INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Tipp City Public Library
Miami County
11 East Main Street
Tipp City, Ohio 45371

We have performed the procedures enumerated below on the Tipp City Public Library's (the Library) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2021 and 2020 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Library. The Library is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2021 and 2020 certain compliance requirements related to these transactions and balances included in the information provided to us by the Library.

The Board of Trustees and the management of the Library have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Library's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2021 and 2020, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash and Investments

1. We recalculated the December 31, 2021 and December 31, 2020 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2020 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2019 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2021 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2020 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the 2021 and 2020 bank reconciliation adjusted UAN Balances and adjusted bank balances as of December 31, 2021 and 2020 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Library in the Hinkle System. The amounts agreed for 2020. However, for year-end 2021, there was an adjusting factor of \$2,431 related to a payment made to the Internal Revenue Service in September 2021 that was not recorded in the Library's accounting system. This resulted in a difference of \$2,431 between the amount reported on the bank reconciliation and the amounts shown in the Fund Status Report and the financial statements filed in the Hinkle System.

Cash and Investments (Continued)

4. We confirmed the December 31, 2021 bank account balances with the Library's financial institution and the Troy Foundation. We also observed a year-end bank balance on the financial institution's website. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2021 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2021 bank reconciliation:
 - a. We traced each debit to the subsequent February bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register to determine if the debits were dated prior to December 31. We found that all five outstanding payments were actually dated after December 31 and were recorded in the incorrect period. These were all credit card transactions for which the Library entered in the accounting system as of the credit card transaction date rather than the actual credit card payment date.
6. We traced interbank account transfers occurring in December 2020 to the accounting records and bank statements to determine if they were properly recorded. We found no exceptions.
7. We inspected investments held at December 31, 2021 and December 31, 2020 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code §§135.13, 135.14 or 135.144. We found that the Library had recorded cash and investments with the Tipp City Public Library Endowment Fund of the Tipp City Foundation, which is held by the Troy Foundation in the amounts of \$1,155,006 and \$732,072 as of December 31, 2021 and December 31, 2020, respectively. As the endowment fund is pooled with other investments held by the Troy Foundation, we are unable to determine if the funds are being held in allowable investments.
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code § 135.13 or 135.14. We found that the Library had recorded cash and investments with the Tipp City Public Library Endowment Fund of the Tipp City Foundation, which is held by the Troy Foundation in the amounts of \$1,155,006 and \$732,072 as of December 31, 2021 and December 31, 2020, respectively. As the endowment fund is pooled with other investments held by the Troy Foundation, we are unable to determine if the funds are being held in investments that mature within the allowable time limits.

 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Detail Report. The amounts agreed.

 - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2021 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2021. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid

Expenditures did not exceed appropriations.
