial Cost Method	Entry Age Normal (Level Percent of Payroll)
Projected Salary Increases	12.50 percent at age 20 to 2.50 percent at age 65
Investment Rate of Return	7.00 percent, net of investment expenses, including inflation
Payroll Increases	3.00 percent
Cost-of-Living Adjustments	0.00 percent

Post-retirement mortality rates for healthy retirees are based on the RP-2014 Annuitant Mortality Table with 50 percent of rates through age 69, 70 percent of rates between ages 70 and 79, 90 percent of rates between ages 80 and 84, and 100 percent of rates thereafter, projected forward generationally using mortality improvement scale MP-2016. Pre-retirement mortality rates are based on RP-2014 Employee Mortality Tables, projected forward generationally using mortality improvement scale MP-2016. Post-retirement disabled mortality rates are based on the RP-2014 Disabled Mortality Table with 90 percent of rates for males and 100 percent of rates for females, projected forward generationally using mortality improvement scale MP-2016.

The actuarial assumptions used in the June 30, 2021 valuation, were based on the results of the latest available actuarial experience study, which is for the period July 1, 2011, through June 30, 2016. An actuarial experience study is done on a quinquennial basis.

STRS' investment consultant develops an estimate range for the investment return assumption based on the target allocation adopted by the Retirement Board. The target allocation and long-term expected rate of return for each major asset class are summarized as follows:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Rate of Return*</u>
Domestic Equity	28.00 %	7.35 %
International Equity	23.00	7.55
Alternatives	17.00	7.09
Fixed Income	21.00	3.00
Real Estate	10.00	6.00
Liquidity Reserves	1.00	2.25
Total	<u>100.00 %</u>	

*Ten year annualized geometric nominal returns, which include the real rate of return and inflation of 2.25 percent and does not include investment expenses. Over a 30-year period, STRS' investment consultant indicates that the above target allocations should generate a return above the actuarial rate of return, without net value added by management.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

Discount Rate. The discount rate used to measure the total pension liability was 7.00 percent as of June 30, 2021. The projection of cash flows used to determine the discount rate assumes that employer and member contributions will be made at statutory contribution rates of 14 percent each. For this purpose, only employer contributions that are intended to fund benefits of current plan members and their beneficiaries are included. Based on those assumptions, STRS' fiduciary net position was projected to be available to make all projected future benefit payments to current plan members as of June 30, 2021. Therefore, the long-term expected rate of return on investments of 7.00 percent was applied to all periods of projected benefit payments to determine the total pension liability as of June 30, 2021.

Sensitivity of the School's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate The following table represents the PCLC's proportionate share of the net pension liability measured as of June 30, 2021, calculated using the current period discount rate assumption of 7.00 percent, as well as what the PCLC's proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (6.00 percent) or one percentage point higher (8.00 percent) than the current assumption:

	1% Decrease	Current Discount Rate	1% Increase
PCLC's Proportionate Share of the Net Pension Liability	\$ 2,600,395	\$ 1,388,636	\$ 364,702

Assumption and Benefit Changes since the Prior Measurement Date The discount rate was adjusted to 7.00 percent from 7.45 percent for the June 30, 2021 valuation.

NOTE 9 - DEFINED BENEFIT OPEB PLANS

See Note 8 for a description of the net OPEB liability (asset).

Plan Description - School Employees Retirement System (SERS)

Health Care Plan Description - The PCLC contributes to the SERS Health Care Fund, administered by SERS for non-certificated retirees and their beneficiaries. For GASB 75 purposes, this plan is considered a cost-sharing other postemployment benefit (OPEB) plan. SERS' Health Care Plan provides healthcare benefits to eligible individuals receiving retirement, disability, and survivor benefits, and to their eligible dependents. Members who retire after June 1, 1986, need 10 years of service credit, exclusive of most types of purchased credit, to qualify to participate in SERS' health care coverage. In addition to age and service retirees, disability benefit recipients and beneficiaries who are receiving monthly benefits due to the death of a member or retiree, are eligible for SERS' health care coverage. Most retirees and dependents choosing SERS' health care coverage are over the age of 65 and therefore enrolled in a fully insured Medicare Advantage plan; however, SERS maintains a traditional, self-insured preferred provider organization for its non-Medicare retiree population. For both groups, SERS offers a self-insured prescription drug program. Health care is a benefit that is permitted, not mandated, by statute. The financial report of the Plan is included in the SERS Annual Comprehensive Financial Report which can be obtained on SERS' website at www.ohsers.org under Employers/Audit Resources.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

Access to health care for retirees and beneficiaries is permitted in accordance with Section 3309 of the Ohio Revised Code. The Health Care Fund was established and is administered in accordance with Internal Revenue Code Section 105(e). SERS' Retirement Board reserves the right to change or discontinue any health plan or program. Active employee members do not contribute to the Health Care Plan. The SERS Retirement Board established the rules for the premiums paid by the retirees for health care coverage for themselves and their dependents or for their surviving beneficiaries. Premiums vary depending on the plan selected, qualified years of service, Medicare eligibility, and retirement status.

