

AUDITOR OF STATE OF OHIO

ALTERNATE HINKLE SYSTEM FINANCIAL STATEMENT/DISCLOSURE REPORT

(ONLY Applicable to Limited Entities/Circumstances)

Purpose: The purpose of this form is to provide an alternative financial statement/disclosure reporting format for limited entities/circumstances (identified below), which are statutorily required to annually file financial statements/notes to the financial statements with the Auditor of State via the Hinkle System but have little to no financial activity, assets or liabilities. This report is intended **only** for entities that have been created but did not function during the reporting period.

Instructions: To determine if an entity may file this completed report rather than final, unaudited financial statements and notes to the financial statements via the Hinkle System, please complete each question until you are either instructed to STOP because you are not eligible to use this alternate report or meet the requirements to substitute this report for your entity's financial statements and notes to the financial statements in completing your entity's Hinkle System filing. For additional guidance, please refer to the [Alternate Hinkle System Report FAQs](#).

1. Eligible Entity Type

Is your entity one of the eligible entity types listed below?

4. Entity Information

If you properly answered the questions and were **not** directed to "**STOP**," you **may** upload this alternate report to satisfy your entity's mandated annual Hinkle System filing upload. Please complete the entity information below and save an electronic copy of this completed alternate report to upload via the Hinkle System.

Entity Name:

Entity County:

Annual Reporting Period: Beginning _____ and Ended _____

Report Prepared by:

Name: _____ Title: _____ Date: _____

Email: _____ Phone: _____

Note: CICs are mandated by statute to prepare financial statements on the generally accepted accounting principles (GAAP) basis. If your entity is a CIC and qualifies to upload this alternate report rather than financial statements and notes to the financial statements via the Hinkle System, you should still select “GAAP” as the filing type (accounting basis) when completing your Hinkle System filing.

SIDs/ESIDs, JEDDs/JEDZs or public offices/other entities which did not function during the reporting period, which are qualified to upload this alternate report rather than financial statements and notes to the financial statements via the Hinkle System, should select the filing type (accounting basis) under which they intend to create financial statement/notes when required in the future.

* *Assets commonly include cash in bank accounts, investments, or capital assets such as land and buildings.*

Liabilities commonly include outstanding debt; however, if an ESID, property owner debt related to a project when special assessments are sent directly to a lender by the taxing authority is not a liability of the ESID.
