* School districts that refinance or restructure operating debt while in watch or emergency remain in watch for the duration of the repayment period.

** These districts were originally in fiscal watch, but qualified for fiscal emergency after being unable to develop a financial recovery plan or updated financial recovery plan acceptable to the State Superintendent of Public Instruction or not following the financial recovery plan in place following a declaration of fiscal watch.

*** Districts adopted resolutions they would be unable to develop a financial plan acceptable to the State Superintendent of Public Instruction within 120 days, and were immediately declared in emergency.

**** Effective July 1, 2014, the School District relinquished its territory to Old Fort Local School District.
