BASIC AUDIT REPORT

Woodlawn Community Improvement Corporation
Hamilton County
10141 Woodlawn Boulevard
Woodlawn, Ohio 45215

We have completed certain procedures in accordance with Ohio Rev. Code Section 117.01(G) to the accounting records and related documents of the Woodlawn Community Improvement Corporation, Hamilton County, (the Corporation) for the years ended December 31, 2023 and 2022.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code Section 117.11(A). Because our procedures were not designed to opine on the Corporation's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the Corporation's financial statements, transactions or balances for the years ended December 31, 2023 and 2022.

The Corporation's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code Section 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found the following significant compliance or accounting issues to report.

Current Year Observations

1. Public Records Policy and Records Retention Schedule

Ohio Rev. Code § 149.43(E)(2) provides that every public office must have a policy in place for responding to public records requests. Generally, a public records policy cannot: (1) limit the number of public records the office will make available to a single person; (2) limit the number of public records the office will make available during a fixed period of time; and (3) establish a fixed period of time before the office will respond to a request for inspection/copying of public records unless that period is less than eight hours. However, pursuant to **Ohio Rev. Code § 149.43(B)(7)(c)**, the policy may limit the number of public records the public office will physically deliver by U.S. Mail or other delivery service to ten per month unless the person certifies to the office in writing that the person does not intend to use or forward the requested records, or the information contained in them, for commercial purposes. "Commercial" is narrowly construed and does not include reporting or gathering news, reporting or gathering information to assist citizen oversight or understanding of the operation or activities of government, or nonprofit educational research.

Ohio Rev. Code § 149.43(E)(2) further requires all public offices take certain actions with regard to their public record policy. Public offices must distribute their Public Records Policy to the employee who is the records custodian/manager or otherwise has custody of the records of that office and have that employee acknowledge receipt of the Public Records Policy; create and display in a conspicuous place in all locations where the public office has branch offices a poster describing

the public records policy; and, if the public office has a manual or handbook of its general policies and procedures for all employees, include the public records policy in that manual or handbook.

Ohio Rev. Code § 149.43(B)(2) states the entity shall have available a copy of its current records retention schedule at a location readily available to the public.

The Corporation has no formal written policy that would demonstrate compliance with the Ohio Revised Code. This could result in records requests not being fulfilled in accordance with Ohio law.

The Corporation shall establish a public records policy. The policy shall be distributed to the records custodian/manager and the Corporation should have a written acknowledgement of receipt from the records custodian/manager. In addition, a poster describing the public records policy must be conspicuously displayed in all of the Corporation branch offices and the public records policy must be included in policy manuals or handbooks if any exist. Furthermore, the Corporation shall establish a records retention schedule.

Pursuant to **Ohio Rev. Code § 109.43(E)(2)**, the Ohio Attorney General has developed and provided to all public offices a model public records policy for responding to public records requests. The policy, which is available at <https://www.ohioattorneygeneral.gov/Files/Government-Entities/Model-Public-Records-Policy.aspx>, provides guidance to public offices in developing their own policies for responding to public records requests in compliance with the Public Records Act.

2. Inactive Board of Trustees

Article I, Section 2 of the Code of Regulations provides for seven Trustees, one of whom shall be the mayor of the Village of Woodlawn, three of whom shall be council members of the Village of Woodlawn, and three of whom shall be appointed by the mayor and approved by the council. Appointments shall be made annually on or before February 1st.

The Corporation failed to hold an annual meeting for 2023 or 2022, and therefore failed to appoint Trustee members to the Board. Failure to properly meet and to maintain active Board members could lead to a lack of accountability and transparency. The Corporation should hold annual meetings and appoint Trustee members in accordance with the Code of Regulations.

Current Status of a Matter Reported in our Prior Engagement

During the prior engagement, we noted the Corporation did not file the 2021 annual financial report with the Auditor of State within the allotted timeframe. This matter was corrected for the years ended December 31, 2023 and 2022.