Funding Policy - State statute permits SERS to fund the health care benefits through employer contributions. Each year, after the allocation for statutorily required pensions and benefits, the Retirement Board may allocate the remainder of the employer contribution of 14 percent of covered payroll to the Health Care Fund in accordance with the funding policy. For the fiscal year ended June 30, 2022, SERS did not allocate any employer contributions to health care. An additional health care surcharge on employers is collected for employees earning less than an actuarially determined minimum compensation amount, pro-rated if less than a full year of service credit was earned. For fiscal year 2022, this amount was \$25,000. Statutes provide that no employer shall pay a health care surcharge greater than 2.0 percent of that employer's SERS-covered payroll; nor may SERS collect in aggregate more than 1.5 percent of the total statewide SERS-covered payroll for the health care surcharge. For fiscal year 2022, the PCLC's surcharge obligation was \$3,033.

Plan Description - State Teachers Retirement System (STRS)

Plan Description – The State Teachers Retirement System of Ohio (STRS) administers a cost-sharing Health Plan administered for eligible retirees who participated in the defined benefit or combined pension plans offered by STRS. Ohio law authorizes STRS to offer this plan. Benefits include hospitalization, physicians' fees, prescription drugs and partial reimbursement of monthly Medicare Part B premiums. Medicare Part B partial premium reimbursements will be continued indefinitely. The Plan is included in the report of STRS which can be obtained by visiting www.strsoh.org or by calling (888) 227-7877.

Funding Policy – Ohio Revised Code Chapter 3307 authorizes STRS to offer the Plan and gives the Retirement Board discretionary authority over how much, if any, of the health care costs will be absorbed by STRS. Active employee members do not contribute to the Health Care Plan. Nearly all health care plan enrollees, for the most recent year, pay a portion of the health care costs in the form of a monthly premium. Under Ohio law, funding for post-employment health care may be deducted from employer contributions, currently 14 percent of covered payroll. For the fiscal year ended June 30, 2022, STRS did not allocate any employer contributions to post-employment health care.

For the Fiscal Year Ended June 30, 2022

OPEB Liability (Asset), OPEB Expense, and Deferred Outflows/Inflows of Resources Related to OPEB

The net OPEB liability (asset) was measured as of June 30, 2021, and the total OPEB liability used to calculate the net OPEB liability (asset) was determined by an actuarial valuation as of that date. The PCLC's proportion of the net OPEB liability (asset) was based on the PCLC's share of contributions to the respective retirement systems relative to the contributions of all participating entities. Following is information related to the proportionate share and OPEB expense:

	SERS	STRS	Total
Proportion of the Net OPEB Liability (Asset):			
Current Measurement Date	0.01189700%	0.01086100%	
Prior Measurement Date	0.01560300%	0.01518400%	
Change in Proportionate Share	<u>-0.00370600%</u>	<u>-0.00432300%</u>	
Proportionate Share of the Net			
OPEB Liability (Asset)	\$ 225,166	\$ (228,995)	
OPEB Expense	\$ 5,126	\$ (3,242)	\$ 1,884

At June 30, 2022, the PCLC reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	SERS	STRS	Total
Deferred Outflows of Resources			
Differences between Expected and			
Actual Experience	\$ 2,400	\$ 8,154	\$ 10,554

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

\$3,033 reported as deferred outflows of resources related to OPEB resulting from PCLC contributions subsequent to the measurement date will be recognized as a reduction of the net OPEB liability in the fiscal year ending June 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

	SERS	STRS	Total
Fiscal Year Ending June 30:			
2023	\$ (15,553)	\$ (49,801)	\$ (65,354)
2024	(15,587)	(48,211)	(63,798)
2025	(18,329)	(53,023)	(71,352)
2026	(14,730)	(26,768)	(41,498)
2027	(14,921)	(9,353)	(24,274)
Thereafter	(12,071)	(155)	(12,226)
Total	\$ (91,191)	\$ (187,311)	\$ (278,502)

Actuarial Assumptions - SERS

The total OPEB liability is determined by SERS' actuaries in accordance with GASB Statement No. 74, as part of their annual actuarial valuation for each retirement plan. Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts (e.g., salaries, credited service) and assumptions about the probability of occurrence of events far into the future (e.g., mortality, disabilities, retirements, employment terminations). Actuarially determined amounts are subject to continual review and potential modifications, as actual results are compared with past expectations and new estimates are made about the future.

