Subject: Access to UAN 2014 data after Jan 1, 2016
Date: December 14, 2015

As a reminder, once a UAN client files their 2015 financial report, none of the client's data (including 2014 and earlier) will be accessible until the new AWB version is completed (usually around Feb. 15th). Please inform your staff that if they need UAN data for 2014 or earlier (for 2014-2015 or other earlier periods), it must be downloaded before January 1st or it may not be accessible until mid-February.

Please contact the Center for Audit Excellence if you have any questions.
