The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2023 and 2022, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash and Investments

1. We recalculated the December 31, 2023 and December 31, 2022 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2022 beginning fund balances for each fund recorded in the Fund Status Report to the December 31, 2021 balances in the prior year documentation in the prior year agreed-upon procedures working papers. We found no exceptions. We also agreed the January 1, 2023 beginning fund balances for each fund recorded in the Fund Status Report to the December 31, 2022 balances in the Fund Status Report. We found no exceptions.
3. We agreed the 2023 and 2022 Bank Reconciliation as of December 31, 2023 and 2022 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.

Cash and Investments (Continued)

4. We confirmed the December 31, 2023 bank account balances with the Township's financial institutions and Ohio Pooled Collateral System. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2023 bank reconciliation without exception.
5. We selected the only two reconciling debits (such as outstanding checks) from the December 31, 2023 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. We found no exceptions.
6. We inspected investments held at December 31, 2023 and December 31, 2022 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code §§ 135.13, 135.14, 135.144 or 135.145. We found no exceptions

1. We selected a total of 5 receipts from the *Statement of Semiannual Apportionment of Taxes, State Distribution Transaction Lists (DTL)*, and the Miami County Invoice List by GL Account Report for 2023 and a total of 5 from 2022:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Detail Report. The amounts agreed.
 - b. We inspected the Receipt Detail Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05 and 5705.10. We found no exceptions.

Issue	Principal outstanding as of December 31, 2023:
OPWC Cox Road Loan	\$22,245

2. We inquired of management and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2023 or 2022 or debt payment activity during 2023 or 2022. All debt agreed to the summary we used in procedure 3.

Debt (Continued)

3. We obtained a summary of loan debt activity for 2023 and 2022 and agreed principal and interest payments from the related debt amortization schedule to motor vehicle license tax fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Township made the payments. We found no exceptions.

Payroll Cash Disbursements

1. We selected 1 payroll check for the only Township employee from 2023 and 1 payroll check for the only Township employee from 2022 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively-approved rate). We found no exceptions.
 - b. We inspected the fund and account code to which the check was posted to determine the posting was allowable based on the employee's duties as documented in the employee's personnel file and minute record. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2023 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2023. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare	January 31, 2024	December 20, 2023	\$1,052	\$1,052
State income taxes	January 15, 2024	December 20, 2023	\$167	\$167

 - b. Traced the Fiscal Officer's and Trustees' pay for time or services performed to supporting certifications the Revised Code requires.

We found no exceptions.

4. We compared total gross pay for the fiscal officer and each trustee for 2023 and 2022 to the compensation permitted by Ohio Rev. Code §§ 507.09 and 505.24, respectively. Their pay did not exceed the Ohio Rev. Code §§ 507.09 and 505.24 permitted amounts.

Non-Payroll Cash Disbursements

We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2023 and 10 from the year ended 2022 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments including outstanding encumbrances) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2023 and 2022 for the general, motor vehicle license tax, and gasoline tax funds as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2023 and 2022 for negative cash fund balances. Ohio Rev. Code § 5705.10(l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

Sunshine Law Compliance

1. We obtained and inspected the Township's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We inquired with Township management and determined that the Township did not have any completed public records requests during the engagement period.
3. We inquired with Township management and determined that the Township did not have a records retention schedule during the engagement period and therefore could not make it readily available to the public as required by Ohio Rev. Code § 149.43(B)(2), which states, in part, a public office shall have available a copy of its current records retention schedule at a location readily available to the public.
4. We determined that the Township had a public records policy during the engagement period; however, there was no written acknowledgement that it was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2), which states, in part, all public offices shall adopt a public records policy in compliance with this section for responding to public records requests. The public office shall distribute the public records policy adopted by the public office under this division to the employee of the public office who is the records custodian or records manager or otherwise has custody of the records of that office. The public office shall require that employee to acknowledge receipt of the copy of the public records policy.

Sunshine Law Compliance (Continued)

6. We observed that the Township's poster describing their Public Records Policy was displayed conspicuously in all branches of the Township as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
7. We inquired with Township management and determined that the Township did not have any applications for record disposal submitted to the Records Commission during the engagement period.
8. We inspected individual proof of attendance and determined whether each elected official in accordance with Ohio Rev. Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We found no exceptions.
9. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
 - a. Prepared – a file is created following the date of the meeting
 - b. Filed – placed with similar documents in an organized manner
 - c. Maintained - retained, at a minimum, for the engagement period
 - d. Open to public inspection – available for public viewing or request.We found no exceptions.
11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
 - a. Formal governing board actions were adopted in open meetings.We found no exceptions.

HB 481 / HB 614 Coronavirus Relief Fund (CRF) Compliance

For fiscal year 2022, we inquired of management and those charged with governance and documented how the Township decided to spend their CRF allocations and how the Township documented their compliance with the CARES Act three-prong test. We then selected five non-payroll transactions and determined the Township:

- a. Spent the CRF money (including additional distributions or redistributions) in accordance with use of funds requirements and
 - b. Maintained appropriate supporting documentation.
- We found no exceptions.

Other Compliance

1. Ohio Rev. Code § 117.38 requires townships to file their financial information in the Hinkle System within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2023 and 2022 in the Hinkle System. We found no exceptions.
2. The Township provided out-of-pocket insurance reimbursements in lieu of providing coverage to all employees.
 - a. We inspected the resolution authorizing reimbursements and determined it met the following documentation requirements for Ohio Rev. Code § 505.601.
 1. The Township has not chosen to procure a health plan,
 2. The Township has chosen to reimburse its officers and employees for each out-of-pocket premium,
 3. It provides for a maximum uniform monthly or yearly payment amount for each officer and employee, and
 4. It lists only the specific benefits allowed under Ohio Rev. Code § 505.60(A) that will be reimbursed.We found no exceptions.

We were engaged by the Township to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Township and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