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employers and plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing benefit costs between the employers and plan members to that point. The projection of benefits for financial reporting purposes does not explicitly incorporate the potential effects of legal or contractual funding limitations.

Actuarial calculations reflect a long-term perspective. For a newly hired employee, actuarial calculations will take into account the employee's entire career with the employer and also take into consideration the benefits, if any, paid to the employee after termination of employment until the death of the employee and any applicable contingent annuitant. In many cases, actuarial calculations reflect several decades of service with the employer and the payment of benefits after termination.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

Key methods and assumptions used in calculating the total OPEB liability in the latest actuarial valuation date of June 30, 2021, are presented below:

Inflation	2.40 percent
Salary Increases, including inflation	3.25 percent to 13.58 percent
Investment Rate of Return	7.00 percent net of investment expense, including inflation
Municipal Bond Index Rate	
Measurement Date	1.92 percent
Prior Measurement Date	2.45 percent
Single Equivalent Interest Rate	
Measurement Date	2.27 percent, net of plan investment expense, including price inflation
Prior Measurement Date	2.63 percent, net of plan investment expense, including price inflation
Health Care Cost Trend Rate	
Pre-Medicare	6.750 percent - 4.40 percent
Medicare	5.125 percent - 4.40 percent

Mortality rates were based on the PUB-2010 General Employee Amount Weight Below Median Healthy Retiree mortality table projected to 2017 with ages set forward 1 year and adjusted 94.20 percent for males and set forward two years and adjusted 81.35 percent for females. Mortality among disabled members were based upon the PUB-2010 General Disabled Retiree mortality table projected to 2017 with ages set forward five years and adjusted 103.3 percent for males and set forward three years and adjusted 106.8 percent for females. Future improvement in mortality rates is reflected by applying the MP-2020 projection scale generationally.

The most recent experience study was completed for the five year period ended June 30, 2020.

The long-term expected rate of return on plan assets is reviewed as part of the actuarial five-year experience study. The most recent study covers fiscal years 2016 through 2020, and was adopted by the Board on April 15, 2021. Several factors are considered in evaluating the long-term rate of return assumption including long-term historical data, estimates inherent in current market data, and a log-normal distribution analysis in which best-estimate ranges of expected future real rates of return (expected return, net of investment expense and inflation) were developed by the investment consultant for each major asset class. These ranges were combined to produce the long-term expected rate of return, 7.00 percent, by weighting the expected future real rates of return by the target asset allocation percentage and then adding expected inflation. The capital market assumptions developed by the investment consultant are intended for use over a 10-year horizon and may not be useful in setting the long-term rate of return for funding pension plans which covers a longer time frame. The assumption is intended to be a long-term assumption and is not expected to change absent a significant change in the asset allocation, a change in the inflation assumption, or a fundamental change in the market that alters expected returns in future years.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

The target asset allocation and best estimates of arithmetic real rates of return for each major asset class, as used in the June 30, 2020 five-year experience study, are summarized as follows:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Cash	2.00 %	(0.33) %
US Equity	24.75	5.72
Non-US Equity Developed	13.50	6.55
Non-US Equity Emerging	6.75	8.54
Fixed Income/Global Bonds	19.00	1.14
Private Equity	11.00	10.03
Real Estate/Real Assets	16.00	5.41
Multi-Asset Strategies	4.00	3.47
Private Debt/Private Credit	3.00	5.28
Total	<u>100.00 %</u>	

Discount Rate The discount rate used to measure the total OPEB liability at June 30, 2021, was 2.27 percent. The discount rate used to measure total OPEB liability prior to June 30, 2021 was 2.63 percent. The projection of cash flows used to determine the discount rate assumed that contributions will be made from members and the plan at the contribution rate of 1.50 percent of projected covered payroll each year, which includes a 1.50 percent payroll surcharge and no contributions from the basic benefits plan. Based on these assumptions, the OPEB plan's fiduciary net position was projected to become insufficient to make all projected future benefit payments of current System members by SERS actuaries. The Municipal Bond Index Rate is used in the determination of the SEIR for both the June 30, 2020 and the June 30, 2021 total OPEB liability. The Municipal Bond Index rate is the single rate that will generate a present value of benefit payments equal to the sum of the present value determined by the long-term expected rate of return, and the present value determined by discounting those benefits after the date of depletion. The Municipal Bond Index Rate is 1.92 percent at June 30, 2021 and 2.45 percent at June 30, 2020.

