We have performed the procedures enumerated below on the Village of Osgood, Darke County's (the Village) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2022 and 2021 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Village. The Village is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2022 and 2021 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Village.

The Village Council, Mayor and the management of the Village have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Village's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2022 and 2021, and certain compliance requirements related to these transactions and balances. Additionally, the Auditor of State has agreed to and acknowledged that the procedures performed are appropriate to meet their purposes. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash

1. We recalculated the December 31, 2022 and December 31, 2021 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2021 beginning fund balances for each fund recorded in the Cash Journal to the December 31, 2020 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2022 beginning fund balances for each fund recorded in the Cash Journal to the December 31, 2021 balances in the Cash Journal. We found no exceptions.
3. We agreed the 2022 and 2021 bank reconciliation as of December 31, 2022 and 2021 to the total fund cash balances reported in the Cash Journal and the financial statements filed by the Village in the Hinkle System. The amounts agreed except for, the 2021 General fund Ending Hinkle Balance did not agree to the 2021 Cash Journal Ending Balance or the 2022 Hinkle Beginning Balance. The variance was due to improper posting of the General Government disbursements to the Hinkle filing from the appropriation ledger. No adjustment to the Village's books was required.

Cash (Continued)

4. We confirmed the December 31, 2022 bank account balances with the Village's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2022 bank reconciliation without exception.
5. We selected all reconciling debits (such as outstanding checks) from the December 31, 2022 bank reconciliation:
 - a. We traced the one outstanding check to the subsequent February 2023 bank statement. We found no exceptions.

 - b. We inspected the debt's Loan Detail and Paydown reports for all outstanding debt, and we confirmed the Village does not have any debt covenants.

Issue	Principal outstanding as of December 31, 2020:

We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2023	December 9, 2022	\$518.18	\$518.18
Local Income Tax	January 30, 2023	December 9, 2022	\$79.91	\$79.91

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2022 and 2021 for the General, Street, and State Highway funds, as recorded in the Appropriation Ledger. Expenditures did not exceed appropriations.
2. We inspected the Cash Journal for the years ended December 31, 2022 and 2021 for negative cash fund balance. Ohio Rev. Code § 5705.10(l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Village filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2022 and 2021 in the Hinkle system. Financial information was filed on 3/4/2023 for 2022 and 4/26/2022 for 2021, which was not within the allotted timeframe.

We were engaged by the Village to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Village's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Village and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
