Compliance - Budgetary

- 1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus contract commitments including outstanding encumbrances) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2024 and 2023 for the General, Water Operating, and Electric Operating funds, as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
- We inspected the 5 largest interfund transfers from 2024 and the 5 largest from 2023 Revenue Status Reports and Appropriation Status Reports for compliance with Ohio Rev. Code §§ 5705.14 .16. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner.
- 3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2024 and 2023 for negative cash fund balance. Ohio Rev. Code § 5705.10(I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

Compliance - American Municipal Power Joint Venture Debt Covenant Requirements

1. The Village is a member of Ohio Municipal Electric Generation Agency Joint Venture 5 (OMEGA JV5). Section 17(A) of the Joint Venture Agreement requires the Village's Electric Utility receipts, as defined, to be at least 110% of its OMEGA JV5 operating & maintenance plus debt service charges, as defined.

Using information from the Village's unadjusted receipts and disbursements ledger, we calculated the cash basis debt coverage for its OMEGA JV5 for the years ended December 31, 2024 and 2023.

For the year ended December 31, 2024, the ratio of the Village's Electric Utility receipts to OMEGA JV5 debt service disbursements was 16.8, meeting the Village's debt covenant obligation of 1.10 times set forth in Section 17(A) of the Joint Venture Agreement.

For the year ended December 31, 2023, this ratio was 10.1, thus meeting the Village's debt covenant obligation.

Exhibit JV5 presents the supporting calculations.

Sunshine Law Compliance

- 1. We obtained and inspected the Village's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
- 2. We inquired with Village management and determined that the Village did not have any completed, denied or redacted public records requests during the engagement period.

- 4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
- 5. We inquired with Village management and determined that the Village did not have a policy manual during the engagement period therefore the public records policy could not be included as required by Ohio Rev. Code § 149.43(E)(2).
- 6. We observed that the Village's poster describing their Public Records Policy was displayed conspicuously in all branches of the Village as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.

Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We found no exceptions.

We inspected the public notices for the public meetings held during the engagement period and determined the Village notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Other Compliance

- 1. Ohio Rev. Code § 117.38 requires villages to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Village filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2024 and 2023 in the Hinkle system. We found no exceptions.

Code §§ 507.12 and 733.81. The Fiscal Officer obtained the required training.

We were engaged by the Village to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Village's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
