4. We observed the year-end bank balances on the financial institution's website. The balances agreed. We also agreed the observed balances to the amounts appearing in the December 31, 2023 bank reconciliation without exception.
5. We selected both reconciling debits (such as outstanding checks) from the December 31, 2023 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. We found no exceptions.
6. We inspected investments held at December 31, 2023 and December 31, 2022 to determine that they:

We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and the Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2023 and 2022 in the Hinkle system.