Sensitivity of the School's Proportionate Share of the Net OPEB Liability to Changes in the Discount Rate and Changes in the Health Care Cost Trend Rates The net OPEB liability is sensitive to changes in the discount rate and the health care cost trend rate. The following table presents the net OPEB liability and what the net OPEB liability would be if it were calculated using a discount rate that is one percentage point lower (1.27 percent) and higher (3.27 percent) than the current discount rate (2.27 percent). Also shown is what the net OPEB liability would be based on health care cost trend rates that are one percentage point lower (5.75 percent decreasing to 3.40 percent) and higher (7.75 percent decreasing to 5.40 percent) than the current rate (6.75 percent decreasing to 4.40 percent).

	<u>1% Decrease</u>	<u>Current Discount Rate</u>	<u>1% Increase</u>
PCLC's Proportionate Share of the Net OPEB Liability	\$ 279,001	\$ 225,166	\$ 182,149
	<u>1% Decrease</u>	<u>Current Trend Rate</u>	<u>1% Increase</u>
PCLC's Proportionate Share of the Net OPEB Liability	\$ 173,355	\$ 225,166	\$ 294,357

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

Actuarial Assumptions – STRS

Key methods and assumptions used in the latest actuarial valuation, reflecting experience study results used in the June 30, 2021, actuarial valuation are presented below:

Inflation	2.50 percent	
Projected Salary Increases	12.50 percent at age 20 to 2.50 percent at age 65	
Payroll Increases	3.00 percent	
Investment Rate of Return	7.00 percent, net of investment expenses, including inflation	
Discount Rate of Return	7.00 percent	
Health Care Cost Trend Rates		
Medical	<u>Initial</u>	<u>Ultimate</u>
Pre-Medicare	5.00 percent	4.00 percent
Medicare	-16.18 percent	4.00 percent
Prescription Drug		
Pre-Medicare	6.50 percent	4.00 percent
Medicare	29.98 percent	4.00 percent

Projections of benefits include the historical pattern of sharing benefit costs between the employers and retired plan members.

For healthy retirees the mortality rates are based on the RP-2014 Annuitant Mortality Table with 50 percent of rates through age 69, 70 percent of rates between ages 70 and 79, 90 percent of rates between ages 80 and 84, and 100 percent of rates thereafter, projected forward generationally using mortality improvement scale MP-2016. For disabled retirees, mortality rates are based on the RP-2014 Disabled Mortality Table with 90 percent of rates for males and 100 percent of rates for females, projected forward generationally using mortality improvement scale MP-2016.

The actuarial assumptions used in the June 30, 2021 valuation were adopted by the board from the results of an actuarial experience study for July 1, 2011, through June 30, 2016.

STRS' investment consultant develops an estimate range for the investment return assumption based on the target allocation adopted by the Retirement Board. The target allocation and long-term expected rate of return for each major asset class are summarized as follows:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Rate of Return*</u>
Domestic Equity	28.00 %	7.35 %
International Equity	23.00	7.55
Alternatives	17.00	7.09
Fixed Income	21.00	3.00
Real Estate	10.00	6.00
Liquidity Reserves	1.00	2.25
Total	<u>100.00 %</u>	

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

*Ten year annualized geometric nominal returns, which include the real rate of return and inflation of 2.25 percent and does not include investment expenses. Over a 30-year period, STRS' investment consultant indicates that the above target allocations should generate a return above the actuarial rate of return, without net value added by management.

Discount Rate The discount rate used to measure the total OPEB liability was 7.00 percent as of June 30, 2021. The projection of cash flows used to determine the discount rate assumed STRS continues to allocate no employer contributions to the health care fund. Based on those assumptions, the OPEB plan's fiduciary net position was projected to be available to make all projected future benefit payments to current plan members. Therefore, the long-term expected rate of return on health care plan investments of 7.00 percent was applied to all periods of projected benefit payments to determine the total OPEB liability as of June 30, 2021.

Sensitivity of the School's Proportionate Share of the Net OPEB Asset to Changes in the Discount Rate and Health Care Cost Trend Rate The following table represents the net OPEB asset measured as of June 30, 2021, calculated using the current period discount rate assumption of 7.00 percent, as well as what the net OPEB asset would be if it were calculated using a discount rate that is one percentage point lower (6.00 percent) or one percentage point higher (8.00 percent) than the current assumption. Also shown is the net OPEB asset as of June 30, 2021, calculated using health care cost trend rates that are one percentage point lower and one percentage point higher than the current health care cost trend rates.

	1% Decrease	Current Discount Rate	1% Increase
PCLC's Proportionate Share of the Net OPEB Liability (Asset)	\$ (193,237)	\$ (228,995)	\$ (258,866)
		Current Trend Rate	1% Increase
PCLC's Proportionate Share of the Net OPEB Liability (Asset)	\$ (257,656)	\$ (228,995)	\$ (193,554)

Assumption Changes Since the Prior Measurement Date The discount rate was adjusted to 7.00 percent from 7.45 percent for the June 30, 2021 valuation.

