The Board of Trustees and the management of the Library have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Library's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2024 and 2023, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash

1. We recalculated the December 31, 2024 and December 31, 2023 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2023 beginning fund balances for each fund recorded in the Cash Summary Fund Report to the December 31, 2022 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We agreed the 2024 and 2023 bank reconciliation as of December 31, 2024 and 2023 to the total fund cash balances reported in the Cash Summary Fund Report and the financial statements filed by the Library in the Hinkle System. The December 31, 2024 and 2023 bank reconciliations' total fund balance was \$30 less than the total fund cash balance reported in the December 31, 2024 and 2023 Cash Summary Fund Reports and the statements filed in the Hinkle System due to change fund the Library keeps at the front desk.

We compared total expenditures to total approved appropriations plus any carryover appropriations for the years ended December 31, 2024 and 2023 for the General and Building, Maintenance, and Repairs Funds. Expenditures did not exceed appropriations.

Sunshine Law Compliance

1. We obtained and inspected the Library's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We inquired with Library management and determined the following:
 - a. The Library did not have any completed public records requests during the engagement period.
 - b. The Library did not have any denied public records requests during the engagement period.
 - c. The Library did not have any public records requests with redactions during the engagement period.
3. We inquired whether the Library had a records retention schedule and observed that it was readily available to the public as required by Ohio Rev. Code § 149.43(B)(2). We found no exceptions.
4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
5. We inspected the Library's policy manual and determined the public records policy was included as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
6. We observed that the Library's poster describing their Public Records Policy was displayed conspicuously in all branches of the Library as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
7. We selected 5 applications submitted to the Records Commission for one-time disposal of obsolete records, and management's review of the schedules of records retention and dispositions for the engagement period. We inspected the approval by the Records Commission for the 5 selected and the review of the schedules. This was required by Ohio Rev. Code § 149.411. We found no exceptions.
8. We inquired with Library's management and determined that the Library did not have any elected officials subject to the Public Records Training requirements during the engagement period as required by Ohio Rev. Code §§ 149.43(E)(1) and 109.43(B).
9. We inspected the public notices for the public meetings held during the engagement period and determined the Library notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.

Sunshine Law Compliance (Continued)

10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
 - a. Prepared – a file is created following the date of the meeting
 - b. Filed – placed with similar documents in an organized manner
 - c. Maintained - retained, at a minimum, for the engagement period

 - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code § 121.22(G).
 - c. Formal governing board actions were adopted in open meetings.

We found no exceptions.

Contract Compliance:

1. We inspected the Payment Register and identified the Library had expenditures subject to competitive bidding. We found no exceptions.
2. We selected the contract subject to competitive bidding requirements for an HVAC unit for 2024 and:
 - a. We inspected the sealed bids and board minutes for the contracted expenditure and determined the sealed bids were:
 - i. Opened at the next meeting of the board
 - ii. Publicly read by the fiscal officer
 - iii. Entered into the board's records

We found bids were not solicited for the HVAC unit as both HVAC units shut down; therefore, the Board declared this an emergency. The fiscal officer had previously acquired two quotes for the HVAC unit so the Board selected the HVAC vendor with the lowest quote. We found no exceptions.

Other Compliance

Ohio Rev. Code § 117.38 requires libraries to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Library

- a. Filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2024 and 2023 in the Hinkle system. We found no exceptions.
