BASIC AUDIT REPORT

Jackson Township
Union County
15670 SR 739
Richwood, Ohio 43344

We have completed certain procedures in accordance with Ohio Rev. Code § 117.01(G) to the accounting records and related documents of Jackson Township, Union County, (the Township) for the years ended December 31, 2024 and 2023.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code § 117.11(A). Because our procedures were not designed to opine on the Township's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the Township's financial statements, transactions or balances for the years ended December 31, 2024 and 2023.

The Township's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code § 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found the following significant compliance or accounting issue to report.

Current Year Observation

Ohio Rev. Code §§ 507.12 requires any elected or appointed township fiscal officer to complete at least six hours of initial education programs before commencing, or during the first year of office. An additional eighteen hours of continuing education must be completed within the fiscal officer's first term. Twelve hours of training shall be completed for each subsequent term. At least two hours of ethics instruction shall be included in the continuing education hours. We noted the Township Fiscal Officer did not complete the required ethics instruction for her subsequent term ending March 31, 2024.