Benefit Term Changes Since the Prior Measurement Date The non-Medicare subsidy percentage was increased effective January 1, 2022 from 2.055 percent to 2.100 percent. The non-Medicare frozen subsidy base premium was increased effective January 1, 2022. The Medicare Part D subsidy was updated to reflect it is expected to be negative in calendar year 2022. The Part B monthly reimbursement elimination date was postponed indefinitely.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

NOTE 10 – SHORT-TERM OBLIGATIONS

The changes in the PCLC’s short-term obligations during fiscal year 2022 were as follows:

	<u>Beginning Balance</u>	<u>Additions</u>	<u>Deletions</u>	<u>Ending Balance</u>	<u>Due Within One Year</u>
Short Term Obligations:					
Management Company Loan	\$ -	\$ 40,000	\$ (40,000)	\$ -	\$ -
PNC Line of Credit	-	30,000	(30,000)	-	-
Total Short-Term Obligations	<u>\$ -</u>	<u>\$ 70,000</u>	<u>\$ (70,000)</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 11 - RESTRICTED NET POSITION

At June 30, 2022, the PCLC reported restricted net position as follows:

Debt Service Reserve	\$ 85,468
Student Wellness and Success	<u>271,014</u>
Total	<u>\$356,482</u>

NOTE 12 - CONTINGENCIES

Grants

The PCLC received financial assistance from federal and State agencies in the form of grants. The expenditure of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and is subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability. The effect of any such disallowed claims on the overall financial position of the PCLC at June 30, 2022, if applicable, cannot be determined at this time. However, in the opinion of the PCLC, any such disallowed claims will not have a material adverse effect on the financial position of the PCLC at fiscal year-end.

Foundation Funding

PCLC foundation funding is based on the annualized full-time equivalent (FTE) enrollment of each student. However, there is an important nexus between attendance and enrollment for Foundation funding purposes. Community schools must provide documentation that clearly demonstrates students have participated in learning opportunities. The Ohio Department of Education (ODE) is legislatively required to adjust/reconcile funding as enrollment information is updated by schools throughout the State, which can extend past the fiscal year end.

Under Ohio Rev. Code Section 3314.08, ODE may also perform a FTE review for the fiscal year that may result in an additional adjustment to the enrollment information as well as claw backs of Foundation funding due to a lack of evidence to support student participation and other matters of noncompliance. As of the date of this report, ODE has not performed an FTE Review on the PCLC for fiscal year 2022.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

As of the date of this report, additional ODE adjustments for fiscal year 2022 are finalized. The impact of FTE adjustments did not have a material impact on the financial statements.

In addition, the PCLC's contracts with Mangen & Associates require payment based on revenues received from the State. As discussed above, the fiscal year 2022 FTE review final determination appeal is not finalized. Until ODE finalizes this appeal, the impact on the fiscal year 2022 financial statements related to additional reconciliation necessary with these contracts/agreements, is not determinable. Management believes this may result in a receivable to the PCLC.

NOTE 13 - CONTRACTED FISCAL SERVICES

The PCLC is a party to a fiscal services agreement with Mangen & Associates (M&A) School Resource Center, which is an education finance consulting company. The agreement may be terminated by either party, with or without cause, by giving the other party ninety days written notice to terminate. The agreement provides that M&A will perform the following services:

1. Financial Management Services
2. Treasurer Services
3. Payroll / Payables Services
4. CCIP Budget / Federal Programs Monitoring
5. EMIS / DASL / SOES Services

NOTE 14 - OTHER EMPLOYEE BENEFITS

Compensated Absences

All employees receive five sick days and two personal days per school year. Employees are not permitted to carry over balances at year end; therefore, there is no liability for accrued compensated absences.

Employee Medical and Dental Benefits

The PCLC has purchased insurance from Anthem Blue Cross Blue Shield to provide employee medical/surgical benefits. The PCLC pays 80 percent for the employee's rate and 75 percent of any dependents, including spouses. Dental Care Plus provides dental coverage to all employees with PCLC paying 80 percent of the premium. The PCLC makes vision insurance coverage to employees through Avesis Third Administrators, Inc. which are 100 percent the employee's responsibility.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

NOTE 15 - PURCHASED SERVICES

During the fiscal year, purchased service expenses for services rendered by various vendors were as follows:

Professional and Technical Services	\$ 291,489
Contracted Food Services	186,491
Property Services	220,991
Utilities	134,315
Management Services	74,512
Health Services	96,152
Data Processing Services	10,469
Instructional Services	212,483
Postage/Advertising	38,260
Total	<u>\$ 1,265,162</u>

NOTE 16 - SPONSOR

The PCLC has contracted with Thomas B. Fordham Foundation to provide sponsorship services. The PCLC pays the Thomas B. Fordham Foundation 2 percent of monthly foundation payments. The sponsor provides oversight, monitoring, treasury and technical assistance for the PCLC.

