INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Chardon Township
Geauga County
9949 Mentor Rd.
Chardon, Ohio 44024-9601

We have performed the procedures enumerated below on Chardon Township, Geauga County, Ohio's (the Township) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2023 and 2022 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2023 and 2022 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2023 and 2022, and certain compliance requirements related to these transactions and balances. Additionally, the Auditor of State has agreed to and acknowledged that the procedures performed are appropriate to meet their purposes. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash and Investments

1. We recalculated the December 31, 2023 and December 31, 2022 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2022 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2021 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2023 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2022 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the 2023 and 2022 Bank Reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2023 and 2022 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.

4. We confirmed the December 31, 2023 bank account balances with the Ohio Pooled Collateral System. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2023 bank reconciliation without exception.
5. We selected the only three reconciling debits (such as outstanding checks) from the December 31, 2023 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. We found no exceptions.
6. We selected the only reconciling credit from the December 31, 2023 bank reconciliation:
 - a. We traced each credit to the subsequent January bank statement. We found no exceptions.
 - b. We agreed the credit amounts to the Receipts Register and determined they were dated prior to December 31. We found no exceptions.
7. We traced interbank account transfers occurring in December of 2023 and 2022 to the accounting records and bank statements to determine if they were properly recorded. We found no exceptions.
8. We inspected investments held at December 31, 2023 and December 31, 2022 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code §§ 135.13, 135.14, 135.144 or 135.145. We found no exceptions
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code § 135.13 or 135.14. We found no exceptions.

Property Taxes and Intergovernmental Cash Receipts

1. We selected a total of 5 receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the Geauga County Accounts Payable Invoice Report for 2023 and a total of 5 from 2022:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Export Report. The amounts agreed.
 - b. We inspected the Receipt Export Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05 and 5705.10. We found no exceptions. However, we noted that 2 Homestead and Rollback real estate receipts in 2022 for \$155,659, and 2 Homestead and Rollback real estate receipts in 2023 for \$154,717 was misclassified as property tax revenue rather than intergovernmental revenue.
 - c. We inspected the Receipt Export Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Export Report to determine whether it included 2 real estate tax receipts plus 4 advances for 2023 and 2 real estate tax receipts plus 5 advances for 2022. We found no exceptions.

Other Receipts

We selected 10 other receipts from the year ended December 31, 2023 and:

- a. Agreed the receipt amount recorded in the Receipt Export Report to supporting documentation. The amounts agreed.
- b. Confirmed the amounts charged complied with rates in force during the period. We found no exceptions.
- c. Inspected the Receipt Export Report to determine the receipt was posted to the proper funds and was recorded in the proper year. We found no exceptions.

Debt

1. From the prior audit documentation, we observed the following loans were outstanding as of December 31, 2021.
 - a. These amounts agreed to the Township's January 1, 2022 balances on the summary we used in procedure 3.
 - b. We inspected the debt's final offering documents for all outstanding debt and we confirmed the Township does not have any debt covenants.

Issue	Principal outstanding as of December 31, 2021:
MBC Loan – 2018 Kenworth	\$48,603
State Infrastructure Bank Loan	\$202,966
MBC Loan – 2020 Ford F350	\$32,245

2. We inquired of management and inspected the Receipt Export Report and Payment Export Report for evidence of debt issued during 2023 or 2022 or debt payment activity during 2023 or 2022. All debt agreed to the summary we used in procedure 3, except for the item noted in step 4.
3. We obtained a summary of loan debt activity for 2023 and 2022 and agreed principal and interest payments from the related debt amortization schedules to Road and Bridge and Miscellaneous Debt Service fund payments reported in the Payment Export Report. We also compared the date the debt service payments were due to the date the Township made the payments.
4. We compared the amount of debt proceeds received for 2022 from the debt documents to the Receipt Export Report. We noted that there was a new debt issuance in 2022 for \$44,758 from OPWC for road improvements. Neither the debt proceeds nor the disbursement was recorded by the Township.
5. For new debt issued during 2022, we inspected the debt legislation, which stated the Township must use the proceeds for road improvements. We inspected the Payment Export Report and noted the Township did not record the disbursements for the road improvements. However, per review of the loan documentation, road improvements were made in December 2021 and January 2022.

Payroll Cash Disbursements

1. We selected 1 payroll check for 5 employees from 2023 and 1 payroll check for 5 employees from 2022 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files and/or minute records or as required by statute. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2023 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2023. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2024	December 28, 2023	\$871.50	\$871.50
State income taxes	January 15, 2024	December 28, 2023	\$122.50	\$122.50
Local income tax	April 8, 2024	December 21, 2023	\$166.93	\$166.93
OPERS retirement	January 30, 2024	January 8, 2024	\$6,301.22	\$6,301.22
School District Income Tax	January 31, 2024	December 21, 2023	\$37.13	\$37.13

We found no exceptions.

3. We compared total gross pay for the fiscal officer and each Board of Trustee for 2023 and 2022 to the compensation permitted by Ohio Rev. Code §§ 507.09 and 505.24, respectively. Their pay did not exceed the Ohio Rev. Code §§ 507.09 and 505.24 permitted amounts.

Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Payment Export Report for the year ended December 31, 2023 and 10 from the year ended December 31, 2022 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Export Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found 1 instance where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments including outstanding encumbrances) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2023 and 2022 for the General, Motor Vehicle License Tax, and Permissive Motor Vehicle License funds as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected the only 4 interfund transfers from 2023 and the only 1 from 2022 in the Revenue Status Reports and Appropriation Status Reports for compliance with Ohio Rev. Code §§ 5705.14 - .16. We found no evidence of transfers these Sections prohibit, or for which Ohio Rev. Code § 5705.16 would require approval by the Tax Commissioner.

3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2023 and 2022 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

Sunshine Law Compliance

1. We obtained and inspected the Township's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We inquired with Township management and determined that the Township did not have any completed, denied, or redacted public records requests during the engagement period.
3. We inquired whether the Township had a records retention schedule and observed that it was readily available to the public as required by Ohio Rev. Code § 149.43(B)(2). We found no exceptions.
4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
5. We inspected the Township's policy manual and determined whether the public records policy was included as required by Ohio Rev. Code § 149.43(E)(2). We found that the public records policy was not included in the Township's policy manual.
6. We observed that the Township's poster describing their Public Records Policy was displayed conspicuously in all branches of the Township as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
7. We inquired with Township management and determined that the Township did not have any applications for record disposal submitted to the Records Commission during the engagement period.
8. We inspected and determined whether each elected official in accordance with Ohio Rev. Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We found no exceptions.
9. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
 - a. Prepared – a file is created following the date of the meeting
 - b. Filed – placed with similar documents in an organized manner
 - c. Maintained - retained, at a minimum, for the engagement period
 - d. Open to public inspection – available for public viewing or request.We found no exceptions.

11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
 - a. Executive sessions were only held at regular or special meetings.
 - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code § 121.22(G).
 - c. Formal governing board actions were adopted in open meetings.We found no exceptions.

Other Compliance

1. Ohio Rev. Code § 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. The Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and the Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2023 and December 31, 2022 in the Hinkle system. We found no exceptions.
2. We inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code §§ 507.12 and 733.81. The Fiscal Officer obtained the required training.

We were engaged by the Township to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Township and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
