BASIC AUDIT REPORT

Village of Waldo
Marion County
Waldo, Ohio 43356

We have completed certain procedures in accordance with Ohio Rev. Code Section 117.01(G) to the accounting records and related documents of the Village of Waldo, Union County, (the Village) for the years ended December 31, 2023 and 2022.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code Section 117.11(A). Because our procedures were not designed to opine on the Village's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the Village's financial statements, transactions or balances for the years ended December 31, 2023 and 2022.

The Village's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code Section 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found the following significant compliance issue to report.

Current Year Observation

We noted one elected official of the Village did not attend a Public Records Training for their term ending December 31, 2023. Ohio Rev. Code §§ 109.43(B) and 149.43(E) require that all elected officials (or their appropriate designees) successfully attend a certified three-hour Public Records Training during each term of office. The Village should ensure all elected officials (or their designees) attend a Public Records Training during each of their respective terms.