NOTE 17 – RELATED PARTY TRANSACTIONS

Dr. Glenda Brown, Superintendent, and Mr. Luther Brown, Board President, who are co-founders of the PCLC are married.

The PCLC employed Sherrylon Miree, Dr. Glenda Brown’s niece, during fiscal year 2022 and was paid \$11,458 in salary.

NOTE 18 - CHANGE IN ACCOUNTING PRINCIPLES

For the fiscal year ended June 30, 2022, the PCLC has implemented Governmental Accounting Standards Board (GASB) Statement No. 87, *Leases*, certain provisions of GASB Statement No. 93, *Replacement of Interbank Offered Rates*, certain provisions of GASB Statement No. 97, *Certain Component Unit Criteria, and Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans—an amendment of GASB Statements No. 14 and No. 84, and a supersession of GASB Statement No. 32*, and certain provisions in GASB Statement No. 99, *Omnibus 2022*.

GASB Statement No. 87 requires recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. The implementation of GASB Statement No. 87 did not have an effect on the financial statements of the PCLC.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Basic Financial Statements
For the Fiscal Year Ended June 30, 2022

GASB Statement No. 93 addresses accounting and financial reporting effects that result from the replacement of interbank offered rates (IBORs) with other reference rates in order to preserve the reliability, relevance, consistency, and comparability of reported information. The implementation of paragraphs 13 and 14 of GASB Statement No. 93 did not have an effect on the financial statements of the PCLC.

GASB Statement No. 97 requirements that are related to a) the accounting and financial reporting for Section 457 plans and b) determining whether a primary government is financially accountable for a potential component unit were implemented for fiscal year 2022. The implementation of GASB Statement No. 97 did not have an effect on the financial statements of the PCLC.

GASB Statement No. 99 enhances comparability in the application of accounting and financial reporting requirements and will improve consistency of authoritative literature. The implementation of certain provisions of GASB Statement No. 99 did not have an effect on the financial statements of the PCLC.

NOTE 19 – COVID-19

The United States and the State of Ohio declared a state of emergency in March of 2020 due to the COVID-19 pandemic. Ohio's state of emergency ended in June, 2021 while the national state of emergency continues. During fiscal year 2022, the PCLC received COVID-19 funding. The financial impact of COVID-19 and the continuing recovery measures will impact subsequent periods of the PCLC. The impact on the PCLC's future operating costs, revenues, and additional recovery from funding, either federal or state, cannot be estimated.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Required Supplementary
Information
For the Fiscal Year Ended June 30, 2022

NOTE 1 - NET PENSION LIABILITY

There were no changes in assumptions or benefit terms for the fiscal years reported unless otherwise stated below:

Changes in Assumptions - SERS

For fiscal year 2022, the SERS Board adopted the following assumption changes:

- Assumed rate of inflation was reduced from 3.00 percent to 2.40 percent
- Assumed real wage growth was reduced from 0.50 percent to 0.85 percent
- Discount rate was reduced from 7.50 percent to 7.00 percent
- Rates of withdrawal, retirement and disability were updated to reflect recent experience.
- Mortality among active members, service retirees and beneficiaries, and disabled members were updated.

For fiscal year 2017, the SERS Board adopted the following assumption changes:

- Assumed rate of inflation was reduced from 3.25 percent to 3.00 percent
- Payroll Growth Assumption was reduced from 4.00 percent to 3.50 percent
- Assumed real wage growth was reduced from 0.75 percent to 0.50 percent
- Rates of withdrawal, retirement and disability were updated to reflect recent experience.
- Mortality among active members was updated to RP-2014 Blue Collar Mortality Table with fully generational projection and a five year age set-back for both males and females.
- Mortality among service retired members, and beneficiaries was updated to RP-2014 Blue Collar Mortality Table with fully generational projection with Scale BB, 120 percent of male rates, and 110 percent of female rates.
- Mortality among disabled members was updated to RP-2000 Disabled Mortality Table, 90 percent for male rates and 100 percent for female rates, set back five years is used for the period after disability retirement.

Changes in Benefit Terms - SERS

For fiscal year 2021, cost-of-living adjustments was reduced from 2.50 percent to 2.00 percent.

For fiscal year 2018, the cost-of-living adjustment was changed from a fixed 3.00 percent to a cost-of-living adjustment that is indexed to CPI-W not greater than 2.50 percent with a floor of zero percent beginning January 1, 2018. In addition, with the authority granted the Board under HB 49, the Board has enacted a three-year COLA suspension for benefit recipients in calendar years 2018, 2019 and 2020.

Changes in Assumptions – STRS

For fiscal year 2018, the Retirement Board approved several changes to the actuarial assumptions in 2017. The long term expected rate of return was reduced from 7.75 percent to 7.45 percent, the inflation assumption was lowered from 2.75 percent to 2.50 percent, the payroll growth assumption was lowered to 3.00 percent, and total salary increases rate was lowered by decreasing the merit component of the individual salary increases, in addition to a decrease of 0.25 percent due to lower inflation. The healthy and disabled mortality assumptions were updated to the RP-2014 mortality tables with generational improvement scale MP-2016. Rates of retirement, termination and disability were modified to better reflect anticipated future experience.

Changes in Benefit Terms - STRS

For fiscal year 2018, the cost-of-living adjustment (COLA) was reduced to zero.

Hamilton County, Ohio
Notes to the Required Supplementary
Information
For the Fiscal Year Ended June 30, 2022

NOTE 2 - NET OPEB LIABILITY (ASSET)

Changes in Assumptions – SERS

Amounts reported incorporate changes in key methods and assumptions used in calculating the total OPEB liability as presented as follows:

Municipal Bond Index Rate:

Fiscal year 2022	1.92 percent
Fiscal year 2021	2.45 percent
Fiscal year 2020	3.13 percent
Fiscal year 2019	3.62 percent
Fiscal year 2018	3.56 percent
Fiscal year 2017	2.92 percent

Single Equivalent Interest Rate, net of plan investment expense, including price inflation:

Fiscal year 2022	2.27 percent
Fiscal year 2021	2.63 percent
Fiscal year 2020	3.22 percent
Fiscal year 2019	3.70 percent
Fiscal year 2018	3.63 percent
Fiscal year 2017	2.98 percent

Pre-Medicare Trend Assumption

Fiscal year 2022	6.75 percent initially, decreasing to 4.40 percent
Fiscal year 2021	7.00 percent initially, decreasing to 4.75 percent
Fiscal year 2020	7.00 percent initially, decreasing to 4.75 percent
Fiscal year 2019	7.25 percent initially, decreasing to 4.75 percent
Fiscal year 2018	7.50 percent initially, decreasing to 4.00 percent

Medicare Trend Assumption

Fiscal year 2022	5.125 percent initially, decreasing to 4.40 percent
Fiscal year 2021	5.25 percent initially, decreasing to 4.75 percent
Fiscal year 2020	5.25 percent initially, decreasing to 4.75 percent
Fiscal year 2019	5.375 percent initially, decreasing to 4.75 percent
Fiscal year 2018	5.50 percent initially, decreasing to 5.00 percent

Changes in Benefit Terms - SERS

There have been no changes to the benefit provisions.

Changes in Assumptions – STRS

For fiscal year 2021, valuation year per capita health care costs were updated. Health care cost trend rates ranged from -5.20 percent to 9.60 percent initially for fiscal year 2020 and changed for fiscal year 2021 to a range of -6.69 percent to 11.87 percent, initially.

For fiscal year 2019, the discount rate was increased from the blended rate of 4.13 percent to the long-term expected rate of return of 7.45 percent. Valuation year per capita health care costs were updated. Health care cost trend rates ranged from 6.00 percent to 11 percent initially and a 4.50 percent ultimate rate for fiscal year 2018 and changed for fiscal year 2019 to a range of -5.20 percent to 9.60 percent, initially and a 4.00 ultimate rate.

Phoenix Community Learning Center
Hamilton County, Ohio
Notes to the Required Supplementary
Information
For the Fiscal Year Ended June 30, 2022

For fiscal year 2018, the blended discount rate was increased from 3.26 percent to 4.13 percent. Valuation year per capita health care costs were updated, and the salary scale was modified. The percentage of future retirees electing each option was updated based on current data and the percentage of future disabled retirees and terminated vested participants electing health coverage were decreased. The assumed mortality, disability, retirement, withdrawal and future health care cost trend rates were modified along with the portion of rebated prescription drug costs.

Changes in Benefit Terms – STRS

For fiscal year 2021, there were no changes to the claims costs process. Claim curves were updated to reflect the projected fiscal year 2021 premium based on June 30, 2020 enrollment distribution. The non-Medicare subsidy percentage was increased effective January 1, 2021 from 1.984 percent to 2.055 percent per year of service. The non-Medicare frozen subsidy base premium was increased effective January 1, 2021. The Medicare subsidy percentages were adjusted effective January 1, 2021 to .1 percent for the AMA Medicare plan. The Medicare Part B monthly reimbursement elimination date was postponed indefinitely.

For fiscal year 2020, there was no change to the claims costs process. Claim curves were trended to the fiscal year ending June 30, 2020 to reflect the current price renewals. The non-Medicare subsidy percentage was increased effective January 1, 2020 from 1.944 percent to 1.984 percent per year of service. The non-Medicare frozen subsidy base premium was increased effective January 1, 2020. The Medicare subsidy percentages were adjusted effective January 1, 2021 to 2.1 percent for the Medicare plan. The Medicare Part B monthly reimbursement elimination date was postponed to January 1, 2021

For fiscal year 2019, the subsidy multiplier for non-Medicare benefit recipients was increased from 1.9 percent to 1.944 percent per year of service effective January 1, 2019. The non-Medicare frozen subsidy base premium was increased effective January 1, 2019 and all remaining Medicare Part B premium reimbursements will be discontinued beginning January 1, 2020.

For fiscal year 2018, the subsidy multiplier for non-Medicare benefit recipients was reduced from 2.1 percent to 1.9 percent per year of service. Medicare Part B premium reimbursements were discontinued for certain survivors and beneficiaries and all remaining Medicare Part B premium reimbursements will be discontinued beginning January 2019. This was subsequently extended, see above paragraph.

**PHOENIX COMMUNITY LEARNING CENTER
HAMILTON COUNTY**

**NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
2 CFR 200.510(b)(6)
FOR THE YEAR ENDED JUNE 30, 2022**

NOTE A – BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) includes the federal award activity of Phoenix Community Learning Center (the School) under programs of the federal government for the year ended June 30, 2022. The information on this Schedule is prepared in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the School, it is not intended to and does not present the financial position, changes in net position, or cash flows of the School.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the cash basis of accounting. Such expenditures are recognized following the cost principles contained in Uniform Guidance wherein certain types of expenditures may or may not be allowable or may be limited as to reimbursement.

NOTE C – INDIRECT COST RATE

The School has elected not to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

NOTE D - CHILD NUTRITION CLUSTER

The School commingles cash receipts from the U.S. Department of Agriculture with similar State grants. When reporting expenditures on this Schedule, the School assumes it expends federal monies first.

NOTE E – SCHOOLWIDE POOL

The following amounts were transferred to the Schoolwide Building Program Fund based on ODE administrative action and transferability guidelines during fiscal year 2022:

<u>Fund</u>	<u>ALN</u>	<u>Transfer In</u>	<u>Transfer Out</u>
Schoolwide Building Program Fund	N/A	\$629,119	
Title I Grants to Local Education Agencies	84.010		\$552,274
Supporting Effective Instruction State Grants	84.367		37,067
Student Support and Academic Enrichment	84.424		39,778
Total Schoolwide Pool		\$629,119	\$629,119

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
REQUIRED BY GOVERNMENT AUDITING STANDARDS**

Phoenix Community Learning Center
Hamilton County
3595 Washington Avenue
Cincinnati, Ohio 45229

To the Board of Directors:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the Phoenix Community Learning Center, Hamilton County, (the School) as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the School's basic financial statements and have issued our report thereon dated December 30, 2022, wherein we noted the financial impact of COVID-19 and the ensuing emergency measures will impact subsequent periods of the School.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the School's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS
APPLICABLE TO THE MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

Phoenix Community Learning Center
Hamilton County
3595 Washington Avenue
Cincinnati, Ohio 45229

To the Board of Directors:

Report on Compliance for the Major Federal Program

Opinion on the Major Federal Program

We have audited Phoenix Community Learning Center's, Hamilton County, (the School) compliance with the types of compliance requirements identified as subject to audit in the U.S. Office of Management and Budget (OMB) *Compliance Supplement* that could have a direct and material effect on Phoenix Community Learning Center's major federal program for the year ended June 30, 2022. Phoenix Community Learning Center's major federal program is identified in the *Summary of Auditor's Results* section of the accompanying schedule of findings.

In our opinion, Phoenix Community Learning Center complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2022.

Basis for Opinion on the Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the *Auditor's Responsibilities for the Audit of Compliance* section of our report.

We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of the School's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

The School's Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the School's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the School's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the School's compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the School's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of the School's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Independent Auditor's Report on Compliance with Requirements Applicable to the Major Federal
Program and on Internal Control over Compliance Required by the Uniform Guidance
Page 3

Our consideration of internal control over compliance was for the limited purpose described in the *Auditor's Responsibilities for the Audit of Compliance* section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of this testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
